Presidents Report

Will Goodier

I thank all who have contributed to the success of table tennis this year, not only those directly involved with TTA but all of the hard working volunteers from parents to committee members of clubs, presidents, secretaries, treasurers and State elected representatives and those on TTA committees. Everyone who has been a volunteer will know that thank you is very hard to come by but criticism is always present.

I thank the CEO of TTA Peter Marriott and staff for their support and ability to achieve outcomes with very little resource. The board has seen some change this year with the appointment of Jenny Han and Claire Montgomery. Jenny fills one of the two appointed positions available and Claire was appointed by the board after the resignation of Phil Davis. I thank Phil Davis for his commitment and contribution to TTA over a number of years. While the board has had changes, I feel the mix is one which can take us forward and as it contains a mix of youth and experience as well as being gender neutral.

While we always miss our members who have passed away, none was more significant than David Beaumont. David was a long serving member on the board of TTA and a huge influence in TTNSW. We will all miss him as he was a good friend and supporter to all.

Over the past few years the board of TTA has worked closely with the States to deliver outcomes which benefit all. The presidents teleconferences continue to be a valuable tool to continue to communicate and discuss current items of interest. It is my observation that we currently enjoy a good relationship with the States and I hope to continue to foster this atmosphere of co-operation.

Every part of the business of TTA has seen changes and continues to evolve. The veterans this year had the largest number of entries; we had the Korean team and Chinese team competing against Australia in a test match in Parliament House (the first ever sporting event held there). The men's and ladies teams both did well in the World teams championships with the Women's team improving from 35th to 25th in the world rankings by winning their division and qualifying for division one. The men's team also moved up 10 positions from 50th to 35th in the world rankings. Our future high performance is now focused on the Commonwealth Games in Glasgow in 2014 and 2018 with the announcement of the Commonwealth Games on the Gold Coast.

I am extremely pleased our membership has risen by 9.5% and currently stands at over 9000 members. There is no reason we can't continue to grow our membership as we encapsulate groups of players previously not included. We have been active in gaining sponsorship and have formed a sponsorship committee. There are a number of deals currently being negotiated which if fruitful will improve our ability to support the players and the membership.

I have left the AWD programme to the last because it continues to be supported by the Australian Paralympics committee and as so is our most highly supported programme. I thank Sue Stevenson and her team and players for their hard work and dedication and wish you success for the future. I thank the continued support by the Australian Sports Commission, the Australian Commonwealth Games Association who is without doubt supporting our non Para high performance programme more than anyone else. The Australian Olympic Committee and of course the Australian Paralympics committee who I have previously mentioned.

TTA is holding the AGM in 2013 in Adelaide. I look forward to meeting the State representatives with the opportunity of healthy discussion on the current needs of our members at the development forum.

CEO Report

Peter Marriott

2012 was a big year as predicted with both the Olympic and Paralympic Games being held in 2012. Australia was represented with a maximum compliment of players at the London Olympic Games and was well represented with 2 athletes at the London Paralympic Games. All of our players and coaching staff did Australia proud, at the Olympic Games all of our players won their first match and no player lost to a player ranked below them. William Henzell had a career best performance defeating players ranked 100 spots in front of him to reach the round of 32. Melissa Tapper was out standout performer at the Paralympic Games narrowly losing the bronze medal match in the women's Class 10 bronze medal playoff.

Achievements in 2012

As mentioned above Australia was represented at the Olympic Games with the maximum number of athletes possible, William Henzell, Justin Han, Robert Frank, Jian Fang Lay, Miao Miao and Vivian (Tan) Dederko qualified for the Olympic Games through an exhaustive Australian and Oceania Olympic Qualification process. Jens Lang and Paul Langley were selected as the Coach and Section Manager respectively. A special note to congratulate Jian and Miao on being selected for their 4th Olympic Games.

Melissa Tapper and Rebecca McDonnell represented Australia at the Paralympic Games in Class 10 and Class 6 events respectively. Alois Rosario was selected as the Coach of the team and was assisted by Roger Massie as the Section Manager/Coach.

With regards to the Paralympic and the future of Para Table Tennis, TTA and Oceania Table Tennis continued to lobbying the ITTF to have Oceania become a separate Para Region rather than having to have Australian and Oceania Para athletes try and qualify through the current Oceania-Asia region which presently exists. In early 2012 we received the good news that effective of the close of the London Paralympic Games Oceania would become its own separate Region.

Our Australian Teams at the World Team Championships were the standout performers with both teams finishing 15 places higher in the competition from where they started. Our Women's Team won the second division competition and will now play in the first division in 2014.

The participation program managed by Sue Stevenson (National Development and Inclusion Manager) has continued to gain momentum around the country and now features project clubs in Qld, NSW and SA with agreements underway with TAS, ACT and WA. TTA has also set up minor projects with some Rehabilitation Hospitals in Sydney. Membership in the sport has continued to rise with registered members now standing at 9284 and active participants totalling over 30,000.

Adele Butler resigned at the end of 2011 and was replaced by Bonnie Elliott who has been a great asset to the sport. Unfortunately at the time of writing this report Bonnie has decided to move on and has been replaced by Kandice Olivieri. All other staff have remained in their positions.

Whilst the results of all the tournaments conducted during the year are contained later in this annual report, I would like to acknowledge the efforts of the State/Territory committees and volunteers who hosted the major events during the year.

Australian AWD Championships – Gold Coast, Qld
 Australian Open & Youth Championships – Brisbane, Qld
 Australian Closed Championship – Geelong, VIC
 Australian Open Junior Championship – Perth, WA

29th Australian Veterans Championship – Canberra, ACT
Top 10 Senior tournament – Croydon, VIC

Congratulations to all of the players who competed in these events and a big thank you to all of the Coaches and Managers for helping make these events possible.

Internationally our Veteran, Senior, Junior and Para players and teams were also extremely busy attending international tournaments on almost every continent in the world. Participation in these events would not have been possible without the extraordinary support from our major funding partners, the players and parents of our players. A full list of the events and players which represented Australia during 2012 is shown later in this annual report.

Last but not least it is always a pleasure to see our players and teams compete in Green and Gold Uniforms courtesy of our uniform sponsor Adidas.

Stakeholders:

As mentioned a lot of the competitions our players competed in would not have been possible without the continued support of our major funding partners and stakeholders. Our Principle Funding Partner the Australian Sports Commission continues to support our sport not just in the provision of finances but the support and resources given through their staff at the Sports Commission is indispensable. A special thank you to our Partnership Manager Amanda Beehag, who has continued to assist TTA throughout 2012.

The Australian Paralympic Committee continues to increase their support of Para Table Tennis, with funding and resources which has ensured that every possible opportunity was given to our Para athletes in their efforts to compete at the 2012 Paralympics. The APC have also continued to assist TTA in developing a Classification pathway and courses for our sport and has continued to help us develop and improve our Sports Science and Sports Medicine program for our PPP athletes which would rival many other able and disabled programs around the country.

It would be remiss of me not to mention the tireless efforts of the Australian Commonwealth Games Association. The ACGA continues to provide financial resources to the sport of Table Tennis to allow our athletes to prepare for the Commonwealth Games. The ACGA has also provided much needed funds to assist in sending the Australian Junior Team to the World Junior Championships.

The Australian Olympic Committee must be congratulated on their efforts in presenting the entire Australian Olympic Games team for London.

Looking Ahead:

2013 will see the continued development of the new IMG web site and database platform which has been implemented. The new site will give the sport a fresh and standardised look while the data base will allow the sport to record and report on data which is a necessity when dealing with our major funding partners.

It would be remiss of me to not thank the Board for their tireless efforts throughout the year, their dedication to this sport is unwavering and their support of the staff of TTA is very much appreciated.

In closing I would like to thank all of the State and Territory Associations for their continued support of TTA and a big thank you to the Staff of TTA for their tireless efforts.

Australian Sports Commission Message

Message from the Australian Sports Commission

The Australian Sports Commission (ASC) has two core goals - ensuring Australian athletes excel in the international sporting arena, and increasing Australians' participation in sport.

These two clear objectives are mutually reinforcing – international success inspires Australians to participate in sport, and greater participation helps nurture our future champions. Sport not only inspires and unites, it also promotes community involvement, cohesion and active lifestyles.

Australians are inspired by success on the world sporting stage – it's central to who we are as a nation. The 2012 London Olympics showed that the standards required for elite international success keep increasing relentlessly. Traditional competitors keep getting better, and rising countries have become forces to be reckoned with in many of our stronghold sports. If we want to continue to enjoy the success we expect, we need to respond to this new environment in circumstances where Government funding for high performance sport is likely to be constrained at current levels.

This means we need to raise the bar ourselves in everything we do in high performance sport - our talent identification and development, coaching, sports science, use of technology and innovation, and the management and administration structures that support our athletes. It is fundamental to success that we set the same standards of excellence and accountability in all of these areas that we expect of our athletes on competition day. The ASC, which is investing a record \$170 million this year in high performance programs, has the responsibility to ensure that we have high performance support structures in place to enable high performance sporting success. We have significant work to do on these fronts. Our partner sports can expect much sharper focus by the ASC in future on best practice governance and administration, intellectual property ownership, athlete management and support structures and general accountabilities by the sports.

Despite recent events that have impacted upon the integrity of sport, it is important to emphasise that our commitment to elite international sporting success will never compromise our commitment to integrity in sport. Our belief in, and requirement for sports to uphold, the values of fair and honest competition is inviolable.

Importantly, the ASC is investing \$120 million this year to promote grassroots participation in sport throughout Australia and to continue a suite of successful national programs such as the Active After-school Communities program. Increased community sport participation has a profound long term dividend, and remains a vital objective of the ASC notwithstanding the challenges in high performance sport.

The ASC looks forward to working in collaboration with the sport sector to encourage more people into sport and to drive Australia's continued sporting success.

Mr John Wylie AM
Chairman
Board of the Australian Sports Commission

Australian Government
Australian Sports Commission

WINNING PARTNERSHIP

The Australian Sports Commission proudly supports Table Tennis Australia

The Australian Sports Commission is the Australian Government agency that develops, supports and invests in sport at all levels in Australia. Table Tennis Australia has worked closely with the Australian Sports Commission to develop table tennis from community participation to high-level performance.

Table Tennis Australia is one of many national sporting organisations that has formed a winning partnership with the Australian Sports Commission to develop its sport in Australia.

Peter Clive Marriott is the company's secretary and he was Chief Executive Officer of Table Tennis Australia during the full year. He was Executive Director of Water Polo Queensland from 2004 – 2009 and was Executive Director of Baseball Queensland between 1997 and 2002.

Short and Long Term Objectives

Table Tennis Australia in accordance with its Strategic Plan has identified the following priority objectives to achieve the Vision of the organisation "Lead and enable the development and promotion of Australian Table Tennis"

Short Term :

- **Ensure efficient and consistent governance of the sport.**

Strategy: Achieved through the continued review and development and adherence of National Policies, constitution and Strategy Planning.

- **Improve communication with Member Associations.**

Strategy: Achieved through the holding of National Conferences and Presidents Teleconferences.

Strategy: Development of a National Newsletter

- **Increase participation and membership in the sport.**

Strategy: Achieved through the continued roll out of the Participation Plan designed to increase the number of AWD and CALD participants in the sport as well as improving the capacity of individual clubs to sustain participation growth in the long term,

- **Improve communication and reporting capabilities of the sport**

Strategy: Achieved through the continued development and roll out of the National Data Base and website system.

Long Term

- **Build a High Performance framework.**

Strategy: Achieved through the continued development of the National domestic competition landscape,

- **Achieve Podium results at the Paralympic Games and other Bench Mark Events**

Strategy: Achieved through adherence to the Paralympic Preparation Program Technical Plan,

- **Achieve podium results at the Commonwealth Games and improve international standing of our athletes in other Bench Mark events**

Strategy: Achieved through adherence to the High performance Plan,

Measurements of Success

Management, monitoring and performance measurement of the objectives of Table Tennis Australia occur through detailed operational plans and budgetary processes that are directly linked to the plans of the organisation. Actual performance is monitored quarterly by the CEO while monthly budgetary reports are supplied to the Audit Sub-Committee on a monthly basis to compare financial budgets to actual expenditure.

Principal Activities

The principal activities of the company during the financial year were in line with the policies, regulations and by-laws of the organisation and can be categorized in 4 main key result areas;

1. Governance
2. Participation and Development
3. High Performance
4. Operations

The following activities were undertaken in pursuit of the strategies noted below.

- Continued review and updating of policies including but not limited to a review of the membership protection policy (Improved Governance)
- Continued roll out of the Participation Plan to increase participants in the CALD and AWD sectors of the community. 30,000 participants reported to ASC as at 31/12/2012 (Increased participation in the sport)
- Preparation and participation at the 2012 London Olympic Games (High Performance)
- Preparation and participation at the 2012 London Paralympic Games (High Performance)
- Roll out of new TTA web site (improved operations)
- 9.5 % increase in registered members (Increased participation)

All above activities contributed to the short and long term objectives of the Sport

The operating result as set out in the financial statements of the company for the financial year amounted to a deficit of \$6,730.95

Significant Changes in the State of Affairs

No significant change in the nature of these activities occurred during the year.

Events Subsequent to the End of the Reporting Period

Changes to the Australian Sports Commission High Performance Funding model were announced in December 2012 with an announcement in late March 2013 as to High Performance funding commencing 1st July 2013. As the Table Tennis Australia prepares budgets and activities on a calendar year basis this change of funding could have significant effect on the activities of the High Performance programs if funding levels are reduced below 2012 levels. High Performance funding from other sources will ensure all planned activities for 2013 can be achieved but will require a change in plan in subsequent yearly planning.

No other matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Environmental Regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a state or territory.

Dividends

No dividends are permitted to be paid or declared under the company constitution

Indemnification of Officers

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of the company.

Proceedings on Behalf of the Company

No person has applied for leave of court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The company was not a party to any such proceedings during the year.

Remuneration

No director receives any form of remuneration from the company

Members Liability

In accordance with the Constitution of the company each member must contribute to the company's property if the company is wound up while they are a member or within one year after their membership ceases to a maximum amount of \$20. No other member class must contribute to the company's property if the company is wound up.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations

Act 2001 is set out on page 5.

Signed in accordance with a resolution of the Board of Directors dated: 15th March 2013

William Goodier  Dated __15th March 2013__

Barbara Talbot  Dated __15th March 2013__

AUDITOR'S INDEPENDENCE DECLARATION
UNDER SECTION 307C OF THE CORPORATIONS ACT 2001
TO THE DIRECTORS OF
TABLE TENNIS AUSTRALIA LTD

I declare that to the best of my knowledge and belief, during the year ended 31 December 2012 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012

1 Statement of Significant Accounting Policies

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users dependent on general purpose financial statements.

The financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of these statements are as follows:

Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured inventories includes direct materials, direct labour and an appropriate proportion of variable and fixed overhead.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses.

In the event the carrying value of plant and equipment is greater than the estimated recoverable amount, the carrying value is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Depreciation

The depreciation method and useful life used for items of property, plant and equipment (excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by the company. Depreciation commences from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation method and useful life of assets is reviewed annually to ensure they are still appropriate.

TABLE TENNIS AUSTRALIA LTD
49 147 023 069

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount.

These gains or losses are recognised in profit or loss. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting adopted).

Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Impairment of Assets

At the end of each reporting period, property, plant and equipment, intangible assets and investments are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. The recoverable amount is the higher of the asset's fair value less costs to sell and the present value of the asset's future cash flows discounted at the expected rate of return. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount and an impairment loss is recognised immediately in profit or loss.

Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

TABLE TENNIS AUSTRALIA LTD
49 147 023 069

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the end of the reporting period and where outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

Comparative Figures

Comparative figures have been adjusted to conform to changes in presentation for the current financial year where required by accounting standards or as a result of changes in accounting policy.

TABLE TENNIS AUSTRALIA LTD**49 147 023 069****DIRECTORS' DECLARATION**

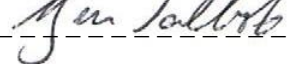

The directors have determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The directors of the company declare that:

1. The financial statements and notes, as set out on pages 1 to 16, present fairly the company's financial position as at 31 December 2012 and its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements; and
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Dated this 15th day of March 2013

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TABLE TENNIS AUSTRALIA LTD

49 147 023 069

Report on the Financial Report

I have audited the accompanying financial report, being a special purpose financial report, of TABLE TENNIS AUSTRALIA LTD, which comprises the balance sheet as at 31 December 2012, and the income statement, statement of changes in equity and cash flow statement for the year then ended, a summary of significant accounting policies, other explanatory information and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report, and have determined that the accounting policies described in Note 1 of the financial report are appropriate to meet the requirements of the company's constitution and are appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TABLE TENNIS AUSTRALIA LTD
49 147 023 069**

Auditor's Opinion

In my opinion, the financial report presents fairly, in all material aspects, the financial position of TABLE TENNIS AUSTRALIA LTD as of 31 December 2012 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

Basis of Accounting

Without modifying my opinion, I draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared for distribution to members for the purpose of fulfilling the director's financial reporting responsibilities under the company's constitution. As a result, the financial report may not be suitable for another purpose.

State / Territories Reports

Tasmanian Table Tennis Association Inc.

President – David Nettleton

I will begin my report by highlighting the remarkable fact that our very small table tennis community in 2012 produced two holders of very significant positions within the International and National organisations of our sport.

Neil Harwood became an ITTF vice-president, and Roger Massie was in London at the Paralympics as coach of the Australian team. I offer my congratulations to them both. We are punching far above our weight.

As far as the organisation of table tennis went, my view is that whilst we continued to run all our operations successfully, there remains a deficit in terms of people who are prepared to step forward to take over the reins as leaders of the TTTA. I believe this has the potential to adversely affect the viability of table tennis as a progressive sport in the medium term. I usually put this statement at the end of my report, but as it is becoming increasingly urgent, have given it greater import by putting it at the beginning.

The most significant playing achievement of the year was that of Madeline Goodsell gaining her Australian selection in the Under 15 team: our first National representative for many years. Well done Maddy and all who have helped her attain this honour. She is our highest ranked player at number 5, but another girl, Newton was also ranked in the top 10 of her age group- a fine achievement.

We fielded teams at the junior, youth and veterans' National tournaments and although we are not competing with expectations of winning trophies, we gave a good account of ourselves and had some successes. Thank you to all those who accompanied the teams as officials on behalf of TTTA.

Our tournaments were conducted successfully, and a new one –State-wide pairs - introduced. Of particular significance for the future of tournaments was the introduction by David Clark of NTTTA of a computerised system for organising, running and recording the entire tournament. This has the potential to improve the efficiency of managing events and increasing the number of matches per table through the course of the day. David has agreed to help with some tournaments this year, but we need others to make themselves au fait with the system so that it can be used at all our tournaments in the future.

We have taken the decision to accept our slot to hold the National Veterans' Championships in 2014, and have appointed Ian Weller to Chair the Organising Committee and David Wilson to be treasurer of the event which will be held under the auspices of TTTA at Kingborough. It is expected to yield a profit for TTTA which in turn will benefit all clubs directly or indirectly.

Our junior development programme continued under the direction of David Wilson and Andrew Goodsell. Both the Academy and Junior Development Squad are vital parts of our organisation, and have been responsible for the considerable improvement in the standard of our junior players over the last few years. This year, HWATT under the direction of Olympian Simon Gerada arrived in Tasmania with the expectation of implementing an elite junior programme as part of its itinerary.

Simon, I believe, was unaware of our own programmes, and his arrival was both unannounced and unexpected. Whilst Simon has a lot to offer, and his contribution to Tasmanian table tennis is a welcome development, we must protect our own infrastructure as Simon's is a commercial venture first and foremost and as such will be subject to its business viability so may not succeed in Tasmania. We do not want to be left with a void should this happen. With this in mind, TTTA Board drew up a Memorandum of Understanding which at the time of writing is with Simon for his consideration, and hopefully an agreement with him based on this will be arrived at shortly.

Our 2012 Sport and Recreation Grant were for introductory and participation programmes around the State, with emphasis on inclusion. Roger Massie took on the role of coordinator and main deliverer of the programme. He travelled the State but as he was heavily involved with the National scene, the programme could not be completed within the time frame of the Grant, so we are currently negotiating with s&r for an extension as Roger has set up some on-going programmes which need to be followed up.

Our 2013 Grant may have to be foregone as a result, but there is a possibility of it being transferred to an affiliate.

Once again we have had excellent support from sport and recreation for our sport, with a new contact, Chris Honner taking over from Joan Wyllie.

Our relations with the National body remained cordial and constructive as will be seen from the National Report.

Finally, I again thank those who by their hard work have kept the wheels turning: particularly the Directors, among whom I pick out for special mention Geoff Long and Doug MacLean.

I wish TTTA and its affiliates a successful and enjoyable year of table tennis in 2013.

Western Australian Table Tennis Association

State Delegate – Irwin Parker

David Cooper continued on the Board as President and additionally took on the chairmanship of the National Junior organising committee. Bob Lake (Executive Director), Irwin Parker (Finance Director) and Chris Marsh (Match Director) continued in their respective roles. David Brown took over the as Coaching Director from Dennis Chen whilst the Tournament Director position was taken by Sue Campbell for most of the year. Otti Beerli came onto the Board as Publicity and Promotions Director. His main activities were with the formulating a new constitution and working with TTA on a new WA web site.

During the year seven Open Championships were conducted. Of the seven, five were conducted by affiliated clubs and two by the Association. Generally speaking these events were well supported. Additionally leading players also participated in the WATTA Grand Prix series an event that was instituted by Mike Johns in 1990. As usual the Association conducted three pennant seasons (Summer, Winter and Spring) and although overall number of teams entered was disappointing they were keenly contested. The Match Committee and the Association are always looking for ways to lift the profile of the pennant competition and to entice more entries. The establishment of the category of Social membership helped lift membership numbers to over 300.

A great deal of effort was directed toward the hosting of the National Junior Championships. In addition to the old stagers it was pleasing to see the effort put into the championships by a group of parents. Their efforts were in no small part the reason for the Association coming ahead financially on the championship. Also the Association could not have run such a successful championship without our eastern states friends in Phil Males (controller) Ian Findlay (referee) and umpires Graham Boyton and Wing Au. The best performed of the WA teams was the girls under 13 team who won bronze. Individually Holly Nicolas and Katy Valentine won gold in the under 13 girls doubles and Holly Nicolas silver in the under 13 singles.

In addition to holding the position of Coaching Director David Brown continued as (honorary) State Development Officer and in that role was heavily involved in Schools/ junior coaching, AWD activities and in conducting Schools & Junior graded tournaments. Additionally David fulfilled the position of Registrar and provided technical support in the computing area.

There have been a few hiccups in relation to the planning of a new stadium. While official approval had been given by the Town of Victoria Park to build a new sporting complex, including a dedicated table tennis stadium, there was a move to exclude table tennis. Fortunately this was averted and we are still in the mix. Detailed design work needs to be carried out, a comprehensive business plan formulated and funding arrangements finalised. In addition to the Board Members the Association has been well served by a number of volunteers during the year. These include Peter Mascal (canteen), Charles Ellwood (general clerical and centre work), Greg Letts (Newsletter Editor and Junior team non playing captain), Paul Andriessen (Scoreboard maintenance), Craig Campbell (Junior team non playing captain), Maureen Hooper (Gardening), Lindesay Mee (Match Committee, tournaments and Centre work), Sue Campbell (Tournaments and admin), Victoria Southcombe (Tournaments), Gerry Bridson (Seniors group organiser) and Phil G Ranger (Junior club). Additionally at club level there are a number of others who contribute significantly to Association activities including the running of open tournaments.

The Association made a profit of \$6984 which compared favourably with last years profit of \$5734. The profit recorded was after allowing for an approximately \$3,000 cash deficiency up to 30 September on hosting the Australian Junior Championship. Full financial results for the championships should show a profit and will be reported on in next year's accounts. The centre recorded an operating profit of over \$27,000 which was applied toward Association operating expenses. With a prospect of a new centre it is planned to keep maintenance expenses to a minimum.

Core funding from the Department of Sport and Recreation (DSR) was maintained at \$16,000 and will be maintained in 2012/13. Advice has recently been received from DSR of a \$10,000 grant toward the hosting of the Australian Junior Championships. Also several \$1,000 DSR grants have been made to players under the Country Sport enrichment scheme.

Development funding from Healthway for the 2012 calendar year amounted at \$12,500. Additionally Healthway continued to provide \$2,500 sponsorship for the State Championship. Future funding has been tied into calendar years with \$15,500 being approved for the 2013 calendar year and \$16,000 for the 2014 calendar year. Healthway income was supplemented by the ASC'S 'Active After School' program which complements the development activities of the Healthway program.

The Association contribution toward state team travel and entry fee expense was almost halved from \$11,913 (2011) to \$6423 (2012) due to the junior teams not travelling. However it is expected that in 2013 the 2011 figure will be exceeded as it is hoped to provide additional support to our open teams, teams that have been neglected to a certain degree in recent years.

Overall the Association is in a very sound financial position with current working capital (Current Assets less Current liabilities) in excess of \$46,000 and having over \$24,000 in the Centre Fund which will be needed when we secure a new venue.

In 2013 the Association will need to commence planning for the 2014 National (Closed) championship which will present a new challenge for membership but undoubtedly a wide range of benefits.

ACT Table Tennis Association

President – Glenys Joliffe

Well, the last twelve months have been very busy for our Association.

I am very pleased to be able to report that our membership numbers reached 453, an increase of almost 20% (inclusive of 77 school members) over the last twelve months.

Sport & Recreational / Tourism Grants:

We were very pleased to receive two grants through the ACT Government, to assist with the hosting the Mpowerdome Australian Veterans Table Tennis Championships;

One with the assistance of the Minister for Sport, Andrew Barr (through Sport & Recreation Services) who supplied us with 6 new table tennis tables and equipment and the other through the Department of Tourism - and again supported by Minister Barr.

A very big thank you to the Minister for personally coming out to the venue (during election time) to officially open the Championships.

Mpowerdome 2012 Australian Veterans Table Tennis Championships:

First of all I would like to thank –

- Tournament Controllers - Bev and Brian James, Referee - Graeme Ireland, and Deputy Referees - Philip Males and Stephen Gillespie, for their strong support throughout. It could not have been run without them
- Our local players for their strong support (50 entrants) and our volunteers for the assistance provided both in the lead-up and during the Championships
- The 381 players, who provided the record number of entrants for the Championships, and officials from interstate who assisted in different ways
- Our Over 30 Men's Team, who were part of the contingent who participated for the first time at an Australian Veterans Championships, won their age group. It was the first time an ACT Team had won a Gold Medal at any Australian Championship

We were very proud of their efforts – Quy Cao (Playing Captain); Lovepreet Singh, Hung Nguyen and Ridhish Arora. Mrs Sun Xiaoping won gold in two individual events and was ranked No.1 in the O40 Women's Order of Merit.

The Championships were a first opportunity for many of our players who had not participated, or had the opportunity to play or to take part in an Open Australian Championships before. The experience was invaluable and very enjoyable for them all.

Thank you to all our sponsors who assisted:

- ACT Government – Events ACT & Sport & Recreation Services
- Mpowerdome
- Paul Pinkewich – Table Tennis World
- Coles (Chisholm Shopping Centre)
- Fig & Olive Turkish Cuisine
- Eastlake Football Club (Kingston)
- Mark Groves (computer equipment)

Tournament Co-ordinators and Tournament Committee:

A special thank you to our:

- Tournament Co-ordinators – Brian Peppy and Glenys Joliffe
- Tournament Committee – Mary Costa; Jan MacKenzie; Karen Pon; Rosanna Horn; and Song Chen and the many other ACT Members who assisted in a multitude of ways

Tuggeranong Indoor Multi-Use Hall - Greenway:

- The new Multi-Use Hall, being built at Greenway, near Tuggeranong, is due to open in approximately 2 months
- Our Association is looking to take advantage of the new premises being available for hire which should provide more space and assist with the overcrowding at our present Kingston Headquarters
- It will provide further opportunities for a more diverse range of activities to be made available for our members - school (both primary and secondary), Athletes With Disability programs, Handicap and Doubles Tournaments, coaching and training, invitational matches to other state and/or regional associations and also “come and try family activities”

Junior School Coaching:

At the end of Term 4 of the 2012 school year a representative of Fadden Primary School requested a day's coaching from our Association. Arthur Wilks and Glenys J went down to help out approx. 100 school children from Years 4, 5 and 6. It was a very successful day, helped by a very enthusiastic and table tennis knowledgeable Relief Teacher, from that area of Canberra.

Following the success of this venture we will investigate whether the same opportunity could be offered to any other school/s. The circumstance of offering “end of the year” activities and working with the very supportive Teacher, Principal, and staff generally, from that particular age group was very helpful. And of course the vast experience of Arthur Wilks was invaluable.

I returned to Fadden Primary School a week or so later to present two new table tennis racquets to the two girls who (working for the period during the rest of the week) following our visit, managed to have the longest rally against all comers (both genders) – 399 – isn't that amazing – what concentration!

Table Tennis ACT Perpetual Trophies:

- “Terry Mansell Most Improved Player of the Year”
 - Seb Srna
- “President's Trophy”
 - Brian Peppy
- “Pat Kean Volunteer of the Year”
 - Table Tennis ACT (Aust. Vets)

ACT Secondary Schools Table Tennis Championships:

Congratulations to all the students (with special mention to Marist College on their achievements) who took part and thank you to the teachers and schools for their support, as always.

With thanks to Song Chen for his organisational work and Jan Mackenzie for her assistance provided to us.

ACT OPEN and Residents' Results – supplied separately:

Special mention to be made of Brian Peppy for his excellent contribution involved in the lead-up and organisational work in the running of these two championships; also, thank you to the volunteers who provided assistance.

Thank you to the players who travelled from Sydney to take part in the OPEN.

The Saturday afternoon Junior Coaching Program:

This Program continued in 2012 and has proven a great success with young players and parents every Saturday during the school terms. It was set up by Coaching Director, Quy Cao, organised by Larry Lim; with assistance from other coaches, when needed at times.

Thank You To Our Seniors' Groups:

Senior Groups were run on Monday/Thursday/Wednesday/Friday, and continue to contribute to overall ambience of Table Tennis ACT.

A Sincere Thank You To:

- Trevor Taylforth for his contribution to the Grants Committee, Venue Committee and supportive efforts to professionalise TTACT in partnership with the President in all facets of the Board / Association
- Mary Costa for her Executive Director/Membership Co-ordinator work and general support in differing aspects of the Board (especially diverse Minute Taking), AWD Minutes' work for the new Sub-Committee, and work associated with the Coles Tote bags for the Veterans Championships participants and officials
- Jan MacKenzie for her extensive work involved in taking on the duties of her new position Finance Director
- Quy Cao for his Coaching Directorship contributions, organising/running of the free Table Tennis ACT Juniors Coaching Clinic and the support/mentoring provided to our No. 1 junior player
- Brian Peppy for his contribution to Events Management through the TTACT Open, Presidents Championships and lead up to the Australian Veterans Championships;
- Lyn Rainforest for her extensive work covering all aspects of Table Tennis Competition in the ACT and as Public Officer
- Rosanna Horn for her comprehensive AWD work in setting up programs in conjunction with Table Tennis Australia and also her work associated with Communications/Marketing
- Paul Keese for his work as Coach in the AWD Lyneham High School Program
- Patrick Horn for his Assistance in the AWD Lyneham High School Program
- Wen Ung for providing mentoring to our No. 1 Junior Player, helping in the AWD Program and providing assistance in the Junior Coaching Program when needed
- Mark Groves for his assistance in providing Computers/Copiers for the Australian Veterans
- Sheila Palmer for her work in providing security at the Centre over the Christmas/New Year break
- The Grade Managers/Score Keepers and other volunteers who have assisted over the last 12 months in connection with the Australian Veterans Championships

In conclusion I would like to wish all members of Table Tennis ACT a great year in 2013 - Canberra's Centennial Year. We look forward to seeing you around the tables.

Table Tennis Queensland

President – Trevor Barrett

Two years ago I was writing the annual report just after the flooding and cyclonic events that had impacted on many parts of Queensland in December 2010 and January 2011. Today, I find myself again writing this report after many parts of Queensland have again been affected by similar occurrences. This time however, where I live in Queensland, the Bundaberg region, has probably been the worst impacted, having experienced cyclonic rain, six tornadoes and the most historic flooding ever for this region. I trust that wherever our members are situated in Queensland, things are returning to some sense of normality and I again encourage all members and clubs to offer whatever support they can to those who have been affected by these abnormal climatic events.

The last twelve months has also seen a change in state government and this has inevitably brought with it some concern over the future maintenance of government funding to small sporting organisations such as our own. We are hopeful that the stability and progressive development of table tennis in Queensland will assist us to maintain good levels of funding for our sport in the coming years.

Participation

Membership figures for 2012 showed an excellent 13% increase on the previous year from 1630 to 1840, fuelled by large increases in members at Brisbane, Cairns and Moreton Bay. However, seven of our existing clubs showed a small decrease in members on the previous year. Gold Coast Table Tennis Association remains the largest club in the state (247), followed close behind by Brisbane (244).

Club membership grew from 22 to 23 with Cabarita Beach Table Tennis Association joining TTQ.

The Queensland schools again had a record number of teams and schools participate with 91 teams from 48 schools across four events: Gold Coast, Brisbane, Toowoomba and Townsville. My thanks go to all of the volunteers who gave up their time to help in running these events. Again we are continuing to look at expanding this event in 2013 perhaps introducing a fifth venue depending upon demand.

All three State Championships saw increases in participation in comparison to previous years with a particularly large increase in veterans making this event by far the largest state event in 2012.

People

There were two State Umpire and one Association umpire Course held during 2012 in Townsville, Bundaberg and Moreton Bay run by Dave Delpratt and Mick McShane. There were four Level 1 and four Tops Coaching Courses offered in 2012, run by Cathy Townsend, State Coaching Director.

These courses have led to a 50% increase in the number of accredited coaches in Queensland to 127 and a steady 15% increase in the number of accredited umpires to 91.

In other successes, Joe Clifton (Rockhampton) successfully qualified as a National Referee at the Australian Open in July and Dave Delpratt (Bundaberg) was named as Deputy Referee at the World Teams in Dortmund in April.

Development

In 2012 we welcomed Alexi Sachlikidis as our Club Support Officer for the Cairns Association, Graeme Townsend as State Performance Director and Cathy Townsend as State Coaching Director. All three have helped to develop the sport of table tennis in Queensland within their respective remits. Jason Walsh continued to help his group of seven clubs in South East Queensland to develop, assisting them in grant writing and implementing Totally Table Tennis at two of the clubs.

Our Totally Table Tennis program was run at Gold Coast and Brisbane during the year and was a great success in driving increased participation and new members into each of these clubs.

A series of State Training Camps were organised at various venues across the state (often in conjunction with coaching courses) and were generally a success. Based on this, a series of events have been organised for 2013 to extend this program.

Three clubs were selected by TTA for Federal Government Participation funding to develop their Athlete with a Disability (AWD) programs: Bundaberg, Gold Coast and Townsville. All three clubs have gained new equipment and improved Disability Programs through this program. In 2013 Brisbane Table Tennis Association will receive some of this federal funding for a project aimed at recruiting culturally and linguistically diverse (CALD) members.

Performance

2012 was a mixed year for performances within our representative teams. Our total medal tally at Australian events of 63 medals across Gold, Silver and Bronze was a significant increase on 2011's 34 medals. TTQ entered eight teams in the Australian Open (up from no teams in 2011) with the result of the tournament the Under 21 Men's team winning gold. Our Veterans team continued their period of success with the Over 40 Men and Over 80 Men retaining their teams' titles in great style.

However this was countered by the fact that our junior team returned from Perth with no gold medals at all for the first time in many years.

During the year, TTQ organised the Australian Open which was a great success both financially and based on participation. Sponsorship was secured, with the assistance of Table Tennis Australia, from K-Sports who contributed all of the event equipment as well as \$10,000 in cash, helping to make this the best Australian Open in many years.

Finance

TTQ received government funding of \$192,000 (+GST) in 2012 in funding, split across core funding, Local Sport and Recreation Jobs Plan Funding and a Queensland Academy of Sport scholarship for Claire Campbell-Innes.

2012 was an expensive year for TTQ with significant increases in costs for the Queensland teams at both the Australian Juniors and Australian Open. We also had increased spending on State Development Camps and Coaching Courses.

Overall, we finished the year with a modest surplus of just over \$5,000, which keeps the members' funds in line with board policy to have at least one year's operational costs in savings.

Governance

The 2012 Annual General Meeting (AGM) brought about some changes to the TTQ Board of Management with Paul Thomas stepping down and this board position being filled by Lukas Kozak (Gold Coast). I would like to thank Paul Thomas for his contribution to TTQ during his three years on the TTQ Board.

Conclusion

In conclusion 2012 saw an increase in members, clubs, coaches and umpires as well as a large increase in national medals, so was clearly a successful year. I would finally like to thank the staff and volunteers at TTQ who have all contributed to making 2012 such a successful year.

Table Tennis Victoria

President – Phillip Carruthers

Table Tennis Victoria has had a very successful year on all fronts. Our elite athletes have continued to perform at high levels, with clear improvement across a number of senior athletes and rapid development of many of our junior players. Our veterans continue to contribute at the highest level, on and off the court.

Financially TTV has performed well above budget, reflecting both leadership by the Board and outstanding performance by the CEO, Anne King, and her team of Brinnen Reiss and Brad Clements, along with the many volunteers who assist the office. Particular thanks for financial performance go to Mark Taylor, who managed the financially substantial junior team attendance at the National Championships this year, and to the TTV Country Championships committee that provided a stable financial model for this year and for future championships.

TTV has made a number of changes in approach in the past year. The Board has focused more on strategy, in full confidence that the CEO and her team manage the effective and efficient operations of the organisation. The former Board portfolios have become committees, reporting to the CEO, with the exception of the Finance and Audit Committee which reports directly to the Board. In a further change, the Finance and Audit Committee includes two non-table tennis playing finance professionals, from major accounting firms, along with the President, CEO and Alan Hopkins, a former treasurer of TTV.

These structures have been established to allow the organisation to focus on the four pillars of its strategic plan - participation, membership, club capacity building and development of coaches and officials. The Board and management of TTV are conscious that TTV only achieves results through its clubs and associations, so the focus on club capacity building has commenced with efforts to build the relationships with clubs, and well over 30 clubs across Victoria have been visited by the President and/or CEO in the past year, with the remainder to be visited in 2013. Frank exchanges with clubs and associations have helped TTV to provide better services to its members and to develop its value proposition for members. We are already seeing an increase in membership and participation, and significant work on coach and official pathways will be undertaken in 2013.

This year, TTV took great pleasure in inducting Vicki Parr (nee Woodward) and Leigh Pascoe into the Victorian Hall of Fame at a function where all past Hall of Fame inductees were invited, along with club Presidents. The inductees join a list of highly credentialed players who have performed at the highest level in and for Victoria and Australia. The induction took place during a halt in play in the Victorian Open, and followed a meeting of club and association Presidents, a model which will continue into 2013. The meeting of club Presidents was a forum to discuss and share best practice and ideas.

In early December, TTV took the opportunity to formally thank many of its volunteers at an end of year cocktail party conducted for that purpose. While a cocktail party is not normally the topic of a President's Report, the formal recognition of volunteers is indicative of the new approach underway. Without volunteers, we would be unable to offer the levels of support to the game that are needed to continue to build our great sport, and the (short) evening was a resounding success.

Table Tennis New South Wales

President – Dennis O'Brien

The past year has been one of the toughest for the Board for many years. We managed one major national and one international tournament which required a lot of effort and risk for this organisation and the Directors and support from a wide range of members. The holding of the National Olympic selection tournament, then the Oceania Olympic selection Championship placed a lot of stress on the organisations structure and at one time threatened the financial stability of TTNSW.

Fortunately due to the efforts of all involved, we were able to present a successful set of programs and also were able to minimise any financial effects on the organisation. I would particularly like to note the great work by Stephen Gillespie as the Events Manager for both events.

We have continued to increase the number of Associations affiliated with our organisation and the number of registered players has also increased. I would like to welcome the following Associate members to TTNSW.

- Australia-Korea TT Association
- Cherrybrook TT Club
- Forestville TTC
- Howlong TT Club
- Lithgow TT Club
- NSW Country TT League
- NSW TT Umpires Association
- Paul Zhao TT Academy
- Peter Masen TT Academy
- Table Tennis Singleton

This brings our Associate membership to 50.

It is worth reflecting that Table Tennis NSW is actually a conglomeration of all the Affiliated Associations in NSW. Therefore, the Affiliated Associations are actually the ones responsible for ensuring that our sport in NSW is run appropriately and offer players a range of events that advance the player experience and increase the involvement in the game.

TTNSW has Council meetings during the year to which the Affiliated Associations are invited. Whilst much of the time at these meetings is given over to items which are not of great concern to specific Associations it is disappointing to see that few send a delegate or have items placed on the agenda for discussions.

Continued development of table tennis in NSW

The success of the "Social" membership has continued and we are looking for further increases in this level over the coming years. Additionally, the Council has changed the rules so that Social members may play in a State Event, as long as they pay an additional amount each time.

The table below indicates the changes within the Levels between 2009 and 2012.

Level	2009	2010	2011	2012
Life	9	9	10	10
Competition	650	566	420	559
Pensioner	99	49	50	61
Junior	58	56	38	69
Official	6	3	6	7
School	1	2	0	0
Social	36	374	792	1248
Total Members	859	1059	1392	1954

The TTNSW office arrangements changed towards the end of 2012 with Jason leaving us to pursue other activities; of course Ted and Jan continue to service the office and the requirements of the organisations.

Last year I mentioned that we need to look at the establishment of a full time executive position; with what has been happening over the past year and the plans for the future the need is becoming urgent.

Permanent Executive Offer

Over the next several months the Board and Council will be looking at how we can raise the money to make this dream a reality during the latter part of 2014. The options are sponsorship (though this has proven hard in the past), increasing registration fees combined with raising entry fees to State tournaments. Also there may be a way of gaining better margins on items sold through TTNSW and looking at obtaining greater funding from various government grants etc.

We all want a professionally run and adequately supported organisation; this cannot happen with the current structure. To move forward and to gain greater recognition from all levels of governments and to truly develop as a popular sport, we need to have someone full-time to run TTNSW. Without this we will always remain a small and insignificant sports group.

Currently Table Tennis NSW is funded mainly from 2 specific areas

1. A State government grant of \$20,000 which is to be used specifically towards administration of the sport. This grant is used to pay part time administrators. This part time arrangement has meant that much of the desired administration has definitely not been handled as well as it should have been. Actions have been taken to ensure that there will be a significant improvement in 2013.

2. Affiliation and member fees. Whilst it may be argued that Table Tennis NSW is making large amounts of money from this area an examination of the fees will show that this is not as significant as may be expected. We are required to pay Table Tennis Australia an annual registration fee, plus \$17.60 per registered player (this excludes social players) as well as contribute to the insurance costs. On average, this leaves \$30 per registered player to go towards other items of administration. This amount excludes "Social" member's payments.

All this means that TTNSW has around \$50,000 each year to ensure the appropriate level of administration of our sport. Please note "Administration" does not mean HR costs alone. In fact TTNSW HR costs are around 13% of revenue, this is half what is spent at TTA and less than what a normal company or sports administration would expect to pay in proportion of revenue.

The great majority of work associated in running State events, preparation of timetables and generally getting "things done" is through volunteer time from people who are also working "day jobs" and do these extra things in their spare time.

Membership cards

I will accept that the issue of member cards has been dealt with poorly in the last few years. However it is worth mentioning that the issue of the cards is not assisted by poor, or in some cases almost no, information on new members. Regularly the details we receive from our Affiliates provide only the name of the player with occasional scant information. In the past we have been lenient regarding this matter, but with the new national data base through IMG we will have to tighten the expectations from all Associations/Clubs.

Data management and website

I mentioned last year that we were moving to a new national system through the IMG group. Well, as always occurs with these plans the transfer has not gone as smoothly as we thought and has taken a lot longer. However, all membership data is now runs through the IMG system and the new website is now up and running.

The new system will allow us to manage better and allow members to participate better in events and know what is going on with TTNSW and all our Associate members. On line registration of membership, tournaments, the buying of uniforms and updating of calendars will be a feature of the new service.

Email addresses and registered player details

We need all members to give us up to date email addresses, if possible. The cost of posting out information and event forms is very expensive and also very time consuming. Please keep the office up to date on your current email address.

Also we need better details for ALL members' information. Hopefully the move to the IMG system may assist in this but in these modern times the need for accurate information about a member is essential. Email address and mobile numbers are only the minimum requirements.

Directors

I would like to thank all the Directors for their contribution and hard work over the last year. We have received four nominations, one for each of the Executive positions; and seven nominations for the Directors position. We normally have eight, therefore one Directors position will be decided at the AGM.

Therefore I congratulate Stephen Bruton, Vice President; Leonie Whiteford, Secretary; Ian Finlay, Finance Director; and the following Directors: Graham Boyton, Amy Chen, Stephen Gillespie, Simon Leung, Michael Turner, Paul Zhao and Guy Fainbloom and look forward to working with them over the next twelve months.

I would like to thanks Tien for her continued role as the Director for AWD, she has been doing a great job and the numbers of players from that area has increased to a stage where we can now look forward to having AWD players in most State and Regional tournaments, as well as NSW representation at a national level.

Finally, I would again like to thank all Council and Executive members for their advice and goodwill over the past year. I believe that we will continue to develop this sport in the state and this can only be a benefit for our Affiliate members and players.

Table Tennis South Australia

President – Chris Leonard

For a number of years we have managed to hold our numbers of registered players at the same level year to year but over the last couple of years we have declined in numbers by about 15-20%. This has mainly occurred in a few of our affiliates who have suffered large drops in their numbers due to changing circumstances or loss of key personnel. Unfortunately there is not a lot that the association can do to increase numbers at the affiliate level. This decline in numbers will eventually be reflected in a reduction in the level of funding we receive from the Department of Recreation & Sport which will limit our ability to fund our various programs. Funding from the department was reduced for most sports in 2012 particular the larger ones like football, tennis and cricket. Table tennis has continued to receive the same level of funding because we had managed to maintain our player numbers.

Each of our directors has included a report on their various portfolios for your information including Match Play and Tournaments so I will not include those details in my report but I will include the following items for your information.

During the year Paul Langley expressed an interest in becoming a member of the Board and after some discussion the board decided to take advantage of the option provided in the constitution that allows the board to appoint one director for a particular role. Paul was therefore appointed to the board and given the title of High Performance Director. Paul has brought a high level of expertise and experience to the board both as a former state and national team member and experienced coach. He has been involved in the high performance program since it began several years ago and will continue in that role. He has also been appointed as State Junior Coach for 2013.

In July our Development Officer, Scott Nicholls, tendered his resignation to the board as he was moving on to other things. The board had for some time been discussing whether we should continue with keeping a Development Officer and if the returns we were receiving for the money we were paying were acceptable. The position was only ever a part time one and therefore the amount of work that could be achieved and the quality of the person employed always left a lot to be desired.

Scott's resignation gave the board the chance to review our operations and possible alternatives to the actual employment of another Development Officer. While the cost saving was good it meant that we needed to have somebody to take over the various duties that Scott had performed particularly in liaising with sponsors etc...

It was decided that Scott's duties be split into three areas with Ann Percy volunteering to handle the administrative side (grant applications etc.), Damien Maddigan to handle the website and Kay Crowell, our Coaching Director, to handle the promotional side.

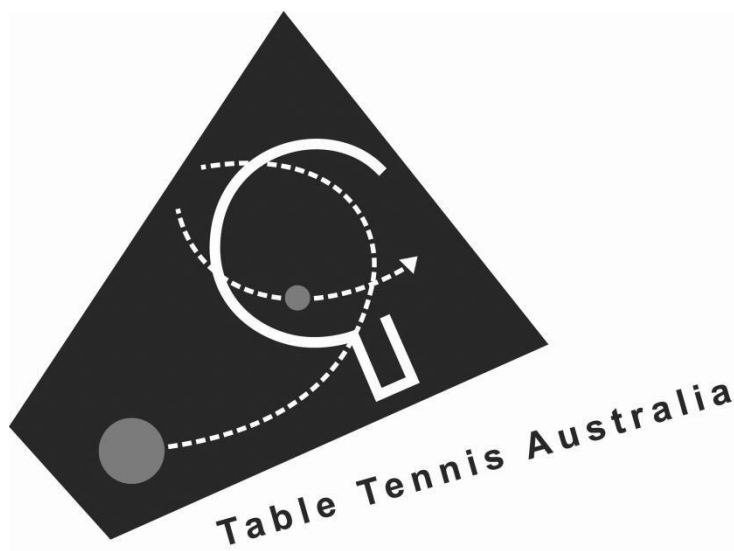

Kay and Damien would be paid according to the number of hours they each spent on their tasks and reimbursed for any out of pocket expenses. Damien is currently working on the new website and Kay handles all requests for promotional input. She has already appeared on TV in *Totally Wild*, on one of the local radio programs, represented table tennis at a couple of sports fairs and was involved in the opening of the Table Tennis table in Hindmarsh Square.

For the last few years the board has had one person filling the two portfolios of Executive Director and Finance Director. This has meant that a huge workload has been performed by Ann Percy in those roles. Ann has now advised the board that she can no longer continue to do both roles as the amount of work involved is too much for one person to handle. She will continue as Executive Director but will not continue with the Finance. The board has decided that if no nominations are received for the position of Finance Director at the AGM then those duties will have to be performed at a very basic level. This will mean that while monies will be collected and accounts paid reports will not be prepared. Finance Director

is one of the three most important portfolios of the association and is not able to be done part time. It requires somebody who is able to spend the necessary time to do the job properly. All affiliates should note that the association cannot function without this position being filled.

It seems that some of our problems follow us from year to year but it should be noted that we are not alone in having trouble finding volunteers to take on sometimes very onerous tasks. I have said for many years that I feel the biggest problem facing all sports especially those who rely solely on volunteers is the difficulty in replacing sports administrators. Each year that passes this situation worsens and we need to encourage our players to be actively involved in the day to day running of our sport.

I would like to congratulate the members of the board who have all performed their duties admirably during the year and I hope that they continue to do so because as mentioned finding replacements is not easy.
