Presidents Message

When first considering the role as president I wrote myself a list of all the things that I thought were important to table tennis in Australia. One of the considerations was the need to conduct our sport in a more professional manner. I felt that the expertise in all states and TTA were moving towards that goal in 2006 by ensuring there were good administrators, coaches and officials in every state at club, association and state level.

LET'S MOVE FORWARD WITH ENTHUSIASM

Table tennis is one of the few sports included in the Olympic Games and was one of the top five watched sports in prime time television.

We are also one of the few sports included in the Commonwealth Games at which we won silver in the men's singles and silver in the women's team event. The prestige that this has brought to table tennis in Australia is awesome and has helped with continued funding from government sources.

At the AGM of ITTF in Bremen, Germany, we were made aware of the amount of work that they have conducted around the world, which is quite outstanding. There are now 202 countries affiliated to what ITTF call "The Family". At subsequent meetings of Oceania TT and the Commonwealth AGM, I was approached and asked to give full support with NZ to the Oceania region.

ITTF have set up scholarships for our juniors and would like Australia to match their involvement. Our juniors would then be able to participate in camps and world junior tournaments with the aim of raising their level of skill to be competitive with the rest of the world.

This is why I am calling on your patriotism as a club administrator and state administrator and naturally table tennis in Australia to enhance the ITTF family to ensure our sport earns its rightful place in the world of sport.

Australian sports have a unique place in the world and this is mainly due to bold new thinking, planning with good foundation and taking sport very seriously. For a small nation we have certainly led the way in a large number of sports. The thoughts and planning is due largely to administrators with foresight and vision.

APPRECIATION

This past year has seen many office changes with a new Administrative Communications Officer, Matt Pound, earlier in the year and much more recently, our new CEO, Bronwyn Marshall. I would like to personally welcome them on your behalf and look forward to working with them for the future of table tennis. Thank you to Linda Marsden (outgoing CEO) for her efforts over the past 18 months.

The composition of the board seems to be well balanced with the inclusion of a representative of the players in William Henzell and Neil Harwood being asked to join the board as High Performance Advisor.

Our other board members are regarded very highly by ITTF and their peers in Australia for their experience. They are in portfolios where their expertise can be utilised to its best advantage.

I would like to close by thanking all volunteers, officiating committees, referees, umpires and all stakeholders for their continued support. I would like to congratulate all medal winners who represented Australia. On behalf of TTA I would like to thank all of our athletes who represented Australia and their states.

As president of Table Tennis Australia I would like to thank the Australian Sports Commission, the Australian Olympic Committee and the Australian Commonwealth Games Association.

Message from the Australian Sports Commission

The Australian Government is a strong supporter of Australian sport. The Australian Sports Commission (ASC) is the government body that develops, manages and invests in sport at all levels in Australia.

The ASC funds and works closely with a range of national sporting organisations, state and local governments, schools and community bodies to ensure sport is well run and accessible so that everyone can participate and enjoy the benefits. The ASC upholds the integrity of sport through many innovative programs to promote ethical sporting practices and sport free of performance-enhancing drugs.

During 2005-06, the Australian Government, through the ASC, supported Table Tennis Australia (TTA) through funding of \$199,000 for the development of the sport and its continued enhancement at the grass-root and elite levels. Elite Table Tennis players preparing for the Melbourne 2006 Commonwealth Games also received \$279,000 through the Australian Government funded Direct Athlete Support scheme.

The ASC acknowledges that TTA has continued to work to build its membership base and is moving forward with its high performance program, and also established noteworthy partnerships with the ASC in relation to disability sport, through Project Connect.

The Australian Sports Commission looks forward to a continued winning partnership with Table Tennis Australia.

CEO's Report

Over the past 12 months TTA staff and Board have had a definite focus on the high performance aspects of our sport, and necessarily so as the Australian Sports Commission (ASC), our largest sponsor, identified improving our high performance program as critical to guaranteeing the continued funding of our association. To that end the following tasks have been undertaken and achieved:

- A National Squad selection policy was approved leading to the selection of **4 Australian squads**; High Performance, Development, Junior and Youth and Athletes with a Disability;
- **Four National Training Centres (NTCs)** have been established to allow national squad

members access to a coordinated national program and additional training at no cost;

- A **National High Performance Management Team** consisting of the NTC head coaches, a national advisor, the National Director of Coaching, and a TTA Board member. This team develops, implements and monitors the national High Performance Program (HPP) for our elite and developing athletes and provides recommendations to the Board regarding the HPP;
- Team member, squad member, team coach, and team manager **agreements** have been developed leading to a more transparent and effective relationships with our key stakeholders who represent Australia to the world;

It is early days with all of these initiatives and certainly there were and will continue to be 'teething problems' but in the words of our ASC consultant "the High Performance initiatives implemented by TTA in 2006 are the most promising in recent years".

Many will argue that sport is a numbers game and that development or participation should be the top most priority for a national sport, however many find it very difficult to engender participation and enthusiasm in new (particularly young) members without having real opportunities for them to progress and achieve at higher and higher levels. The

CEO's Report cont.

above mentioned initiatives have been designed so as to create achievable and rewarding goals for state level athletes to strive to achieve. National Squad membership being the first of them, where they will receive support from Australia's top coaches, invitations to national camps and professional testing and advice to improve their game and the ability to train and interact regularly with other national squad members.

Whilst the results of the initiatives above will not be seen in the immediate future, throughout 2006 our athletes achieved some wonderful results that are promising a very successful future for Australian athletes in the international arena. Some highlights are as follows:

Commonwealth Games - This was a major success with Australia winning two silver medals. They were William Henzell in the Men's Singles and the Women's teams which consisted of Miao Miao, Peri Campbell-Innes, May Cho, Stephanie Sang and Jian Fang Lay. A big congratulations to all of the Australian team.

Oceania Championships - Australia again stamped its authority as the dominating table tennis country in Oceania with Australia winning 11 out of a possible 14 gold medals. The stand out performance was William Henzell winning his second Oceania gold medal and Trent Carter surprising everybody by winning the u/21 gold medal

World Cadet Challenge - Australia was represented by David Powell and Nicole Low who both battled hard and did Australia proud.

World Championships for Disability - Rebecca Julian was the only Australian to qualify for this event and flew the Australian flag magnificently with some very strong performances.

INAS - FID - Rory Carroll was the standout performer at these intellectually disabled world championships. Rory won Gold beating some of the worlds top players along the way, this was a very impressive display by Rory.

FESPIC - At these Asian Table tennis Championships David Moffat excelled by showing career best form to win the bronze medal. Credit needs to go out to the whole Australian team who performed strongly in such harsh conditions.

World Junior Championships - This event provided the most successful result of 2006. The boys team made up of Kyle Davis, Robert Frank, Trent Carter and Wade Townsend finished a

Women's team winning silver at the 2006 Commonwealth Games

CEO's Report cont.

remarkable 10th in the world in the teams event; this is our best result to date at a world championships. Praise was given to the boys from all corners with the president of the ITTF singling out the boys as one of the successes of the tournament. To make things even better Kyle Davis made the final 16 in the boys singles and then paired up with Trent Carter to make the final 16 in the boys doubles.

David Zalcborg at the 2006 World Championships

Whilst High Performance has certainly been the focus, the **Development** side of our sport has not been neglected as the following achievements demonstrate:

- Another **staff restructure** occurred in 2006 to improve the previously introduced system and to service members more effectively. The tasks of the High Performance Manager, were distributed between the NHPMT, the Administration and Communications Officer and the National Director of Coaching.
- A bi-monthly **newsletter** has been established thanks to our Administration and Communications Officer which provides regular updates to states and individual subscribers on state, national and international table tennis news;
- The **Committees Regulation** was reviewed to detail the appointment process, roles and delegations of each national committee;
- A Member Protection Regulation, Conduct Regulation, Complaints Regulation and Privacy Regulation have been developed and approved to provide **guidance to our members** on what TTA standards and expectations are in regard to child protection, athlete, coach and official behaviour, personal information management and what procedure will be applied if these standards and expectations are not met.
- A national web based database including tournament management and a national athlete rating system is nearing the final stages of development and will be ready for implementation in 2007.

The time I spent with TTA was most challenging and rewarding, as I met and developed good relationships with some very dedicated, professional and positive people. I believe the future is very bright for Table Tennis in Australia and look forward to seeing the developments over the coming years.

Officiating Committee

Members: Graeme Ireland (Vic), David Delpratt (Qld), Lindsay Drummond (Vic) Maurie Poole (NSW) and Arthur Wilks (ACT).

The TTAOC met during the Commonwealth Games in March, but the only other contact was by e-mail. Unfortunately Lindsay Drummond retired from all table tennis committees, except ITTF URC, at the end of April, and has not yet been replaced.

Due to a variety of circumstances the committee was not active in the latter part of the year, although we have still done umpire selections for international events. The committee is also responsible for the selection of the Senior and Junior Official of the Year Awards. The Level 1 course was reviewed after 4 years and submitted to ASC for approval, however it no longer meets the current guidelines, and consequently it was decided to keep it as an in-house entry-level course. There was confusion as to the official status of the TTAOC, but this has recently been clarified with the creation of the TTA Umpires and Referees Committee, which will supersede the TTAOC. The determination of this new Committee will be done following the TTA AGM in March.

Two Level 2 (State) Umpire and one Level 1 (Association) Umpire courses were conducted during the year in Queensland. In Victoria a Level 2 Course was run for coaches during the Level 2 Coach seminar, a Level 2 course was run in South Australia, and whilst two were scheduled for Western Australia, unfortunately they did not go ahead, but one umpire did pass a Level 2 course. During the Commonwealth Games a refresher course was run for five National Umpires who subsequently sat for the ITTF International Umpire exam. Four of the candidates passed and congratulations go to Nanako Nomura and Reinhard Lot (WA), Johnathon Blythe and Don Boughton (Vic). In addition four of our International Umpires achieved Blue Badge status, the highest level ITTF umpire qualification with less than 100 umpires world-wide having attained this level. Congratulations to Mick McShane and Dave Delpratt (Qld), Maurie Poole (NSW) and Neil Montfort (Vic).

Dave Delpratt also visited Western Samoa on behalf of Oceania Table Tennis Federation to present an Umpires course, as part of that country's preparations for hosting the South Pacific Games in August – September 2007, and Fran Keyhoe ran an OTTF umpires course in Geelong between the Oceania Championships and World Junior Circuit event, which included one local umpire.

There were two major events held in Australia in 2006, both in Victoria. The Commonwealth Games in Melbourne saw most of our International (22) and National (6) umpires, who were available, officiating at the highest level. The other international event was the Oceania Championships and World Junior Circuit event in Geelong. A number of Victorian and several interstate umpires officiated at these events. Australian umpires at major international events during the year included Neil Montfort (Vic), and Len Powell (Vic) at the World Championships in Bremen, Germany; Len and Barbara Powell (Vic) at IPTTC World Championships in Montreux, Switzerland; Maurie Poole (NSW) at the FESPIC Games in Taipei, and Johnathon Blythe (Vic) at the World Junior Championships, Cairo. Refereeing appointments included Fran Keyhoe (Vic) at the Oceania Championships, Steven Lee as deputy referee at the Commonwealth Games, Angelo Tabone (Vic) as deputy referee at the St Petersburg Open, and Graeme Ireland (Vic) as referee at the Commonwealth Games, World Junior Circuit, New Zealand Open Championships, and deputy referee at the Singapore Open.

Officials active within the ITTF include Phil Males on the Rules Committee, Ron Keyhoe on the Equipment Committee, Graeme Ireland on the Technical Committee and Lindsay Drummond on the Umpires and Referees Committee.

Graeme Ireland

National High Performance Management Team

In 2006, Table Tennis Australia (TTA), in association with the Australian Sports Commission (ASC), established a National High Performance Program (NHPP). The program aims to develop a culture of excellence for players who are members of TTA's national squads and teams, coaches and support personnel.

The National High Performance Management Team (NHPMT)

The NHPMT team consists of the following:

- Dennis Chen (NHPMT Team Adviser);
- Neil Harwood (Vice President ITTF and TTA Board representative);
- Paul Langley (NHPMT Team Leader and National Training Centre Coach – SA);
- Simon Gerada (National Training Centre Coach – VIC);
- Stephen Gao (National Training Centre Coach – QLD);
- Tien Quach (National Training Centre Coach – NSW);
- Sue Stevenson (National Coaching Director and NHPMT Team Coordinator); and
- Wanda Sipa (Australian Sports Commission Representative);

The NHPMT has developed a strategy that has been endorsed by the TTA Board and the ASC. The strategy is simple:

'To develop a culture of high performance and international competitiveness by providing opportunities for junior and senior athletes (able bodied and athletes with disabilities (AWD)) to compete nationally and internationally and provide education and support to improve athletes daily training environment'.

The NHPMT has determined that a phased approach be taken in relation to the establishment of state based National Training Centres ie. 4 states have been invited to establish National Training Centres. Moving forward, the NHPMT would like to identify opportunities to establish similar programs for other states not currently represented in the program.

Collaborative approach to the National Program

An objective of the NHPMT is to develop a collaborative approach to the program which involves state associations, athletes, TTA and ASC. The NHPMT is committed to the belief that for the program to be successful, all parties including athletes, state associations, TTA and ASC need to work together in a collaborative manner to ensure the progression of Table Tennis within Australia.

2006 Highlights

This section does not address player performance - these will be addressed separately within the Annual Report. Although the NHPMT is relatively young (formally established in October 2006), a lot of work already has been completed and a number of other initiatives are underway to establish frameworks in which the team can operate.

National High Performance Management Team cont.

The NHPMT has developed communication strategies with a view to permeating the message of expected professionalism for athletes and support personnel. A number of funding submissions have been developed based on the NHPMT objectives. The overarching theme within these submissions has been based on providing opportunities for athletes and developing a high performance culture where players have an opportunity to compete successfully internationally and to reignite a successful national program.

Summary

Due to the nature of the National High Performance program, it is important to note that there will be differing points of view. This is considered healthy, as individuals within the team can challenge each other, thereby creating a forward thinking environment. The focus of the NHPMT is based on enhancing the national high performance culture, with the ultimate aim of fostering and developing sporting talent and educating players and officials. This aim has state based benefits as it allows states to provide a pathway in which other players can strive to achieve – in summary it provides opportunity!

The NHPMT is committed to providing players and support personnel (eg. coaches) opportunities to improve their individual performances in the lead up to 2008 Beijing Olympic Games and the 2010 Commonwealth Games.

In closing, I would like to thank all members of the NHPMT, TTA and the individual states for their focus and dedication (and in many cases financial support) in establishing this program. I believe the NHPMT has achieved a lot within a short period of time and, speaking on behalf of the NHPMT, I look forward to assisting and providing our players with an opportunity to enhance their Table Tennis careers which will ultimately benefit the Table Tennis family ie. clubs, players, state associations and TTA.

Australian Team at the 2006 Commonwealth Games in Melbourne

Athlete with a Disability Program

The year 2006 began with 6 separate but necessarily interrelated areas of activity within the Athletes with a Disability (AWD) program. There has been considerable change during the year.

2006 COMMONWEALTH GAMES

Three wheelchair athletes, Joy Boyd, Catherine Morrow and Jane Wallis represented Australia at the Melbourne Commonwealth Games. All achieved meritorious victories and Joy was very unlucky not to win a medal as she drew both of the finalists in her round robin group. Joy has since announced her retirement from international competition. We thank her for a significant contribution to the sport and wish her well in the future with coaching and classification.

AWD NATIONAL CHAMPIONSHIPS

This event, the fourth, was held in Adelaide and it extended the successes and records of previous tournaments with sixty two athletes competing. The nationals have been removed from the Manager's jurisdiction and will be held in conjunction with the Youth on a rotation basis around the states. Further details should appear in other reports and sections.

ADVOCACY

The constitutional revamp of the Athletes' Commission also allowed for the inclusion of an AWD member of that body. This was a significant advance indicating that TTA is an exemplary Australian sporting body in this area. Catherine Morrow was selected as the AWD member to the TTA Athletes' Commission.

PARALYMPIC PREPERATION PROGRAM

Nine athletes were selected in the Paralympic Preperation Program (PPP) program for 2006/2007.

Six of these - Adam Sanders, Julie Davis, Catherine Morrow, David Moffatt, Jane Wallis and Patrick Horn, plus Danny Chaplin (Nicole Freeland coach, Arthur Wilks manager - recently returned from our regional championships (FESPIC) in Kuala Lumpur. All acquitted themselves well with the highlight being a Bronze medal in the class 10 event to David Moffatt. The two additional development members new to the program were Steven Watts and Sarah Lazaro. The ninth member Rebecca Julian was invited to compete in the World Championship earlier in the year. This is a singular achievement.

Athletes with a Disability Program cont.

PROJECT CONNECT

The Australian Sports Commission has extended the life of this program until the end of 2007. This decision will be of great assistance as it has proven to be painstaking work. However the rewards are also great as many of the Voting Members have already found and the others can now see unfolding.

VARIOUS

Classification developments are integral to the program. There are changes in the International Paralympic Committee and in the Australian Sports Commission / Australian Paralympic Committee approaches which will affect on our efforts in the future. In the meantime TTA is well served by our current advances and standing.

The Australian Sports Commission has invited TTA to participate in the production of a DVD project which will help develop classifiers in Table Tennis. The Australian Sports Commission has allocated significant funding for this program and it is well on the way to completion.

The Manager of the program has been elected to the Management Committee of the Oceania Table Tennis Federation with an AWD portfolio. This will have benefits for AWD table tennis in the region and in Australia.

THANKS

I would like to personally thank the many friends of AWD Table Tennis for their assistance, dedication in 2006.

Veterans Committee

Australian Veterans Players showed that they can mix it with the best on the international circuit with some brilliant results this year.

Their season opened with an outstanding Test Match victory against New Zealand at Easter in Invercargill. In winning, Australia retained the trans Tasman Trophy - 30 rubbers to 10.

Australia was represented in the 0/40 women by:
Belgin Bennett (VIC) and Alice Abbas (SA);
0/50 women Lynne McKeough (NSW) and Lorraine Baker (SA);
0/60 women Margaret Mulcahy (VIC) and Pam Tait (VIC);
0/70 women Prisca Rosario (VIC) and Dot Sanders (VIC);
0/40 men- Paul Pinkewich (NSW) and Brian Berry (VIC);
0/50 men Mick Wright (VIC) and Martin Solomons (VIC);
0/60 men Buddy Reid (VIC) and Ken Cole (NSW);
0/70 men Tom Boyd (NSW) and Geoff Nesbitt (VIC).

This test match was watched by a large crowd who were most generous with their applause which created a great atmosphere for the players. At the end of the match all players & officials were invited to a reception, where to highlight a great night, the Trans Tasman trophy was formally handed to the Australian Team.

Shortly after a record number of Australian players, 62 in total plus supporters, travelled to Bremen, Germany to compete at the 2006 World Veterans Championships, from May 15-20th.

At this championship the Australian players; most conspicuous in there "Green & Gold" national colours; showed that they were up to international standards with some outstanding efforts. Bill Robson (NSW) in the 0/40 men's singles played his career best before bowing out in the last sixteen. Case De Bondt (VIC) kept the momentum going with a truly tremendous attacking game which saw him get through to the last 8 in the 0/70 men's singles before going down in the quarter final. Although beaten he stood tall in an amazing performance. Betty Bird (SA) in the 0/70 women's singles played at her best defeating former world champion Kazuko Ito (JAPAN) in her quarter final. In the semi final against her doubles partner Nicole Pilliere (FRANCE), Betty unfortunately lost 3-1 but her efforts were rewarded with a bronze medal. Dot DeLow (NSW) was not to be denied and fought bravely in the 0/85 women's doubles with her partner and was also rewarded with a bronze medal - well done Dot! Pam Tait (VIC) and Joan Munn (VIC) made it through to the semi final of the 65 women's doubles with sound tactical play although beaten narrowly in this semi final 3-2, in the eyes of their supporters they went out winners and thoroughly deserved to receive a bronze medal.

Igor Klaf (VIC) and Buddy Reid (VIC) in the 65 men's doubles made it through to the final with some resolute play. In the final they went down in the tightest of tight matches giving it everything they had. Buddy and Igor congratulations on your silver medal.

In October from the 14th to the 21st Veterans players from every state and territory together with overseas players from New Zealand- Japan- Sweden and Denmark gathered in Hobart for the 23rd Australian Veterans Championships. This event produced new participation records with 88 teams up 10% from the previous high of 80. Individual players totalled 309 up 8%. Together with the overseas players this championship featured with

Veterans Committee cont.

some incredible matches which in turn saw the standard reach a new mark and introduced some new Australian Champions.

Sharad Pandit (SA) in the 0/40 men's singles, a runner up before, took the next step with a strong attack and defeated a gallant Bill Robson (NSW) 3-1 in the final. Wei Deng (NSW) in the 0/40 women singles, a beaten semi finalist in 2005, broke the 8 year

reign of Kay Crowell (SA) in the semi final 3-1 and in the final defeated Roma Chambers 3-1. Overseas player Niels Ramberg from Denmark, a left handed attacker from both wings, played strongly in both the 0/50 and 0/60 men's singles final. In the 0/50s he lost to Paul Pinkewich (NSW) 3-0 and in the 0/60s he went down to Inh Van Le who was fired up and much more aggressive in his attack 3-0. This was one of Inh Van Le's best performances in defeating Niels who at the World Vets in Bremen in May made it to the semi final of the 0/60's singles. Case De Bondt (VIC) kept up his display from Bremen with again showing his strong attacking forehand and pounding his opponents into submission. He beat Tony Herbert (QLD) in the semi final and Geoff Nesbitt (VIC) in the final without losing a game to claim the 0/70 men's Championship.

All of the players at these Championships are to be commended for their sportsmanship and I believe the social activity was right up there with the best. To our overseas visitors thank you for playing in our National Championship. It is our pleasure to have had you adding your flair with your play and to enjoy new friendships, which is what Veterans Table Tennis is all about.

In closing this report the Executive would like to thank the tournament controllers Bev & Brian James for their outstanding work in making the Championship so professional and a pleasure for any player to compete in. To the referee Fran Keyhoe who on many occasions has given her time, thank you for your efforts. To Maureen and Dave Sherman for the hard work you put in I hope you enjoyed the Tournament because on behalf of all the players, it was the best. To my executive Prisca Rosario (VIC) Glenys Joliffe (ACT) and Tony Herbert (QLD) thank you for the long hours- which are all done voluntarily for veterans Table Tennis in carrying out your positions with pride and passion.

Table Tennis ACT State Report

Our annual "Thank You" to Margaret Reid (formerly Senator Reid) for her continued role as Patron of our Association. Margaret has been a strong supporter of our Association for over 10 years, and we thank her very much for her long years of patronage.

Our Membership has reached its highest level ever - at 314. This is great, but unfortunately still leaves our Association with the continued problem of overcrowding, regarding our regular competition, training, coaching and practice at our present Kingston Table Tennis Centre. We are pursuing a particularly new and exciting option (elaborated on in "Lyneham Sporting Precinct") elsewhere in this report.

RECREATION SERVICES (FORMERLY SPORT & RECREATION ACT)

Also thank You to recreation Services (formerly Sport & Recreation ACT), for their continued support with the Triennial Grant Program. We are aware there is a possibility that this grant may be lowered at the end of 2007.

COACHING PROGRAM

Athletes with Disabilities Program in Schools - Arthur Wilks

Arthur (strongly assisted by Glenys Joliffe and Paul Keese) ran a program for 15 disabled students from Lyneham High School on a weekly basis throughout the school year. This program which has been running for six years continues to be highly successful. Unfortunately we will lose at least a couple of students next year as they go on to College. The young students who attend are highly enthusiastic (which is very rewarding) and are strongly supported by their teacher, Greg, and teacher's assistant, Ros. Also new to the staffing group from LHS, Kathy. Unfortunately Greg will possibly not be at Lyneham High next year and Ros may be retiring after Term 1, but we are hopeful that the Program will be endorsed by the new teacher and teacher's assistant.

Patrick Horn (from 'C' Grade) who has received an Athletes with Disabilities Scholarship from the A.C.T. Academy of Sport has been particularly busy on the international front this year, attending overseas tournaments - the French Open, the German Open and the Kuala Lumpur Championships, gaining valuable experience. Jamie Lee Kelly, played in the Australian Team at the Asian Regional I.D. Championships this year and was successful with her team-mate in winning a Silver

Medal in the Teams' Championships and in the Individual Doubles Event. Congratulations Jamie - she is moving up the ladder and is very keen.

In August a small team of students, representing the A.C.T. and Lyneham High School travelled to Adelaide to compete in the National Athletes with Disabilities Australian Championships. Details are provided separately.

SYDNEY MONTHLY VETERANS' MATCHES

Our Association had two teams travelling up to Sydney, once a month, to play two official matches against Veteran Sydney Teams each Sunday. Our No. 1 team performed creditably and gained valuable experience in Division 1. Our No. 2 Team won Division 2, after sustained good performances. Congratulations to Paul Keese, Dirk Holwerda and John Leask, who were the backbone of the team, along with strong support from Brian Peppy and Song Chen.

INTER-CITY MATCHES - GOULBURN V A.C.T

Matches between the two cities (one in each) were held during the year for the Perpetual Trophy, with the final winner yet to be decided. The decider for the last 12 months will be played early in the new year. Matches are played across a range of ages/abilities, and enjoyed by all players.

AUSTRALIAN VETERANS CHAMPIONSHIPS – HOBART – WEEK 14-21 OCTOBER

Our Men's O.50's Team had a spectacular result, coming 5th out of 13 competing teams, with Trevor Taylforth being ranked officially No. 9 on the Order of Merit Ranking List - congratulations Trevor. The O.40's Men's Team performed creditably, coming 9th out of 12 teams' matches. The Women's O.50's Team won their last match of their team's round. The O.60's Men contested their matches strongly, but, Captain, Ivo Astolfi, had to withdraw through injury.

RESIDENTS' CHAMPIONSHIPS - 29 AND 30 OCTOBER

Thank you very much to Rob Crowdy for all his dedicated work on the Championships, and his band of helpers over the Championship weekend. A very successful Championship. Our Association decided to sponsor the Men's Open Singles this year, as follows:
Winner : \$160; Runner-Up: \$ 80; Losing Semi-Finalists: \$30 each
The Winner was Scotty Taylforth with Runner-Up – Larry Chiu.

COUNTRY WEEK CHAMPIONSHIPS – BATHURST

Five Teams attended these Championships this year. It was the first time at these Championships for a number of our younger players, thus being a new and valuable experience for them. The Championships will be held in Gosford (closer geographically) next year and we are hopeful of getting an even larger number of teams participating.

HOLDER PROPOSAL – LEASE FOR LAND

Earlier this year I attended Meetings with Futsal Indoor Soccer and Woden Gym, a representative from Sport & Recreation A.C.T. and also two consultants, who put together an application for a lease on Dixon Drive, Holder (site of the Church which was burnt down in the Canberra fire). Unfortunately things have come to a standstill regarding this pro-

Table Tennis ACT State Report cont.

posal, and it is gathering dust on a shelf somewhere, because the leasing out of the land is under further review by the Government.

LYNEHAM SPORTING PRECINCT:

This year has turned out to be quite exciting with future venue possibilities.

I have entered into serious negotiations with the Government and the YMCA.

An opportunity has arisen for the leasing of a block of land, behind the National Tennis Centre, on Mouatt Street, Lyneham. It also involves negotiation with the National Tennis Centre on the transfer over of the lease.

At present architectural plans are being drawn up on the requirements of the YMCA and TTACT. This would involve concentration on programs for the 0-5 yr olds and also older adults, e.g: request for gym space, physio/massage/occupational therapy etc, a balance training area, office space, storage and meet and greet space and 1200 sq. m space for 8-10 table tennis tables (at national court size and 6 metre height requirement). There has also been discussions regarding a hydrotherapy pool and badminton may be also be invited to join in. Table Tennis ACT will have to study the overall estimated cost and decide whether they will need to make any adjustments to the actual projected size requirements. If we are able to be part of the project the proposed budget will be put to the A.C.T. Government in 2008, seeking approval. Further information will be supplied as it comes to hand.

2006 SECONDARY SCHOOLS CHAMPIONSHIPS - TERM 4

The Department of Education asked our Association to run the 2006 Secondary Schools Teams' Championships. Years 9/10 were run on 15 November and Years 7/8 on 16 November. Everyone had a great time. It was a particularly successful event, limited only by the number of matches we could play in our Centre during the school hours allocated. We are hopeful of playing 9.00am-5.00pm right through on both days next year, and have already booked the Championship for Term 3, on 14 and 15 August.

A big thank you to the "The Canberra Times" (in the "Personal Best" Section), for their brilliant support/coverage with pictures of the students and an article (in total covering two pages). This was great publicity for our Association and table tennis in general.

The students all joined in the spirit of the Championships (supporting team-mates and their individual Schools), and the teachers were most helpful. Marist College won the 9/10 Trophy and Lyneham High won the Yrs 7/8 Trophy, for the best school on Wednesday and Thursday, respectively. Canberra High won a framed Certificate as the Best Overall Achieving School for the two days.

Two of our Association members took time off from their jobs to help out over the two days. A BIG thank you to both Mary Costa and Jan McKenzie for their generosity.

A SINCERE THANK YOU TO

- Dirk Holwerda for his time as Vice President, and work on the Draft Constitution/Technical Sub-Committee.

 - Bryan Harper, who joined the Board, as a co-opted Director, later in the year, after attending a couple of earlier Board Meetings.
 - The Grade Managers/Score-Keepers and other volunteers who helped in any way during the year – you are the backbone of our Association.

There has been some movement on the Board of T.T.A.C.T. this year. Earlier in the year we co-opted both Matt Helman (Director of Juniors), and more recently Bryan Harper as a Director without port folio. Most recently Dirk Holwerda (previous Vice President) resigned from the Board.

Volunteers will be receiving acknowledgement at our BBQ/A.G.M./Presentation Function on Wednesday, 7 February 2007.

ZAC

Zak Kozakiewicz resigned from his position as Development Officer/Centre Manager/Coaching Co-ordinator, at the end of October this year.

We thank him very much for his highly valued contribution to the Association over his 9.5 years in the job.

The T.T.A.C.T. Board will be considering how to fill the position in early 2007. This is in the context of the need for an updated duty statement, because of the hours available - re the uncertainty about the level of future A.C.T. Government funding.

HONORARY MEMBERSHIP

Honorary Membership was awarded to John and Leonor O'Grady in November this year. John has been a cancer patient over the last three years, with Leonor as his dedicated carer. Both have been inspirational over John's long period of illness and they are in our thoughts - we wish them well.

Table Tennis NSW State Report

Table Tennis NSW had a good year in 2006 with 10 players gaining selection to the TTA national squads for 2007 and several players having excellent results at National & Oceania Championships throughout the year which included: Kiet Tran, George Tang, Michelle Beaumont, SiSi Zhang, Daryn Lu, Wade Townsend, Kane Townsend, Belinda Le, Paul Pinkewich, and Inh Van Le & Wei Deng. NSW fielded teams to national championships in every age division.

We have commenced the TTA National Training Centre program at – Fairfield PCYC. with Tien Quach as head coach and Gina Hui the assistant coach. The New South head office relocated in November, to – Sports House Ground Level – 6 Figtree Drive at Sydney Olympic Park NSW 2127 – Our new phone & fax numbers are – 02 81169712 & 02 87321604 respectively – our e-mail address currently remains unchanged – our new postal address is – P.O. Box 6952 Silverwater NSW 2128 - Please check our website : www.ttnsw.org.au for any updates to our details.

We have held a level one coaching course, which was presented by Sue Stevenson on 18th & 19th November at Fairfield PCYC and this was endorsed by NSW Department of Sport Recreation & Tourism who approved our application for a Women's Development grant – we plan to conduct regional level 1 training courses in early 2007.

New South Wales has also been heavily involved in the Sydney World Masters Games preparation for 2009. The New South Wales State Government was successful in the bid attempt to host these games. 30,000 athletes from 100 nations across 28 sports of which Table Tennis is one will converge on Sydney from the 10th – 17th October 2009. We have been negotiating with the Australian Veterans Committee to have the Australian Veterans Championships coincide with these Games for Sydney in 2009. The Australian Veterans Championships this year attracted record numbers with – 88 teams and 309 entrants – so we are expecting record numbers. For more information on the World Masters Games please check www.2009worldmastersgames.com

New South Wales is also about to enter stage 2 of Project Connect (Athletes with a Disability) to promote and provide more opportunities for these players and look forward to challenge matches with other AWD associations.

We look forward to a busy and productive year for 2007

Table Tennis NT State Report

2006 has been a relatively busy year for the small band of volunteers supporting NT Table Tennis. Preparation for the May 2007 Arafura Games has begun with Graham Symons once again providing essential coordination. The Marrara Indoor Stadium is proposed to be the venue, allowing for greater exposure and improved logistics over previous years held at Dripstone High School.

Alice Springs hosted the Masters Games from the 22nd to 28th of October with over 40's 50's and 60's events hotly contested from players all over the country. Local Alice Springs players were represented in two gold placing's.

The Alice Springs Masters Games are held every two years with over four thousand competitors taking part in more than 30 sports. The Games have

earned a reputation as being Australia's friendliest masters competition. A special thanks to Graeme Shaugnessy for another fine effort on and off the tables.

Competition in Alice Springs and Darwin has remained at similar player numbers to 2005, although it is pleasing to see an increase in junior players in the higher grades.

The Establishment of a formal Table Tennis activity is proposed to commence in Palmerston in 2007, with particular focus on securing space at the New Palmerston Sports Stadium currently under construction.

A program to supply Table Tennis tables to Schools has commenced with an initial commitment in Alice Springs.

A new Constitution was introduced this year, initiated mainly to comply with new Northern Territory legislation but also to update some out of date objectives.

LOOKING AHEAD

The real challenge for TTQ in 2007 is to take the information gained in the consultation process with its clubs to deliver quality services and grow the sport. Projects that will help TTQ meet that challenge ready for implementation in 2007 include:

- The Australian Veteran's Championships being held on the Gold Coast
- A Mentoring program implemented to foster club development
- A Good Governance workshop for female club committee members
- Developing tournament software that can be accessed by all clubs with results automatically feeding into ratings.
- Member protection and Child Risk Management Plans
- The development of a plan to get table tennis into schools

Table Tennis SA State Report

The year began with the successful conclusion to the dispute with Southern Table Tennis Association – successful in that we managed to collect a large portion of the monies outstanding but at the loss of Southern as an affiliate. It is unfortunate that this matter ended up in the Magistrates Court but all efforts to reach an agreement with Southern re their outstanding player registrations proved fruitless and so the board decided that if necessary the matter would be taken to court.

The main issue of concern not only for TTSA but other sports as well was our ability to collect player registration fees from our affiliates. Southern were questioning the interpretation of “player” in our constitution and maintaining their right to decide what constitutes a player and thus how many players they had to register.

During the proceedings the Magistrate criticised our constitution for not having a more detailed definition of “player” so that any confusion on this matter could be removed and also the fact that TTSA accepted the honesty of it’s affiliates when accepting player registrations rather than seeking some form of verification of the numbers being provided.

The board considered this when the affiliation package for 2006 was being prepared and decided that the best way to verify the numbers being registered was to ask for a copy of the main competition program to assess the number of teams competing and details of the number of players in each team so that a total number of players could be ascertained.

The board has also accepted that our Constitution needs review and this will be done in the coming year along with a review of the structure of the board and how it operates. Sport SA and the Office of Recreation and Sport are in the process of constructing a template for all sporting associations to use as a basis for their constitutions and when this becomes available we will certainly make use of it.

COMMUNICATION

The most common complaint levelled against TTSA by it’s affiliates is a lack of communication between the State body and it’s members particularly this year when minutes of meetings were not sent out for several months.

Minutes, in my opinion, are a poor form of communication between TTSA and it’s affiliates. Minutes of meetings are taken as a record of the motions and discussions at that meeting and, because of the sometimes confidential nature of those discussions, should only be available to the members of the committee. I raised this subject at a board meeting soon after last year’s AGM and the board decided that rather than minutes being sent out to affiliates a report on decisions made at each board meeting should be sent instead. This report was intended to be more informative than the minutes.

Table Tennis SA State Report cont.

It was not until a complaint was received from an affiliate several months later that I became aware that these reports were not being done. This was because of time and work constraints that lead to the reports being given a low priority and to rectify this it was decided that the minutes for the previous months would be immediately vetted and sent out to the affiliates.

WEBSITE

While we were tardy in sending out minutes we had also been busy establishing our web site as a means of communication, not only with our affiliates but our players as well. This web site is a better means of communication with our players than a newsletter as it can be kept current and is always available for instant access for the latest news and results. I would like to thank David Abbas as Promotions and Development Director for his efforts in setting up the site and keeping it current. As anybody who has written a newsletter knows the hardest part is keeping up with the information flow and keeping the news current and David has done this admirably. It is unfortunate that some of our affiliates have not yet taken advantage of this information resource for their own use as well as for the information it provides to them.

PROMOTION

In January TTSA was an exhibitor at the Mix 102.3 Family Festival at the Wayville Showgrounds and due to the efforts of some 20 volunteers from many clubs and associations Table Tennis was on show for this four day event. Thank you to all the volunteers who helped out.

2006 COMMONWEALTH GAMES

Who can forget Table Tennis at the Commonwealth Games played in Melbourne in March? SA was proudly represented by May Cho (Silver Medal Winner Women's Teams) and William Henzell (Silver Medal Winner Men's Singles). This was the first time since the inception of the games that an individual medal was won for table tennis. Congratulations to both May and William.

2006 AUSTRALIAN CLOSED

The State Association once again hosted the Australian Closed Table Tennis Championships in July at the Houghton club. The event was played as a round robin format of 10 men & 10 women. The Top 8 ranked men & women were automatically entered with the final 2 positions selected by a knock out draw. The top players from around Australia competed in the event with the eventual winners being William Henzell from South Australia and Stephanie Sang from Victoria. This event could not have been held without the support and assistance from the Houghton Table Tennis Club and our Officiating Committee. Our thanks to Barbara Tickner for

organising the umpires over the three days.

ANNUAL DINNER

The annual TTSA presentation dinner was this year held at the Hackney Hotel with an increase in numbers attending. 103 people enjoyed the evening where Winter pennant winners and State Award winners were presented with their trophies. Life member Doug Luckraft made the trip from Port Lincoln to attend. A very successful evening.

NATIONAL TRAINING CENTRE

TTA has been working to set up National Training Centres in each of the states for players in the national training squads to attend. The aim is for each state to provide a coach and facility for the squad members from that state to train at for at least one three hour session per week.

When this proposal was first put to TTSA it was rejected as it would require financial input from SA on top of the finance received from TTA and we would have no control over who would be able to attend. Initially there were six players from SA but with one living permanently overseas, one leaving for an overseas trip for 12 months, two visiting Germany until April next year and one temporarily living in Melbourne we were concerned about the costs involved in running a centre with only one player able to attend.

We have now reached agreement with TTA for some SA state players to attend the centre when the national squad members are not available and Paul Langley has been appointed by the Board to be the coach. All that remains is for us to negotiate with the city clubs for a venue and to submit names to TTA of those players we wish to be included in the centre's training regime.

STATE SPORTS DISCIPLINE CENTRE

I recently attended the opening of the State Sports Dispute Centre which has been set up by Sport SA with funding from the Office of Recreation and Sport to handle any disputes that may arise between players or affiliates and their state associations. With over 40 sports represented at the opening it was interesting

to hear the details of some of the disputes that have already been dealt with by the centre which has been unofficially in operation for the last few years.

One of the most important things to be learned from the experience of the other sports is that our constitution and by laws should cover all eventualities and have clearly defined the actions that need to be followed for any appeals or disputes that may arise. This will necessitate a review of our constitution and match and other regulations to ensure that they meet legal standards in the event of any disputes arising.

TTSA DIRECTORS

The TTSA Board of Management works well as a group managing table tennis at a state level with all of the directors working hard in their individual portfolios as well as providing valuable input at board meetings to make decisions for the betterment of our sport.

It is unfortunate that each Board member also has other commitments at club level which impinges on their time and reduces their ability to provide more input at state level. I think it is necessary for us all to remember that our sport is an amateur one

run by volunteers who give their time freely to the sport they love. Although you might not always agree with their decisions I am sure those decisions are made with the best interests of the sport in mind and I would like to thank each of the board members for their time and the effort they put into their individual portfolios.

VALE

On a very sad note three very fine men passed away during the year. Neil Farrer from the Brighton Table Tennis Club, Murray Thompson a life member of Sturt Table Tennis Club and John Crawford a life member of the Jamestown Table Tennis Association. All of these gentlemen were advocates for the sport both on and off the table and will be sadly missed.

2007 PROGRAM

Next year is going to be a big year especially for our tournament director with the 2007 World Police and Fire Games, the Australasian Masters and the Australian Junior Championships all being held in Adelaide. This is on top of our usual program of events and will surely test the patience of our administrators who will be getting very tired by years end.

Table Tennis Tasmania State Report

Tasmanian Table Tennis Association voted in a new executive at its AGM and charged it with the reunification of the sport within the State. The executive, particularly spent a great deal of time on this issue with the result that one affiliate returned, and the other which has been disaffiliated for a decade is still in the process of considering its options. We are hopeful of a positive outcome within the next year.

The major event on the calendar was the staging of the National Veterans Championships in October in Hobart. This was a most successful event, and we are indebted to the organising committee for their hard work in ensuring that it ran so smoothly.

We ran our usual tournaments throughout the year, and for the first time in several years an interstate competitor took out our open singles. We hope that other players from the mainland will take the opportunity to visit us and compete in our Open.

Junior development is a major concern for us, and whilst we have good programmes running in some centres, particularly Hobart, we are not yet up to speed at a State level. We hope to have a programme in place next year which will see junior development as a central plank of our operations State wide.

We are also working on a programme under the Project Connect scheme to encourage disabled people to take up the sport, and have received a grant to help facilitate this.

Table tennis in Tasmania has, in summary, had a year in which foundations have been laid for progress in the key areas of unity and junior development.

Table Tennis Victoria State Report

2006 was always going to be an exciting year for Victorian table tennis with the Melbourne 2006 Commonwealth Games table tennis component to be staged at the Melbourne Sports and Aquatic Centre. A number of TTV Board members such as Phil Davis and Alan Hopkins were employed by M2006 to run the event with the remaining Board and many of our traditional volunteers offering their services to guarantee the event ran smoothly.

Victoria was proudly represented by Trevor Brown, Brett Clarke, Russell Lavale, David Zalcborg, Miao Miao, Stephanie Sang and Jian Fang Lay at the Games. Congratulations to the Women's team on their Silver Medal and Jian and Miao who won a bronze in the Women's Doubles. Congratulations

must also go to William Henzell for his efforts in the Gold Medal match which generated a great deal of excitement rarely seen at such a level in Victoria.

Significant publicity for table tennis was generated in the lead up to and after the Games finished. This event, combined with the employment of Victoria's No 1 player Simon Gerada as TTV's Club Development Officer guaranteed TTV player numbers continued to grow in 2006. New Clubs are in the process of being formed in Victoria's population growth areas and TTV expects to continue to see significant growth at the grass roots level in 2007, but also in our very popular KeenAgers program for players only wishing to play recreationally. As part of TTV's growth strategy we have achieved a more reliable and consistent financial result enabling more money to be spent on marketing to grassroots players. As part of this TTV produced the 2006 Player Handbook which was provided to Associations, Schools, Councils and to any individual interested in table tennis. In 2007 we aim to increase this program further.

At the 2006 TTV AGM Keith Mundy was welcomed to the Board and became the Coaching portfolio holder. The Board and members took the opportunity to thank Jim Montgomery for his 9 years of service on the TTV Board.

Nationally Victoria was very successful in all

Victorian Junior Kyle
Davis capped off a
great year by being
awarded the Michael
Szabados Award awarded from TTA for
the Outstanding Junior Player of the Year.

With such a successful year, Victorian players have achieved these results thanks to the hard work of the High Performance Manager Joe Gerada and Director of Coaching Keith Mundy. Their tireless efforts combined with the support of Satellite coaching squads have assisted Victorian table tennis to achieve these pleasing results.

TTV continued to host many events during the year including the Schools Championships, Javor Cup, Australian Corporate Games, Victorian Open and Victorian Closed Championships. Simon Gerada once again exhibited his dominance in Victorian table tennis winning an unprecedented 8th straight Victorian Open Championship. With the likes of Kyle Davis, Robbie Frank and Trent Carter coming through his dominance is certain to be challenged in 2007.

The Board of Table Tennis Victoria would like to thank all the volunteers, staff, officials, sponsors, and Government agencies such as VicHealth and the Department of Victorian Communities for their support in 2006.

GOVERNANCE

In 2006, the members of the Board of Management were as follows: Brian Lauri -President; Bob Lake - Executive Director; Irwin Parker - Finance Director; Dave Cooper - Tournament Director; Chris Marsh - Match Director; Frank Kenny - Publicity and Promotion Director; and Greg Letts - Coaching Director (resigned in September). The Board position of Social & Fund Raising Director was vacant during 2006.

In national administrative matters, our Association played an important role, particularly in drafting amendments to the TTA Constitution to enable the creation of an Athletes' Commission.

MEMBERSHIP

Although it was pleasing that we had a moderate increase in the number of registered members in 2006, after the drop in 2005 this year's increase merely had the effect of restoring our membership numbers to the approximate level of 2004.

PENNANT COMPETITIONS

Once again, our Association conducted Summer, Winter and Spring Pennants. In 2006, we had 13 more pennant teams than in 2005 – an encouraging increase of 22%. An innovation in 2006 was the playing of all of the Winter Pennant Grand Finals on the same night, with the medal presentations being made at the conclusion of each Grand Final. The change appeared to be well received.

LOCAL TOURNAMENTS

In 2006, 20 local tournaments were conducted in Western Australia. The Albany Volkswagen Open was a great success, with 83 players from Geraldton to Esperance converging on Albany on the Labour Day long weekend in March. Although the Pneumatic Engineering Western Australian Open and Country Championships featured some of the best matches in

WA Table Tennis Assoc. State Report cont.

recent years, the decreases in both the overall number of entries and the number of spectators on the finals night were disappointing. Of particular concern was the decrease in the entries in the events in the junior and "open" divisions.

NATIONAL CHAMPIONSHIPS

Our Association conducted the Australian Open Championships at Joondalup in August 2006. A grant from our State's Department of Sport and Recreation enabled our Association to bring a Singaporean Men's Team and 2 Singaporean Women's Teams to the Championships. In addition, players from New Zealand and the Philippines competed in the Championships, as well as players from all of the mainland States of Australia. The Singaporeans dominated the Championships, winning all of the teams and the individual events. The presence of the Singaporeans raised the standard of play to the highest it has been at a National Championship since the Pro Tour days of the late 1990s.

In addition to competing in the teams and individual events of the Australian Open Championships, players from our Association also competed in the teams and individual events in the Australian Open Junior Championships and the Australian Open Veterans' Championships. Special mention must be made of the achievements of Nicole Low and our Over 50 Men's Team. Nicole won a gold medal in the Under 18 Mixed Doubles, silver medals in the Under 18 Girls' Singles and the Under 18 Girls' Teams (as a member of the President's Team) and bronze medals in the Under 16 Girls' Doubles and the Under 18 Girls' Doubles. In addition, Nicole won the Under 18 Girls' Stiga Award for the most successful Under 18 Girl at the Junior Championships. Our Over 50 Men's Team, comprising Jeff Drew, Craig Campbell, Mike Andrews and Irwin Parker, also won a gold medal in their event.

OFFICERS' INSURANCE

During the year the Association paid a premium for a contract insuring all members of the committee. The insurance does not provide cover to the independent auditors of the Association.

STATE OF AFFAIRS

Table Tennis Australia Inc. is in a sound financial position. During the financial year, the Association received significant financial support from various sources including:

- Australian Sports Commission
- Australian Olympic Committee
- Australian Commonwealth Games Association
- Australian Paralympic Committee

Storey Blackwood & Co. Chartered Accountants, audited the Associations expenditure of grant funds received from the Australian Sports Commission for the year ended 30 June 2006 and an acquittal for the total amount received was lodged with the Commission by the due date.

The Australian Sports Commission did not provide Direct Athlete Support (DAS) funding to table tennis athletes during the financial year ended 31/12/2006. Significant direct athlete support was however provided to table tennis athletes during the previous financial year to assist athletes to prepare for the 2006 Commonwealth Games held in Melbourne in 2006.

The Association's Brisbane office is in a Queensland State Government building "Sports House" designated specifically for sporting associations. The rent/occupancy costs are provided by the Queensland state Government on favourable terms. Photocopying services are also available on site at favourable rates. Accordingly, TTA does not need to have a photocopier in its office other than a 3-in-1 unit which functions as a printer, facsimile, scanner and photocopier.

The Association employs 2 persons in the Brisbane office. At the time of preparing this Report, The Chief Executive Officer (CEO) is employed on a permanent part time basis of approximately 30 hours per week and an Operations Manager on a full time basis.

TTA recognises the importance of supporting and maintaining the Oceania Table Tennis Region. Entry to several World events including the Olympic Games and some World Championship events are based on regional qualifications.

Following discussions with the Australian Sports Commission over several years and planning over two years, TTA has moved some emphasis away from funding overseas competition for athletes towards training programs for athletes within Australia. High Performance Squads have been selected and four National Training Centres in New South Wales, Queensland, South Australia and Victoria have been established. It is pleasing to see that State Bodies are also assisting with funding to these Centres.

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

There were no significant changes in the State of affairs of the Association during the year ended 31/12/2006.

GENERAL ACCOUNTING & FINANCE MATTERS

The Association uses MYOB accounting software to prepare its accounting records. Direct expenditure in respect of grant income is collated using MYOB Job Centres.

The Association does not operate a Petty Cash system but makes reimbursements by cheque for expenses paid on behalf of the Association.

The Association has an ANZ Business One Card Account. Two cards have been issued to the Association. One is held by Fred Whelan the President and one is held in the office. The cards are of assistance with travel expenses including internet bookings and ordering over the internet. The account provides reward points to the Association.

During the year, the Association opened a "Business Online Saver" account with the Commonwealth Bank. The account is now used by the Association in lieu of fixed term deposits. At the time of writing this Report, the Business Online account attracts an interest rate of 6.15% pa and funds are available on a 24 hour 7 day basis.
