Presidents Report

Will Goodier

The strategies in place by the board of TTA over the past couple of years have continued with only minor adjustments. This is evident by the success of those strategies and the continued growth of the organisation. TTA's involvement with Asia in particular China and Korea has been very productive bringing sponsorship and teams to Australia.

With the boards backing I have had the opportunity to build long lasting relationships in China which will reap rewards not just for the short term but for the long term as well.

The Australian team at the Commonwealth Games in Glasgow were very successful with the Ladies team winning bronze and the Ladies doubles pair of Miao and Jian winning silver. The men's team was a fairly young team but in saying this they played well and will be stronger for the experience. With the next Commonwealth Games on the Gold Coast in 2018 we are quietly confident of a strong result.

It was refreshing to see the Australian team win the silver medal at the Hyundai Bennelong Cup by defeating the team from China and Japan and only going down to Korea 14-12 in the final rubber. This was the first time an Australian team won anything at the Hyundai Bennelong Cup.

The Australian Open was held in Sydney Olympic Park. It was our first attempt at an ITTF challenge series World Tour. TTA had sponsorship and the standard of play was very high. The board in conjunction with the sponsors and ITTF has decided to run the event at Seagulls in 2015 and it should be even better because of the learnings from the 2014 event.

The Seagulls club has started to function and has the support of the parent sporting club. The management of Seagulls are very helpful as they see the benefit table tennis can do to attract big events and Asian involvement into their club.

The rotational events in Australia continue to have their challenges. The Veterans event in Tasmania was well run and successful but opinions differ on the capacity of host associations to handle the size of the event. As our most prescribed and biggest event participation wise, I caution on modifying the event significantly. It could be that the veteran's event might have to be positioned in one locality for say 3 years to attract long term sponsors and have the capacity to accommodate the numbers.

TTA and the State and Territory Presidents continue to communicate on a regular basis with the presidents teleconferences. This communication enables all parties to share information and work more closely together. There have been a number of changes to who is representing their States over the past year with changes to 4 of the State presidents. These teleconferences have enabled TTA to have a good working relationship with the States and Territories.

TTA's Para programme continues to be the highest funded of all our programmes and along with the participation programme is very successful. The Oceania Para development officer based in the TTA office is helping to develop Para table tennis in Oceania. This is a great outcome for our region to have a strong healthy competition in Oceania.

My role as president and chair of TTA is rewarding and I look forward to the continued support of the membership to lead the organisation to bigger and better outcomes. I thank Mr Peter Marriott and staff for their work at TTA and all the boards and committees and volunteers who collectively enable Table Tennis to be successful.

CEO Report

Peter Marriott

Table Tennis Australia continues to move forward in all areas of its operations. On court 2014 was an extremely successful year for both Para Table Tennis and our High Performance Program. Australia was back on the podium at the Commonwealth Games and for the first time at the World Para Table Tennis Championships.

Off the court major improvements to the athlete's competition pathway were made through the holding of international events in Australia. The Australian Open became part of the ITTF World Tour and the ITTF approved TTA to host the 2015 Australian Junior and Cadet Open.

High Performance:

As mentioned above there were two standout performances in 2014, in August our table tennis team did us proud in Glasgow with 2 medals. Our Women's Team won the Bronze medal defeating India before Miao Miao and Jian Fang Lay won the silver medal in the women's doubles. 2 medals at the Commonwealth Games was a great result for the sport and our program especially after a disappointing result in Delhi 4 years earlier. All 10 players, Coaches and Section Manager must be congratulated on their results in Glasgow.

Not to be outdone the Para Table Tennis program excelled during 2014. 5 players qualified for the World Championships (China) the most ever from an Australian Team but it was Melissa Tapper's bronze medal in the Women's Class 10 singles which was the standout performance.

Throughout 2014 there were many notable performances from our athletes; the following is just a small sample of the high performance results on court.

- Dominic Huang and Vy Bui qualified for the Youth Olympic Games
- Australia dominated the Oceania Championships in Bendigo by winning every gold medal
- Australia won 13 medal at the Global Junior circuit event in the Cook Islands
- William Henzell won the Bronze medal at the Australia Open in Sydney
- Jian Fang Lay and Miao Miao won the Silver medal at the Australia Open in Sydney
- William Henzell and Jian Fang Lay qualified for the Men's and Women's World Cup
- Erny Tsao named 2014 Australian Junior Player of the Year
- Jian Fang Lay named 2014 Australian Senior Player of the Year
- Sam von Einem named the 2014 Para Athlete of the Year
- Trevor Hirth and Andrea McDonnell win Silver and Bronze at the Thailand Para Open
- Sam von Einem and Rory Carroll win Silver in the doubles at the Italian Para Open
- Sam von Einem wins Bronze in the singles at the Italian and Hungarian Para Opens
- Trevor Hirth wins a bronze at the Hungarian Para Open

Off court TTA continues to search for new ways to strengthen the High Performance program, training squads have been established in Brisbane, Sydney, Melbourne and Adelaide for the members of the National Squad to train for free. High Performance Liaison Officers have been established in each State to improve communication between TTA and the States. Ongoing

discussion with the Australian Institute of Sport continues as we push for the able body program to be recognised as an Australian Winning Edge sport.

The Para High Performance Program continues to perform extremely well against the Australian Winning Edge targets. Table tennis has been granted access to the APC's new base in Melbourne for training free of charge. State based camps and competitions were held throughout the year with the assistance of the States and Territories. Lobbying of the organising committee continues to ensure Para Table Tennis would be included in the 2018 Commonwealth Games on the Gold Coast.

While still almost 2 years away planning is well under way for RIO 2016 for both programs. Scott Houston has been named the Team Leader for the Olympic Games after a very successful debut as Section Manager for the Commonwealth Games.

TTA in 2014 commenced a complete review of the Coaching Courses which are accredited through the Australian Sports Commission. The review is likely to be completed in early 2015 and will ensure that coach education is current and world class.

Participation and Development:

TTA continued to roll out the participation program for CALD and AWD segments of the community with all 8 States and Territories now involved in the program. With the program to end in 2015 planning has already commenced to ensure our sport is involved in the Sporting Schools program in mid-2015. With limited resources Table Tennis Australia has produced some very good results through the participation program with increases in players, coaches and officials and importantly registered members across Australia.

Development did not just stop at our border with Table Tennis Australia being awarded a Pacific Sports Partnership grant over 4 years to increase the number of people with a disability participating in sport in particular table tennis in the Oceania Region. Four Countries, Fiji, Kiribati, Vanuatu and PNG were chosen by the Government for TTA to work in. TTA employed an Oceania Para Development Officer (Christian Holtz) to conduct the program. Christian has spent a significant amount of time in these countries improving their capacity to develop the sport and increase the number of people participating in the sport. This program also has a long term benefit to Australia as the more Para table tennis players in Oceania the greater chances of more qualification spots being available for the Paralympic Games and World Championships.

After what seems like years of planning Seagulls Table Tennis opened in late 2014. The Club and National training facility is part of the Seagulls Club and provides TTA with a medium sized competition and training facility which is dedicated to our sport. Will Goodier has been tasked with the role of establishing the facility as a viable club and TTA has invested in the infrastructure and running costs with the view that Seagulls will become a major asset for TTA over the coming years.

Operations:

2014 financially saw the organisation make a small loss based mainly around the decision to invest in the Seagulls facility. Funding levels from our major funding partners were maintained across the board with the exception of an increase from the Australian Sports Commission for the Pacific Sports Partnership program. Staff within TTA remained virtually unchanged in 2014 with the exception of

Ara Jo who commenced in January as the new finance officer. Table Tennis Australia in addition to staff has a number of contractors who provide services to the sport; these include Alois Rosario (Coach Para table tennis team), our sport science and sport medicine team for the Para table tennis squad and Ross Solly (Media consultant). All of these consultants provide invaluable service to the sport and the staff of TTA.

Governance:

As mentioned above TTA continues to work closely with our major funding partners to ensure the sport maintains a good balance between the needs of the sport and accountability for government spending. The 2014 Australian Sport Performance Review showed the sport in a positive light with only a few items in the ASC's best practice governance principles still to be addressed. Some of these items will be raised at the 2015 Annual General Meeting after being recommended by the Board of TTA to the members.

Table Tennis Australia will look to roll out its new strategic plan in early 2015 after consultation with Members at the National Conference. The plan is not a major shift away from the Key Result Areas of the previous plan which the Board believe are still as relevant to the sport as they were 3 years ago.

The Year Ahead:

The first half of 2015 will be an extremely busy time for TTA. Before the end of June, Table Tennis Australia will host 3 international tournaments. The first of these events will be the Luneng Sports 2015 Australian Junior and Cadet Open. This ITTF Junior Circuit event will be held at Seagulls and will feature players from China and Korea among other international countries against our best junior and cadet players.

The second event will be the Oceania Cup and Para Regional Championships. This is the first time anywhere in the world a regional championship and a regional Para championship has been combined. The Oceania Cup will act as the qualification tournament for the Men's and Women's World Cup while the Para Regional Championships will act as the qualification for the Paralympic Games in 2016.

The third event will be the ITTF World Tour – Australia Open. This will be the second time this event has been held in Australia and will be held at Seagulls.

Preparation of these events is well under way and is consuming vast amounts of time by all of the TTA staff.

In late 2014 Table Tennis Australia signed a new agreement with Shandong Luneng Table Tennis Club in China extending our existing relationship with the club. During 2014 our Commonwealth Games Team and World Junior Championship team both trained at their centre as preparation for their respective tournaments and in return TTA hosted the team from Shandong at the Hyundai Bennelong Cup. In 2015 these exchange opportunities will continue but have been extended to a sponsorship arrangement of the Australian Junior and Cadet Open and the Hyundai Bennelong Cup. This sponsorship agreement has guaranteed the financial viability of both events for 2015 and 2016.

Table Tennis Australia would like to recognise the efforts of Paul Zhao in helping secure the original and new agreement with the Shandong Luneng Club.

Acknowledgements:

As previously mentioned I would like to once again thank the support of our major funding partners and supporters. The Australian Commonwealth Games Association under the leadership of Perry Crosswhite and Diane Gallagher were invaluable in our lead up to the Commonwealth Games in Glasgow and have already shown their ongoing support as we now set our sights on Gold Coast 2018. The Australian Olympic Committee continues to support TTA with funding which is desperately needed to prepare our athletes. We look forward to continuing this relationship as we get closer to Rio 2016. The Australian Paralympic Committee continues to be an amazing resource for TTA and the Para program. Jason Helwig and his amazing team of experts in all things Para Sport have once again provided ongoing support to the staff of TTA.

Our Major Funding Partner, The Australian Sports Commission has continued to provide funding for TTA in all areas of our sport. Thank you to Amanda Beehag for her advice and assistance over the past couple of years in the area of participation and Whole of Sport funding. Nick Hunter commenced as our sports High Performance Consultant with the Australian Institute of Sport at the beginning of 2014 and has been an invaluable asset to our sport as we commenced on the Australian Winning Edge pathway.

In closing I would like to thank the continued support of all of the staff and the Board of Table Tennis Australia. Without their commitment to the sport we would not be able to achieve the results we have made both on and off the court.

Australian Sports Commission Message

Chair - John Wylie AM

It has been another significant year for the Australian Sports Commission and the sports network as we continue to work together to pursue victory on the world stage and inspire all Australians to experience the joy of sport.

Despite a challenging economic environment, in 2013–14 the Australian Government invested almost \$120 million in our national sporting organisations. In high performance, Australia's Winning Edge continues to evolve as we target sports with potential to deliver international success and invest more in our most promising athletes.

Some highlights in 2013–14 have included:

- **Campaign Rio** — a partnership between the AIS, Australian Olympic Committee and Australian Paralympic Committee to prepare athletes for the Rio Olympic Games.
- **AIS Centre for Performance Coaching and Leadership** — the Centre continues to develop Australia's coaches and high performance leaders, with a Podium Coach program launched.
- **AIS Sports Draft** — a fast-tracked development program for talented athletes who are interested in transferring to Olympic or Commonwealth Games sports.

Our work with sports to reform governance structures and develop their strategic and commercial capabilities also continues. The ASC is determined to create better businesses and we are leading the way with a lean and agile operating model, a new AIS brand, and continued focus on philanthropy through the Australian Sports Foundation.

Grassroots participation remains a key priority, with the Australian Government's announcement of the Sporting Schools program a significant endorsement of community sport. The \$100 million program will commence in 2015 — reaching more than 850,000 children — and will enable sports to boost their participation numbers.

Australian sport is on a transformative journey. Few periods have been filled with so much activity or so much promise, and I appreciate your hard work and support over the past year. By joining us on this journey you continue to prove your capacity to succeed in this ever-changing sporting landscape.

Domestic Results

NATIONAL AWD CHAMPIONSHIPS GOLD COAST, QUEENSLAND; 12 APRIL – 16 APRIL

Men's Open Wheelchair Singles

Gold – Mark Harris (NSW)
Silver – Richard Byrne (VIC)
Bronze – Jessy Chen (NSW)
Bronze – Steven Gow (NSW)

Men's Open Standing Singles Class 6-11

Gold – Sam Von Einem (SA)
Silver – Joel Coughlan (QLD)
Bronze – Barak Mizrachi (VIC)
Bronze – Rory Carroll (VIC)

Women's Open Standing Singles Class 6-11

Gold – Andrea McDonnell (QLD)
Silver – Kate Juillerat (QLD)
Bronze – Anne Rossiter (SA)

Men's Class 11 Singles

Gold – Sam Von Einem (SA)
Silver – Ashley Parrott (QLD)
Bronze – James Swanbury (SA)
Bronze – Rory Carroll (VIC)

Women's Class 11 Singles

Gold – Kate Juillerat (QLD)
Silver – Anne Rossiter (SA)

Men's Wheelchair Doubles

Gold – Mark Harris (NSW) / Steven Gow (NSW)
Silver – Ishtiaq Hussain (NSW) / Jessy Chan (NSW)

Men's Open Standing Doubles Class 6-10

Gold – Barak Mizrachi (VIC) / Nathan Pellissier (VIC)
Silver – Jake Ballestrino (VIC) / Trevor Hirth (VIC)
Bronze – Connor Johnstone (WA) / James Swanbury (SA)
Bronze – Jackson Meyn (QLD) / Bruce Downs (QLD)

Open Mixed Standing Doubles

Gold – Jackson Meyn (QLD) / Andrea McDonnell (QLD)

Men's Class 11 Doubles

Gold – Sam Von Einem (SA) / James Swanbury (SA)
Silver – Ashley Parrott (QLD) / Rory Carroll (VIC)

Mixed Class 11 Doubles

Gold – Ashley Parrott (QLD) / Kate Juillerat (QLD)
Silver – Liam Walsh (QLD) / Anne Rossiter (SA)

Class 2 - 4 Singles

Gold – Mark Harris (NSW)
Silver – James Goulding (NZ)
Bronze – Steven Gow (NSW)
Bronze – Richard Byrne (QLD)

Class 6 Men's Singles

Gold – Trevor Hirth (VIC)
Silver – Patrick Horn (ACT)
Bronze – Yasir Hussaini (SA)
Bronze – Brendon Bastin (VIC)

Class 6 Women's Singles

Gold – Saniya Sood (NSW)

Class 7 Singles

Gold – Jake Ballestrino (VIC)
Silver – Sy Pham (VIC)
Bronze – Robert Manzo (NSW)

Class 8 Singles

Gold – Barak Mizrachi (VIC)
Silver – Nathan Pellissier (VIC)
Bronze – Paulo Umetsu (NSW)
Bronze – Connor Johnstone (WA)

Class 9-10 Singles

Gold – Joel Coughlan (QLD)
Silver – Andrea McDonnell (QLD)
Bronze – Peter McKay (VIC)
Bronze – Jackson Meyn (QLD)

Junior Singles

Gold – Nathan Pellissier (VIC)
Silver – Connor Johnstone (WA)
Bronze – Connor Holdback (SA)

Men's Wheelchair Teams

Gold – NSW (Steven Gow / Mark Harris)
Silver – Presidents (James Goulding (NZ) / Richard Byrne (QLD))

Class 6-7 Teams

Gold – VIC (Trevor Hirth / Jake Ballestrino)
Silver – SA (Connor Holdback / Yasir Hussaini)
Bronze – VIC B (Brendon Bastin / Sy Pham)

Class 8 - 10 Teams

Gold – QLD A (Joel Coughlan / Jackson Meyn)
Silver – Presidents (Nathan Pellissier (VIC) / Peter McKay (VIC) / Connor Johnstone (WA))
Bronze – QLD B (Andrea McDonnell / Bruce Downs)

Class 11 Teams

Gold – SA (Sam von Einem / James Swanbury)
Silver – QLD A (Ashley Parrott / Kate Juillerat)

MOUNTIES INVITATIONAL SYDNEY, NEW SOUTH WALES; 17 MAY – 19 MAY

Men

Gold – L Wehking (GER)
Silver – David Powell (AUS)
Bronze – P Xiao (NZL)
Bronze – T Hidaka (AUS)

Women

Gold – Y F Zhu (AUS)
Silver – Melissa Tapper (AUS)
Bronze – Z Zhang (AUS)
Bronze - Sarah Her-Lee (NZL)

Men's Doubles

Gold – Lennart Wehking (GER) / J Aufrere (FRA)
Silver – David Powell / Xin Yan (AUS)
Bronze – T Hidaka / Erny Tsao (AUS)
Bronze – T T Liu / P Xiao (NZL)

Women's Doubles

Gold – Z Zhang / Vivian Dederko (AUS)
Silver – Sarah Her-Lee (NZL) / Y F Zhu (AUS)
Bronze – Sarah Tan / Vanessa Tan (AUS)

NATIONAL CHAMPIONSHIPS
PERTH, WESTERN AUSTRALIA; 30 JUNE – 5 JULY

Men's Singles

Gold – William Henzell (SA)
Silver – David Powell (VIC)
Bronze – Kane Townsend (QLD)
Bronze – Shaoping Zhang (NSW)

Women's Singles

Gold – Jian Fang Lay (VIC)
Silver – Miao Miao (VIC)
Bronze – Melissa Tapper (VIC)
Bronze – Michelle Beaumont (NSW)

Men's Doubles

Gold – William Henzell / David Powell (VIC)
Silver – Kane Townsend / Wade Townsend (QLD)
Bronze – T Hidaka / Erny Tsao (NSW)
Bronze – Dillon Chambers / Yang Shen (VIC)

Women's Doubles

Gold – Michelle Beaumont (NSW) / Melissa Tapper (VIC)
Silver – JF B Hsuek (NSW) / Miao Miao (VIC)
Bronze – Ashley Martin / N Werner (QLD)
Bronze – Amber Dou (VIC) / Madeline Goodsell (TAS)

U21 Men's Singles

Gold – Kane Townsend (QLD)
Silver – Heming Hu (VIC)
Bronze – Dillon Chambers (VIC)
Bronze – Erny Tsao (NSW)

Men's Teams

Gold – Victoria
Silver – New South Wales
Bronze – Queensland
Bronze – Presidents

Women's Teams

Gold – Presidents B
Silver – Victoria
Bronze – Presidents

U21 Women's Singles

Gold – Vy Bui (SA)
Silver – Ashley Martin (QLD)
Bronze – Amber Dou (VIC)
Bronze – Mia Kelly (WA)

U21 Men's Doubles

Gold – Kane Townsend (QLD) / Erny Tsao (NSW)
Silver – Dillon Chambers / Yang Shen (VIC)
Bronze – D Dai / E Foley (NSW)
Bronze – A Ng / Danny Rauv (NSW)

U21 Women's Doubles

Gold – Amber Dou (VIC) / Madeline Goodsell (TAS)
Silver – Vy Bui / Marsha Guseva (SA)
Bronze – Holly Nicolas / K Valentine (WA)
Bronze – Mia Kelly (WA) / N Werner (QLD)

Mixed Open Doubles

Gold – David Powell / Miao Miao (VIC)
Silver – Heming Hu / Melissa Tapper (VIC)
Bronze – T Hidaka / Michelle Beaumont (NSW)
Bronze – Kane Townsend (QLD) / Amber Dou (VIC)

U21 Mixed Doubles

Gold – Kane Townsend (QLD) / Amber Dou (VIC)
Silver – Erny Tsao (NSW) / Vy Bui (SA)
Bronze – Danny Rauv (NSW) / Ashley Martin (QLD)
Bronze – Xavier Dixon / Madeline Goodsell (TAS)

U21 Men's Teams

Gold – Queensland
Silver – Victoria
Bronze – New South Wales

U21 Women's Teams

Gold – Western Australia
Silver – Queensland

NATIONAL JUNIOR AND CADET TOP 10
CROYDON, VICTORIA; 9 AUGUST – 10 AUGUST

U18 Boys Singles

Gold – Dillon Chambers (VIC)
Silver – Erny Tsao (NSW)
Bronze – Luke Cosgriff (VIC)

U18 Girls Singles

Gold – Angela Zhan (NSW)
Silver – Madeline Goodsell (TAS)
Bronze – Vanessa Tan (NSW)

U15 Boys Singles

Gold – Xavier Dixon (TAS)
Silver – Atul Shrestha (VIC)
Bronze – Richard Wang (NSW)

U15 Girls Singles

Gold – Marsha Guseva (SA)
Silver – Matilda Alexandersson (QLD)
Bronze – Georgina Newton (TAS)

NATIONAL SENIOR TOP 10
CROYDON, VICTORIA; 5 SEPTEMBER – 7 SEPTEMBER

Men

Gold – Chris Yan (NSW)
Silver – Kane Townsend (QLD)
Bronze – Heming Hu (VIC)

Women

Gold – Sally Zhang (NSW)
Silver – Miao Miao (VIC)
Bronze – Jian Fang Lay (VIC)

Salary Range	Number of Staff
\$100,000 +	0
\$80,000 - \$99,999	1
\$60,000 - \$79,999	2
\$40,000 - \$59,999	2
\$20,000 - \$39,999	1
\$0 - 19,999	1

Review of Operations

Short and Long Term Objectives

Table Tennis Australia in accordance with its Strategic Plan has identified the following priority objectives to achieve the Vision of the organisation "Lead and enable the development and promotion of Australian Table Tennis".

Short Term:

Ensure efficient and consistent governance of the sport - Strategy: Achieved through the continued review and development and adherence to National Policies, Constitution and Strategy Planning.

Improve communication with Member Associations - Strategy: Achieved through the holding of National Conferences and Presidents Teleconferences.

Increase participation and membership in the sport - Strategy: Achieved through the continued roll out of the Participation Plan designed to increase the number of AWD and GILD participants in the sport as well as improving the capacity of individual clubs to sustain participation growth in the long term.

Improve communication and reporting capabilities of the sport - Strategy: Achieved through the continued development and roll out of the National Data Base and website system.

TABLE TENNIS AUSTRALIA LTD

49 147 023 069

Long Term :

Build a High Performance framework - Strategy: Achieved through the continued development of the National domestic competition landscape, improved pathways for all elite athletes and the development of a high performance culture.

Achieve Podium results at the Paralympic Games and other Bench Mark Events - Strategy: Achieved through adherence to the Paralympic Preparation Program Technical Plan.

Achieve podium results at the Commonwealth Games and improve international standing of our athletes in other Bench Mark Events - Strategy: Achieved through adherence to the High Performance Plan.

Measurements of Success

Management, monitoring and performance measurement of the objectives of Table Tennis Australia occur through detailed operational plans and budgetary processes that are directly linked to the plans of the organisation. Actual performance is monitored quarterly by the CEO while budgetary reports are supplied to the Audit Committee to compare financial budgets to actual expenditure. Operational performance measurements of the ASC funded programs are monitored every six months by the respective program manager of the ASC along with operational staff.

Principal Activities

The principal activities of the company during the financial year were in line with the policies, regulations and by-laws of the organisation and can be categorised in four main key result areas:

1. Governance
2. Participation and Development
3. High Performance
4. Operations

The following activities were undertaken in pursuit of the 4 key result areas noted above: Continued review and updating of policies including but not limited to a review of the membership protection policy (improved governance).

Continued roll out of the Participation Plan to increase participants in the CALD and AWD sectors of the community. 35,000 participants reported to ASC as at 31/12/2014 (increased participation in the sport).

Continued preparation of selected athletes in the lead up to the 2014 Glasgow Commonwealth Games and Para World Championships. Commencement of preparations towards the 2016 Olympic and Paralympic Games (High Performance).

Maintenance of a National Office and staff in key management areas (Operations).

TABLE TENNIS AUSTRALIA LTD

49 147 023 069

Operating Result for Financial Year

The operating result as set out in the financial statements of the company for the 2014 financial year amounted to a surplus of \$6,045.86. The operating result for the previous financial year (2013) was A deficit of \$14,617.18

Significant Changes in the State of Affairs

No significant change in the company's state of affairs occurred during the year.

Events Subsequent to the End of the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Environmental Regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends

No dividends are permitted to be paid or declared under the company constitution.

Indemnification of Officers

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of the company.

Proceedings on Behalf of the Company

No person has applied for leave of court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The company was not a party to any such proceedings during the year.

Remuneration

As an employee of Pelican Sport Development Pty Ltd (an entity controlled by Table Tennis Australia Limited), William Goodier has received payment for management services rendered to that company. These payments are shown as consultancy fees in the financial report of Pelican Sport Development Pty Ltd

Members Liability

In accordance with the Constitution of the company each voting member must contribute to the company's property if the company is wound up while they are a member or within one year after their membership ceases to a maximum amount of \$20. No other member class must contribute to the company's property if the company is wound up.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page five.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

1 Summary of Significant Accounting Policies

Basis of Preparation

The directors have prepared the financial statements on the basis that the company is a non reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of the business.

The financial statements have been prepared in accordance with significant accounting policies disclosed below which the directors have determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless stated otherwise in the notes. The accounting policies that have been adopted in the preparation of these statements are as follows:

Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and are net of any rebates and discounts received.

Property, Plant and Equipment

Classes of property, plant and equipment are measured using the cost model.

Asset are carried at cost less any accumulated depreciation and any impairment losses. Costs include purchase price, other directly attributable costs and the initial estimate of the costs of dismantling and restoring the asset, where applicable.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

The depreciable amount of all property, plant and equipment, except for freehold land is depreciated on a straight line method from the date that management determine that the asset is available for use.

Assets held under a finance lease and leasehold improvements are depreciated over the shorter of the term of the lease and the assets useful life.

TABLE TENNIS AUSTRALIA LTD
49 147 023 069

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

Financial Instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The company's trade and most other receivables fall into this category of financial instruments.

Discounting is omitted where the effect of discounting is considered immaterial.

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

For trade receivables, impairment provisions are recorded in a separate allowance account with the loss being recognised in profit or loss. When confirmation has been received that the amount is not collectable, the gross carrying value of the asset is written off against the associated impairment provision.

Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

In some circumstances, the company renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the company does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss include financial assets:

- acquired principally for the purpose of selling in the near future
- designated by the entity to be carried at fair value through profit or loss upon initial recognition or

TABLE TENNIS AUSTRALIA LTD
49 147 023 069

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

-
- which are derivatives not qualifying for hedge accounting.

Assets included within this category are carried in the statement of financial position at fair value with changes in fair value recognised in finance income or expenses in profit or loss.

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturity. Investments are classified as held-to-maturity if it is the intention of the company's management to hold them until maturity.

Held-to-maturity investments are subsequently measured at amortised cost using the effective interest method, with revenue recognised on an effective yield basis. In addition, if there is objective evidence that the investment has been impaired, the financial asset is measured at the present value of estimated cash flows. Any changes to the carrying amount of the investment are recognised in profit or loss.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that do not qualify for inclusion in any of the other categories of financial assets. The company's available-for-sale financial assets include listed securities.

Purchases and sales of available-for-sale investments are recognised on settlement date.

Available-for-sale financial assets are measured at fair value, with subsequent changes in value recognised in other comprehensive income.

Gains and losses arising from financial instruments classified as available-for-sale are only recognised in profit or loss when they are sold or when the investment is impaired.

In the case of impairment or sale, any gain or loss previously recognised in equity is transferred to the profit or loss.

Losses recognised in prior period income statements resulting from the impairment of debt securities are reversed through the income statements, if the subsequent increase can be objectively related to an event occurring after the impairment loss was recognised in profit or loss.

Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

TABLE TENNIS AUSTRALIA LTD
49 147 023 069

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

Impairment of Non-Financial Assets

At the end of each reporting period the company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than twelve months after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the balance sheet if the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119.

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the balance sheet.

TABLE TENNIS AUSTRALIA LTD
49 147 023 069

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Sale of goods

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

Interest revenue

Interest revenue is recognised using the effective interest rate method.

Rendering of services

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

Comparative Amounts

Comparatives are consistent with prior years, unless otherwise stated.

Where a change in comparatives has also affected the opening retained earnings previously presented in a comparative period, an opening statement of financial position at the earliest date of the comparative period has been presented.

DIRECTORS' DECLARATION

The directors have determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

The directors of the company declare that:

1. The financial statements and notes, as set out on pages 1 to 17, are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards as stated in Note 1; and
 - (b) give a true and fair view of the company's financial position as at 31 December 2014 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Director:

William Goodier

Director:

David Wilson

Dated this 13th day of May 2015

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TABLE TENNIS AUSTRALIA LTD
49 147 023 069**

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of TABLE TENNIS AUSTRALIA LTD, which comprises the balance sheet as at 31 December 2014, and the income statement, statement of changes in equity and cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards (IFRS).

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TABLE TENNIS AUSTRALIA LTD
49 147 023 069**

Auditors' Opinion

In our opinion:

- (a) the financial report of TABLE TENNIS AUSTRALIA LTD is in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the company's financial position as at 31 December 2014 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001; and
- (b) The financial report also complies with International Financial Reporting Standards as disclosed in Note 1.

Company Secretary

David Lindsay Wilson is the Company Secretary of Pelican Sport Development Pty Ltd having been appointed on the 12th September 2014

Review of Operations

Overall objective of Pelican

To provide a vehicle for TTA to derive income and provide TTA with a National training Centre as well as a cost effective venue for National and International events. In doing so create an identity within the International Table Tennis community and open sponsorship opportunities.

Underpinning this objective will be a club structure.

Short term

In co-operation with the Seagulls Club develop the facility into a Table Tennis specific venue of international standards. Hold TTA events to reduce cost to TTA for venue hire. Develop relationships with local, National and International media to promote table tennis in Australia. Increase sponsorship by inviting sponsors to major events held in the venue.

Long Term

Provide a National training facility available to all squad members and invited Australian players as well as inviting international players to train and compete. Improve the coaching standard in Australia by inviting suitably qualified international coaches to attend camps and upskill our coaches and players with the latest technique. Conduct National and international events. Make the venue available for hire by the members for events or camps. Utilise the venue for training officials and volunteers. Have a successful pennant competition.

The Company during the financial year

The time has been spent building the infrastructure within the venue so it is capable of international events. Working closely and developing relations with the staff and management of the parent Seagulls club to enable smooth operation of the venue for local and international competition. In addition to this, time has been spent developing relations with local media and businesses and advertising through the marketing staff of Seagulls and local media to create a presence within the community. By working closely with other table tennis clubs foster close ties to develop the sport locally. A lot of time has been spent developing sponsorships and growing relationships with international table tennis associations.

Pelican Sport Development Pty Ltd
ABN 51 601 796 865

Operating Result for Financial Year

The operating result as set out in the financial statements of the company for the 2014 financial year amounted to a deficit of \$27,809.52

Significant Changes in the State of Affairs

No significant change in the company's state of affairs occurred during the year.

Events Subsequent to the End of the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

Environmental Regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends

No dividends are permitted to be paid or declared under the company constitution.

Indemnification of Officers

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of the company.

Proceedings on Behalf of the Company

No person has applied for leave of court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The company was not a party to any such proceedings during the year.

Remuneration

William Goodier has received payment for management services rendered to the company in respect to the ongoing work required in the set up an organisation of the Seagulls Club. These payments are shown as consultancy fees in the financial statements report of Pelican Sport Development Pty Ltd

Signed in accordance with a resolution of the Board of Directors dated 12th May 2015

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

1 Summary of Significant Accounting Policies

Basis of Preparation

The director has prepared the financial statements on the basis that the company is a non reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of the business.

The financial statements have been prepared in accordance with significant accounting policies disclosed below which the director has determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless stated otherwise in the notes. The accounting policies that have been adopted in the preparation of these statements are as follows.

Property, Plant and Equipment

Property, plant and equipment are carried at cost. All assets excluding freehold land, are depreciated over their useful lives to the company.

Impairment of Non-Financial Assets

At the end of each reporting period the company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

These notes should be read in conjunction with the attached compilation
report of Andrew G. Marshall.

PELICAN SPORT DEVELOPMENT PTY LTD
61 601 796 865

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2014

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Bank overdrafts also form part of cash equivalents for the purpose of the statement of cash flows and are presented within current liabilities on the balance sheet.

Revenue and Other Income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Rendering of services

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.

DIRECTOR'S DECLARATION

The director has determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 1 to the financial statements.

The director of the company declares that:

1. The financial statements and notes, as set out on pages 1 to 5, are in accordance with the Corporations Act 2001 and:
 - (a) comply with Accounting Standards as stated in Note 1; and
 - (b) give a true and fair view of the company's financial position as at 31 December 2014 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
2. In the director's opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the director.

Dated this 12 day of May 2015

**COMPILATION REPORT
TO PELICAN SPORT DEVELOPMENT PTY LTD
51 601 796 865**

I have compiled the accompanying special purpose financial statements of PELICAN SPORT DEVELOPMENT PTY LTD which comprise the balance sheet as at 31 December 2014, and the income statement for the year then ended, a summary of significant accounting policies, other explanatory notes and the additional information contained in the detailed profit and loss.

The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1.

The responsibility of the director

The director is solely responsible for the information contained in the special purpose financial statement and has determined that the basis of accounting used is appropriate to meet their needs and for the purpose that the financial statements were prepared.

My responsibility

On the basis of the information provided by the director, I have compiled the accompanying special purpose financial statements in accordance with the basis of accounting and APES 315: Compilation of Financial Information.

My procedures use accounting expertise to collect, classify and summarise the financial information, which the director provided, in compiling the financial statements. My procedures do not include verification or validation procedures. No audit or review has been performed and accordingly no assurance is expressed.

The special purpose financial statements were compiled exclusively for the benefit of the director. I do not accept responsibility to any other person for the contents of the special purpose financial statements.

State / Territories Reports

Tasmanian Table Tennis Association Inc.

President - David Nettleton

The Tasmanian Table Tennis Association held The National Veterans' Championships at the Kingsborough Table Tennis Centre in October.

This statement simply stated tells nothing of the real story behind it.

A story of planning, team work, effort, perseverance and achievement which did us all proud. Of course this takes people, and the Committee that ran the event from the initial meeting until the closing dinner are to be congratulated on their success. Ian Weller chaired the Committee, and his contribution was pivotal. Geoff Long as secretary and David Wilson, treasurer were fully professional in their work. Maureen Sherman, Elaine Wright, Susan Loveless, Andrew Lockwood, Roger Massie, Marshall Muller and David Clark all made vital contributions at various stages in the planning and management of the tournament. Irene Wierenga made essential contributions to the catering of the Opening Ceremony and the organisation of the Dinner.

Additionally, all of the Tasmanian clubs willingly provided equipment vital for the running of this tournament which meant them cancelling their rosters for the week.

The result of this work was the largest ever domestic tournament in the history of Australian table tennis. It was run almost without a hitch, for which we also have to thank Brian and Bev James as well as referee Graeme Ireland, and the venue was mostly ideal and coped with the enormous programme very adequately. I also need to mention the manager and staff of the Centre as well as the caterer who were all instrumental in helping ensure the success of the tournament.

One point about all this that I believe needs emphasising is that TTTA delivered this great event without having the benefit of a paid administrator – it was all the work of volunteers. Well done everybody!

Not content with that, but Tasmania held another National tournament in January! This time it was the AWD Nationals which were run on our behalf by the Northern Suburbs club. It was a tremendous success with the venue proving ideal for such an event and the club proving it was well up to the task of running it. It is indeed indicative of Tasmania's great strength and depth of people who are willing and able to run tournaments that our small State can hold two National tournaments so close together. Roger Massie was instrumental in securing this tournament for Tasmania, and Northern Suburbs are to be congratulated for taking it on so impressively.

Both these tournaments have been supported by Grants from Sport and Recreation, and the Veterans' also received a Grant from Events Tasmania. I extend our thanks to the Tasmanian Government and the people in these agencies for their help and cooperation.

Of course, TTTA conducted its normal programme of tournaments throughout the year in cooperation with the clubs. David Clark continued to run them as Director of Tournaments, and as a result they were all conducted in a professional manner. A new (revived) tournament-The City of Hobart-was added and held by NSTTL.

Tasmania sent teams to the National Juniors and Veterans, and individual players to the Australian Closed. We had one of our most successful years in terms of results and rankings and I extend my congratulations to the players and their coaches. Two juniors – Madeline Goodsell and Xavier Dixon – were selected for inclusion in Australian squads, and one – Georgina Newton- in the National development squad. Several medals were won by our juniors at the National Junior Championships. Joe Healy was Australian Champion in the Over 80 division at the National Veterans where sisters Margaret Gabbedy and Patricia Anderson were runners up in the O.70 doubles.

State League was again run by NTTA, and we all enjoyed the camaraderie that the tournament engenders. The efforts of the organisers are much appreciated.

A new award –The Neil Harwood OAM Award - was presented for the first time: the inaugural winner of this award being John Hannon. Geoff Long was instrumental in its initiation, and it is awarded for services to Tasmanian table tennis.

Again I must thank the Directors who all make big contributions to the successful administration of table tennis in the State. One Director is retiring after a lifetime of service to the sport. Elaine Wright has done more than most, and for this I thank her and wish her well. I am sure we will see her around for years to come.

I would like to wish The Tasmanian Table Tennis Association a successful, if rather less hectic, year in 2015.

Western Australian Table Tennis Association

State Delegate – Irwin Parker

2014 was again a difficult year for the Association in that the crucial portfolio of Tournament Director was unfilled most of the year. Although this resulted in one the Association's major championship being cancelled, the State Championship was held mainly due to the efforts of President David Cooper. Affiliated clubs conducted 4 Open Tournaments and the Grand Prix series was conducted as a Board effort with the help of Kipp Chang who has taken over as Tournament Director in 2015.

Adrian Reeves took on the position of Match Director resulting in an overall increase in Pennant (Summer, Winter and Spring) participation. Chris Marsh continued his stellar run as Official Scorer. At the end of 2013 the Association appointed Linda Bell as Executive Director. Under Linda's stewardship a number of changes were instituted mainly around communication (e-mail) with members and with the centre. Greg Letts retired after 8 years as 11UP editor and to date no one has taken on this position. It is hoped that the communication with members through e-mail and from the new web site will compensate for the lack of a newsletter. An Association Strategic Plan was developed after consultation with members. Hopefully the Association will have adequate resources to enable it to pursue all aspects of the plan.

Irwin Parker took on the responsibility for running the Australian National Championships at Curtin University. It was a team effort as most Board members and other volunteers worked hard to put everything together. I should mention Tournament Controller Phil Males (he has helped WATTA in various roles with the majority of National Championships held in Perth since 1977) and Referee Ian Findlay. After an initial major hiccup in securing a venue the championship ran smoothly. Although the majority of leading Australian players took part in the championship, the overall entry by both Western Australian and Eastern States players was most disappointing. Had it not been for a table sponsorship from

K Sports and a \$10,000 Department of Sport and Recreation grant the event would have been a financial disaster.

In addition to assistance with tournaments, Social and Fund Raising Director Helen Valentine and her committee were responsible for very productive fund raising activities including several sausage sizzles and raffles. These funds were used to subsidise the State Junior teams. The Association's net contribution toward state team travel and entry fee expense amounted to \$18,565 of which approximately \$3,400 was provided by the Associations fund raising committee. Verona Johnston assisted with tournaments and with other administrative jobs and managed both the State Senior and Junior teams

David Brown as Coaching Director has worn several other hats, including his heavy involvement with Athletes with Disabilities, Additionally David ran 5 Junior Graded Tournaments and two schools tournaments and conducted numerous active after school sessions. Also he ran a level 0 coaching accreditation course which resulted in 6 new coaches. Craig Campbell (Junior) and Alvin Jiang Senior) continued in their respective positions. In view of some poor attendances the squad system is being reviewed in 2015. Again Western Australia was well represented at the Junior Championship, the

National (Senior) Championship and the Veterans Championship. Highlights were the under 21 women's team who won the gold medal and Craig Campbell who won the Over 50 Men's singles.

The Association made a profit of \$8088 which was achieved after, at one stage, looking at a loss when planning to conduct the Australian National Championship. Although Centre income dropped off slightly from the peak in 2013, this continued to provide a good income source for the Association.

Core funding from the Department of Sport and Recreation (DSR) was maintained at \$16,000 and will be maintained in 2014/15. This is addition to the \$10,000 National Championship grant and a \$3,500 grant received in respect of the development of a strategic Plan.

Development funding from Healthway for the 2014 calendar year amounted at \$13,500. Additionally Heathway continued to provide \$2,500 sponsorship for the State Championship. Future funding has been slightly reduced with \$15,000 being approved for both the 2015 and 2016 calendar years. Healthway income was supplemented by the ASC'S 'Active After School' program which compliments the development activities of the Healthway program.

Overall the Association is in a very sound financial position with current working capital (Current Assets less Current liabilities) in excess of \$79,000 and having over \$26,000 in the Centre Fund which will be needed if we ever secure a new venue. The Board re-valued the land on which the centre stands to \$900,000 based on a real estate agents market appraisal.

ACT Table Tennis Association

President – Bryan Harper

Membership Levels

With some new members joining during 2014, membership numbers of TTACT remain strong. At the end of 2014, there were just over 300 members (excluding Schools Program players). Although A.C.T. is the second smallest jurisdiction in terms of population; its per capita participation in table tennis (in terms of 'full' members) is the third highest (behind Tasmania and Northern Territory) of all Australian jurisdictions; and is well above the participation rates of the larger States.

Activities of Board

It has largely been a year of consolidation by the Board during 2014, building on the efforts of previous years. Apart from overseeing the usual operational activities of competitions, conduct of local championships, and participation in local and inter-State events; some of the other activities undertaken by the Board included:

- Development of documentation on some policies, procedures and position descriptions; with a view to undertake more work in this area in 2015;
- Attendance at governance course (by two Board members; & one sub-committee member);
- Establishment of some new sub-committees to support the activities of TTACT;
- Appointment of a Liaison Officer for High Performance – in line with the approach by Table Tennis Australia for development of Australia wide programs for high performance;
- Investigation of options for the enhancement or upgrade of the TTACT website;
- Installation of LED lighting in the playing areas, leading to benefits of significantly reduced energy use, and energy costs;
- Commissioning of a Report on the Assessment of Condition of the Kingston Table Tennis Centre – as part of a review of options for enhancement of playing facilities; and
- Commencing and making good progress on organising, indexing and archiving of financial records, and administrative records.

Of course, with limitations of financial and volunteer resources, it takes time to undertake various activities and projects; and as an organisation, we need to appreciate these constraints and put them into perspective. Nevertheless, it is important that we continue to utilise the skills and experience of our many volunteers, and to encourage and recognise this participation. Many of our members are aware of some active volunteers who have made significant contributions in 2014.

Sub-Committees

New Sub-Committees established during 2014 included the following: Facilities and Maintenance; Finance; Governance; Records & History; Schools Program; and AWD Program

Schools Program

The schools program is continuing, and participation is growing, largely due to the continuing efforts of key volunteers Glenys and Keith Joliffe. Special thanks go to Glenys and Keith Joliffe, Song Chen, Brian Peppy, Fred Huang and other volunteers.

AWD Program

The AWD Program continues to be co-ordinated and managed by Rosanna Horn with a group of dedicated volunteers – a separate report has been provided by her on the AWD Program. In late 2014, due largely to Rosanna's efforts, TTACT was granted another 6 months of funding for use in 2015. We thank Rosanna and her team for their continuing work.

Junior Training and Development

Junior development and coaching has continued throughout 2014, with coach Larry Lim working with several juniors over much of the year.

The Board appointed Mr Dong Dong ZHANG as the TTACT Liaison Officer for High Performance in late 2014, after an agreed formal process of advertising and selection. The role includes liaison with similar officers in TTA and other jurisdictions; as well as co-ordinating junior development and high performance programs in A.C.T. He brings to this role significant experience as a high level player and coach in both China and the A.C.T. Following discussion with him, the Board has agreed that he prepare a draft structure and plan for an extended junior development program for A.C.T. (to include using existing local coaches and volunteers); for further consideration by the Board.

The Board envisages that future links be established with the Schools Program as a conduit for increased participation by juniors, and as a means of identifying talented junior players who may wish to receive further training and coaching.

Seniors' Group

Social and informal competition by local Senior players has continued to flourish throughout the year, with significant numbers of players on three or four weekday mornings in most weeks throughout 2014, with players often queueing up to play while all tables are occupied. Senior players value the opportunity to continue playing a sport which they enjoy in a comfortable environment which assists them to remain active whilst maintaining social contacts.

A.C.T. Open Championships (Tuggeranong Archery Centre) 23 & 24 August 2014

- Successfully conducted; with promising expectation of good entries from NSW next year
- 2 of the top 10 Australian players entered in both Men's and Women's Singles
- Included events for Athletes With a Disability (AWD) - standing and wheelchair categories
- Event held in Tuggeranong Archery Centre at Greenway
- Good national television media coverage by ABC – approx. 2 minutes of video
- Apart from various volunteers, special thanks go to the following:
 - Graham Boyton – Tournament Referee (from Table Tennis NSW)
 - Brian Peppy – planning and set-up;
 - David Swanton – running tournament (2nd day); and speaking to ABC television
 - Rob Crowdy – planning and preparation of event Draws

Participation in Australian Championships

Australian National Championships (Perth) 29 June – 5 July 2014

- Men's Team: Rohan Dhooria; Quy Cao; Bryan Harper

Australian AWD Championships (Gold Coast) April 2014

- A.C.T. Team: Nathan Cawley and Patrick Horn.
- Congratulations to Patrick Horn: Silver medal in Men's class 6 singles.

Australian Junior Championships (Sydney) 28 Sep. – 4 Oct. 2014

This was the first time for many years that TTACT players participated in the National Junior Championships.

- Under 15 Boys A.C.T. Team: Rohan Dhooria; Haichen Huang; Nathan Luu
- Under 18 Boys (President's B Team): Raj Dhooria
- Rohan Dhooria: 6th in order of merit in U/15 boys (teams and individual combined) -Rohan won the National Championship in Under 15 Boys Singles; and defeated the top three seeded players to win the title – he is the first junior National Champion from the ACT since Jeff Plumb won the same event in the late 1980's.

Australian Veterans' Championships (Hobart) 18 to 25 October 2014

- Twenty players represented A.C.T. in 7 teams over a number of age groups ranging from Over 40's to Over 80's. Special thanks go to Glenys and Keith Joliffe for their great work in planning and managing the team.
- Congratulations to Vic Bannon and Arthur Wilks: Bronze Medal in Over 80's Event; and also to Trevor Taylforth: 8th in Order of Merit (Over 60's Men).

Tuggeranong Archery Centre (Greenway)

- TTACT is continuing to hire the venue on Sunday afternoons from 1 to 4 p.m. for promoting table tennis participation (as a key outcome of the Government funding to TTACT)
- session play is attracting new players, and new members
- looking at options for using the venue for schools activities, and seniors activities in 2015

Thanks go to various volunteers who assisted by acting as Duty Officer during the year, particularly **Bill Hawkins** who was Duty Officer up until end June 2014. From July, an informal roster of Duty Officers was introduced, and this arrangement is continuing in 2015.

Awards for Volunteers

In an organisation such as Table Tennis A.C.T., volunteers are crucial to the management and operation of the Association for the benefit of members. Accordingly, TTACT has two Awards which were established some years ago to recognise each year the contribution of volunteers. It is with pleasure that I record the following award recipients:

Volunteer of the Year (PAT KEANE TROPHY): John Parker

Apart from undertaking the important role of Competitions Director, John Parker assisted with the investigations, purchase, and fitting of LED lighting in the playing areas at the Kingston Centre. He also assisted with other maintenance tasks for the Centre; and contributed as a rostered Duty Officer at Sunday sessions at Tuggeranong Archery Centre.

President's Trophy: Jan McKenzie & Rosanna Horn
(for outstanding contribution to TTACT)

Many of the various activities and achievements of the TTACT Board during 2014 were due in large part to the outstanding contributions of both Jan McKenzie and Rosanna Horn.

- Jan McKenzie held the Finance Director's position; led the push for LED lighting and saw it through to completion; and was instrumental in important indexing and archiving of TTACT information; and advocated for the Board to commission a Report on the Assessment of Condition of the Kingston Centre.
- Rosanna Horn held a Board position (as Communication and Marketing Director); led and Co-ordinated the AWD Program; initiated various marketing materials for TTACT; organised media coverage for TTACT and major events; assisted with a variety of administrative tasks; and was Duty Officer at Tuggeranong Archery Centre on some occasions.

Other Awards

Most Improved Player (TERRY MANSELL TROPHY): Sam Carters

This award recognises the most improved player based on changes in competition players' rankings over the calendar year. This is the second time in succession that he has received this award.

Special Achievement Award: Rohan Dhooria

On behalf of TTACT, I wish to congratulate Rohan for his many achievements over 2014. His most significant achievement was winning the Australian Under 15 Boys Singles Championship. This is the second Australian title to an A.C.T. player since Jeff Plumb won the same title (Under 15) in the late 1980's – the other being Patrick Horn who won the AWD class 6 National title in 2010; and there have been several other Australian titles won by A.C.T. players prior to the late 1980's.

Rohan also achieved strong results in other State and National events, including a creditable 40% of matches won (at senior level) in the Men's Team event at the Australian National Championships.

Funding from A.C.T. Government

TTACT was fortunate to receive funding from the A.C.T. Department of Sport and Recreation in 2014,

and we are thankful for this support. TTACT was also successful in obtaining a renewal of this funding for 2015. We thank the A.C.T. Government for this support.

Outlook for 2015

- TTACT is looking to expand its pool of active volunteers for the benefit of the Association;
- By a process of rotation, A.C.T. has been offered to host the Australian National (Senior) Table Tennis Championships in 2016 (next year) – and TTACT will need to carefully consider the feasibility of undertaking this task;
- Further work is envisaged on investigation of various options for improvement of player facilities and venues;
- Benefits are expected to arise from continuing the process of enhancing governance and related processes; and the further development of existing and new Sub-Committees to assist with various projects and activities for the Association.

On behalf of TTACT members, and the Board of TTACT; I sincerely wish to thank all members for their ongoing participation and support. Since taking on the role of President, I have learned in greater clarity the extent of work which Glenys Joliffe contributed as President over many years; and the extent of work performed by many volunteers.

I particularly wish to thank **Song Chen** for his contribution during 2014 – his efforts frequently went beyond his formal role as Centre Manager - extending too many occurrences of acting in a voluntary capacity. I also wish to thank other Board members for their contribution and support.

There are also many volunteers who provided valuable contributions via Sub-Committees; or as a volunteer in a variety of roles – we are particularly indebted to you. This work is not only important to the Association, its members and the Board; it provided experience which may be of great benefit to TTACT in future.

Table Tennis Queensland

President – Trevor Barrett

As always, my President's Report needs to begin with an acknowledgement of the support the Queensland Government provides Table Tennis Queensland on an annual basis. Also to thank the contributions of our two staff members, Jason Walsh (Executive Officer) and Karen Carruthers (Administration Manager) who continue to provide tireless effort in the implementation of Board policies, and working towards the continuing development of table tennis in Queensland.

One of the major changes during 2014 was the finalisation of the State Government Local Sport and Recreation Jobs Plan funding, and the subsequent loss of our Regional Club Coordinator position. This effectively reduced the TTQ staff to two people, a reduction that would inevitably have an impact on our daily operations.

Our Online Registration system has been updated to now include National Championships registrations. The system is now complete and has the ability to accept entries and payments online via PayPal for all of our coaching/officiating courses, state training camps, state championships and now Queensland team registrations for National Championships. The online registration system will be a valuable asset for future. Many thanks to Board Member Danny Lloyd, as well as Jason and Karen for their work in this area.

Participation

Membership again fluctuated in 2014, Membership figures showed a slight decrease on the previous year from 1762 to 1644. One key reason was a majority of Far North Coast members now members with New South Wales. However, 9 of our clubs showed an increase in members on the previous year. Brisbane Table Tennis Association retains the title of the largest club in the state title (243), followed close behind by a resurgent Wynnum (199).

Club membership grew from 24 to 25 with Seagulls Table Tennis Club joining TTQ. The Seagull club is located at Tweed Heads in Northern NSW. It's a very exciting development on many levels. The club is a joint venture with Table Tennis Australia and will be a key venue for many future National Championships.

The Queensland schools event was again successful with 112 teams (225 participants) across four events at Gold Coast, Brisbane, Toowoomba and Cairns. My thanks go to all of the volunteers who gave up their time to help in running these events. We will be expanding this event in 2015 to include seven events across the state and we will be introducing a State Final. An AWD schools competition is also scheduled.

People

Our State Director of Coaching (Cathy Townsend) continued to make progress across the state in this area. This is further evidenced by the extensive list of currently accredited coaches at various levels and we are very fortunate in this respect. This is mainly due to the consistent efforts of Cathy Townsend, and it was perhaps quite fitting that Cathy gained her own Level 3 Accreditation during

2014. There were two Coaching Courses offered in 2014, One Tops and Level 1 Coaching Course held in Brisbane in which 24 participants enrolled. Another Tops course was held in Brisbane in November.

Similarly, Dave Delpratt continues to provide TTQ with a lot of hard work in officiating development. This is outlined by the considerable progress that has been made in increasing the numbers of accredited officials at association, state and national levels. There was one State Referee course held in Brisbane in September, this was presented by Dave Delpratt. Also one State/National Umpiring Course was held in March. With the Commonwealth Games looming in 2018 however, we cannot afford to be complacent, a lot more work has to be done. It is an important area of our sport, quite separate to personal competition which can provide considerable opportunities for those who gain the necessary qualifications.

Development

State Training Camps were organised at Townsville, Moreton Bay and Brisbane. Based on this, a series of events have been organised for 2015 to extend this program.

A special mention to the Moreton Bay Table Tennis Association on securing a new home at the Centenary Lakes Sports Complex in Caboolture. This fantastic news in late 2014 will hopefully see the club to continue to boost their membership.

Events

The year got off to a very busy start in regards to the events calendar beginning in February with TTQ coordinating the Australian Commonwealth Games Qualification Tournament on the Gold Coast. A total of 4 Queensland participants took part in the event. In April, TTQ also successfully coordinated the National Athletes with a Disability Championships on the Gold Coast. Feedback from a number of competitors was very positive. With one of long serving TTA staff member going as far as saying the 'Best' AWDs ever.

The Queensland Junior and Veterans Championships were both coordinated within a fortnight in the middle of the year. This was a very busy time for everyone involved. In particular for our referees, Rhonda and Jim Miller. We thank them for their assistance throughout both events. The Moreton Bay Table Tennis Association again successfully coordinated the Women's National Table Tennis Challenge. TTQ will continue to coordinate our own State Championships in Juniors, Seniors and Veterans, while our associations coordinated 10 association opens in 2014. Particular thanks must go to the TTQ staff and various associations who were involved in the success of these events, as well as the officials and volunteers who give so generously of their time.

Performance

2014 was an improved year for performance with great success across all events with an increase in Gold Medals at the Australian Closed and Australian Juniors events. The Under 13 Girls team defended their title at the Australian Junior Championships. Matilda Alexandersson backed up her great team's performance by being crowned the Under 13 Girls singles National Champion. While the Under 21 Men's team performed well above expectations to win the National title at the Australian Closed Championships. The overall standout player in 2014 was Kane Townsend. His year started on an extremely positive note by gaining selection to the Australian Commonwealth Games team. The trials were held on the Gold Coast and he had a lot of local support. Kane also performed very well at the Australian Nationals and Australian Open. His experience at the Commonwealth Games will put him in good stead for future major events.

Governance

The 2014 Annual General Meeting (AGM) brought about some changes to the TTQ Board of Management with Steve Mitchell (Toowoomba) elected to the Southern Board Member position.

Finance

In regards to our finances TTQ finished 2014 with only a minor deficit, which was a significant change from the deficit in 2013. Member equity also improved, and we were again fortunate to receive a good level of core funding, for which we are particularly grateful to the State Government, Department of National Parks, Recreation, Sport and Racing. Our projected funding for 2015 is also positive which hopefully indicates a good degree of Government satisfaction with our achievement of our stated objectives from our Operational Plan over recent years.

Finally, I would like once again to pay tribute to the countless volunteers in our associations who work tirelessly at our clubs and events, and whose efforts are vital to the on-going success of our sport. I encourage all clubs to continue to recognise and value your volunteers.

Table Tennis Queensland is looking forward to hosting the 32nd Australian Veterans Championships at Caloundra on the Sunshine Coast from 17-24 October 2015. We're hoping to coordinate the best Australian Veterans ever.

I would also like to recognise the ongoing work of our staff, namely Jason Walsh and Karen Carruthers, and also the members of the Board of TTQ for the continued determined efforts that you have shown throughout 2014 to promote the sport of table tennis in Queensland.

Table Tennis Victoria

CEO – Anne King

2014 has been a very successful year for the Association with many clubs advancing significantly with new or improved facilities and building a stronger presence in their communities. Victorian clubs have hosted a number of significant national and international events and the Croydon and Bendigo associations in particular should be congratulated on their outstanding performances.

At the state level a significantly improved State Table Tennis Centre has been established at MSAC and partnerships with Mark Smythe Table Tennis and TTA have resulted in enhanced elite training programs.

On the court we have continued our success. Our juniors continue to perform well, with a number representing our country. Our senior players continue to do well nationally and internationally, with strong performances by our stalwart women players, Miao Miao, Jian Fang Lay and 'resident' champion William Henzell, and by our emerging talent in David Powell and Melissa Tapper.

Our Veterans players exceeded even their own high standards. Victoria was dominant at the Australian Championships and Victorians performed exceptionally at the World Veterans Championships in Auckland, with Pam Tait and Margaret Mulcahy winning the gold medal in the over 75 Women's Doubles and Igor Klaf winning gold in the over 70 Men's Doubles. Nela Bran, Mick Wright, Geoff Nesbitt, Lois McConnell, Maureen Fischer, Ken Johnson and Prisca Rosario all appeared amongst the medalists. Pam and Margaret were also very successful at the International Veterans Tournament in Turkey in October 2014.

We welcomed and assisted affiliation of four new Associations of St James Keenagers, Monbulk Table Tennis, Triangle Table Tennis and the Yarra Table Tennis Club. We were also consulted in a support role for the expansion and redevelopment of Mornington Peninsula TTA, Werribee TTA, Horsham TTA, the new proposed facility at Frankston as well as a strategy paper for ESCTTA/City of Whitehorse. We held exhibitions at the MCG Sports Museum and the AAA program at Federation Square as well as involvement with the Corporate Games, Special Olympics and the Victorian Olympic Council's meet the Olympian program in regional Victoria.

Whilst some of our Associations are thriving, others have struggled. The lack of adequate facilities has made it prohibitive for some of our Associations to grow, in particular where they have to compete with other sports in venues.

On the positive, our work was rewarded with an unexpected Access All Abilities program grant. Our Victorians More Active grant was on target and we were placed for further funding. Our gratitude to Sport & Recreation Victoria and the Department of Transport, Planning and Local Infrastructure for their support. A big thank you goes to former Minister Damian Drum who provided table tennis with some media exposure and we are looking forward to engagement with our new Minister for Sport, John Eren MP.

Having introduced a new logo in 2013, we wanted to extend this to a new State uniform and provide our Junior, Senior and Veterans teams with a female and male option, good quality fabrics and modern design. We introduced a hoodie and vest which was a favourite with the juniors and

veterans also. Whilst players were attached to the old uniform and needed some convincing, the reward came when we received great feedback from the other States and players. A big thank you to the Veterans Committee who worked sensitively to ensure that everyone was in the new uniform.

With the ongoing discussion of transparency in the points system, and a desire to reduce manual manipulation and step away from the high organisational risk of the 'one man show,' the Board decided to engage InteractSport to manage our website, membership database, pennant and tournament software and the all-important points and ranking system. Whilst given all assurances, this proved to be an ambitious program which clearly InteractSport did not live up to. Whilst transitioning over time would have been the logical and planned process, the old provider made this untenable and pulled the plug and reduced our access to the system prior to the end of our contract. This only enforced the Board's view that we needed to move to a more professional approach and provider.

The result of the contract with InteractSport meant that we did not have any meaningful points or ranking. Whilst this caused angst among players, there was also understanding and tolerance, and I would like to thank players for their patience. The Board formed the Ad-Hoc Technical Committee towards the end of the year, and I am pleased to say that they are working well and have identified Zermelo as the preferred tournament software to be used in 2015, with Rating Central to be used for the Points system. The strength of the points/ranking system will depend on all Associations logging their results and early indications are that this is working. This is a work in progress and I would like to thank the Chair of the Technical Committee together with the members, who have actively engaged in working through the issues and looking for solutions and all others who have provided constructive input.

Whilst Country Week and the Veterans Tournaments continue to pleasingly grow with excellent committees behind them, our Junior and Senior Tournament numbers are not doing so well. Our Tournament formats and structure will be a major consideration towards our strategic planning in 2015.

We received a grant from Vic sport on a Change Management project addressing membership structure, and a research grant from LaTrobe and Deakin University looking at the low participation of girls in our sport. Results from this research will become available mid-2015.

We welcomed Luci Galea in early 2014 and Rosie Murphy in June. The administration changed 100% and it was a challenge to get up to speed. I am pleased to report the both Luci and Rosie have made an impact on the organisation and provided a significant contribution and dedication, and I am fortunate to be working with them and grateful for the support they provide.

Our newly elected Deputy Chair Kelvin Putt also attended the Victorian Government sponsored Board Member Governance course and Chair Phillip Carruthers and myself, continued meeting with Association Committees.

A sponsorship is not worth doing if you have to keep referring back to the conditions of the contract. There has to be mutual understanding and respect, and an alignment of purpose and values. A special mention to our major gold long time sponsor of Robert and Andrea Katsipis and their family at Affordable Table Tennis who not only provides a professional service but emulate old fashioned

handshake arrangements and credibility. A thank you also to our others sponsors of Cyngler Kaye Levy Lawyers, Acland Travel and the Bayview Hotel.

We hoped to answer the long standing question of “what do we get for our membership” which comes up every year at registration time. Whilst our registration fee is very low compared to other sports it also provides accident insurance as part of the national insurance scheme which is a requirement to compete in pennant and tournaments, and giving protection in case of accident and injury. We felt that we would add further value with the introduction of the Where to Enjoy member benefits program. Whilst the program is only available to full members, we had hoped that recreational members may also see the benefit to upgrade their membership as the benefits associated with groceries and petrol alone would more than pay for membership. The report on uptake of the program for the last quarter of 1 October – 31 December 2014 was Gift Cards purchased: \$90,600, Unique Web visits: 12,985 and there were 1,331 members as at December 31st 2014. 2014 also saw the removal of the TTV membership card which provided limited benefit as a keepsake but became unviable to continue due to costs associated with manufacture and postage. Instead associations are encouraged to produce their own club card which would be an opportunity for sponsorship and provide a sense of belonging.

Our generous and dedicated volunteers are the backbone of the sport and we could not exist without them. Their commitment does not only consist of hours and days but for some decades of contribution. Just like the players, they are passionate about table tennis, however the fundamental difference is that they have taken the extra and sometimes difficult step to work and help the organisation. On occasion in the performance of their duties they have had to take criticism from others which is a humbling act considering that they do not receive monetary reward, in fact most volunteers are at a financial disadvantage supporting their volunteer role. Our deep gratitude to the volunteers of our Finance & Audit Committee, Technical Committee, Junior, Senior & Veterans Committee. Country Tournament Committee, the Umpires & Referees and the Junior, Senior and Veterans Selectors, as well as Team Managers and Non Playing Captains supporting our Teams at National Championships.

We would like to thank the parents who devote their limited financial resources and act as chauffeurs to endeavor to provide an opportunity to the sport as our junior players are our future, and whilst some do not continue it is heartening to see new players emerge. We watch them develop into young adults and hopefully see them continue in our sport. Whilst we have a small crop of dedicated coaches our aim is to increase this pool with the introduction of the Community Coach Level 0, and enhancement of the Level 1 Coaching Course which is set by Table Tennis Australia.

I would like to acknowledge our elite players who we aspire to emulate and who provide the dream and act as a pathway not only for our junior players but also to the adult beginner and seasoned veteran. Their results will be found within the annual report.

A force to be reckoned with is our increasing Veterans army. We have seen their tournaments and involvement grow and they represent a significant membership across all our Associations. The future looks bright with research pointing to a longer lifespan with table tennis being well known for its mental, physical mobility and health benefits.

We continued the opportunity for discussion and debate, at the Associations Forum in May, which involved Association representatives and at the President's Round Table later in the year involving Presidents or Vice Presidents depending on availability. The two distinct forums are aimed to involve different representatives from Associations to increase the depth and breadth of ideas and provide opportunity for information exchange, have been well received by the majority of clubs/associations.

Our financial performance and practices have been further strengthened with the implementation of the new cloud based Xero Accounting system at the start of our financial year which is January to December, and the engagement of Jadestone Business Services. Whilst the administration processes payments and issues invoices with a monthly reconciliation, Jadestone provide monthly reporting, to ensure another layer of governance and oversight. This easy to use intuitive software has provided the Board with better reports and again for the third year an Unqualified Audit Report. Following our successful introduction this model has now been taken up by other sports like Netball, Swimming and Calisthenics. We hope to introduce this model to our Associations to try and reduce the burden of their financial accounting practices.

Following years of discussion and negotiation with MSAC, TTV is pleased to report that in agreement we moved forward to take ownership and rebranded the table tennis hall to the State Table Tennis Centre. A capital works grant will see an upgrade of the centre which commenced towards the end of the year with the refurbishment of the umpires chairs and repainting of the hall to commence early in 2015. We will also see some new tables and a table replacement program implemented. We endeavor the inherent lighting issues will be fixed with lighting lowered and different globes replaced also early in 2015. We hope this will go some way towards the criticisms of conditions and bring our players back to our home base at MSAC.

Finally, as part of the Board's succession planning, Phillip Carruthers retired in December following fourteen years as President/Chair, to pass the mantle to the Deputy Chair Kelvin Putt to ensure stability and a smooth transition. Phillip has made a major contribution to our sport, and I would like to thank him and the other members of the Board for their support and guidance.

Table Tennis New South Wales

President – Ted Davis

It is my pleasure to present my first President's Report for Table Tennis NSW.

There have been a number of highlights for TTNSW in 2014

Firstly, I am delighted to advise that the Central Coast Table Tennis Association celebrated sixty (60) years of operation in 2014 and Table Tennis Western Sydney celebrated fifty (50) years of providing organised competition in the Western Suburbs of Sydney. Both Affiliates should be congratulated for their efforts over those periods and we look forward to working with them to ensure their continued success.

Secondly, the Country Championships continue to expand with 54 teams competing in the Championships at Niagara Park. These Championships are a graded team's events which have been hailed by the majority of those participating as a most enjoyable, well run competition. I commend the competition to all country players.

The St George and Sutherland Shire Association should also be congratulated for their efforts in organising one of the most well run Australian Junior Championships in 2014. They were only given the green light to run the Championships four months before the date and they were run like clockwork. There were many innovations at the Championships which should be used in any future efforts. These efforts were recognised in the Australian Parliament where the local member devoted a significant amount of time to the Championships in a speech to the members.

In 2014 we took the step of appointing a Development Officer to assist in the promotion of our sport. The economics of the role have meant that it is currently working mainly in the Sydney metropolitan area however we must consider ways in which this may be expanded state wide in 2015. The Development Officer has been working successfully in a number of areas including

1. Working with the PCYC organisation to expand our membership
2. Working with the Schools network to increase participation in table tennis in schools
3. Contacting a large number of our Affiliated Associations to discuss ways in which Table Tennis NSW may assist them in the running of our game.
4. Restructuring of our website to make it more user friendly.

We ran two Level 1 Coaching Courses at Penrith and the Port Macquarie Table Tennis Club also ran a very successful course in November. I am of the firm opinion that if we wish our sport to progress we need to have as many coaches as possible and these courses are a major stepping stone to achieving this position. Incidentally the NSW Government has passed legislation for all people in NSW who are working with children. At the most recent Council Meeting it was agreed that ALL our coaches MUST provide the appropriate confirmation to TTNSW that they have completed the Working with Children requirements.

Table Tennis South Australia

President – Paul Langley

2014 started off with the Board of Table Tennis South Australia (TTSA) taking a look at its strategic direction and where the sport was heading. The Strategic Plan is an important document that sets Table Tennis South Australia's long term goals and the associated activities that are to be undertaken over the next 12, 24 and 36 months and longer. The 2014 – 2017 Strategic Plan departs from previous plans in that it paints a new vision, purpose, approach and strategic priorities. In formatting the plan, the Board examined the strategic direction of key stakeholders (internal and external) and survey feedback from TTSA's member affiliates.

The 2014 – 2017 Strategic Plan contains some exciting achievable goals and initiatives, and the Board is looking forward to working closely with the South Australian Table Tennis community and key stakeholders to bring the Plan to fruition.

Whilst the Board of Management took on a high performance mindset, and set about identifying long term objectives, equally important was ensuring we engage with the community and recognise and encourage participation. As a result, the 2014 – 2017 Strategic Plan was developed and consists of the following five key components.

- Vision – 'A growing, vibrant South Australian Table Tennis Community'
- Purpose – 'To foster participation of Table Tennis throughout South Australia and promote excellence in performance'
- Values – Integrity, Transparency, Honesty, Consistency, Respect
- Approach - Engage (listen, support, collaborate and inform the Table Tennis community), Advocate (network with stakeholders to be a voice on current and emerging opportunities for Table Tennis throughout the community), Lead (create and develop frameworks that enable all South Australian's access to Table Tennis) and Manage (provide service on all things Table Tennis)
- Strategic priorities – Governance (build and enhance industry standard governance practices throughout the Table Tennis community), Develop (build infrastructure that assists the Table Tennis community in delivering outcomes), Community (encourage and foster community participation) and Continuous Improvement (strive to achieve excellence in all things undertaken).

A copy of TTSA's strategic plan can be accessed via <http://www.tabletennissa.org.au/governance/>

As a result of the strategic plan, an annual business plan was developed with progress measured against these activities. A snapshot on the activities undertaken throughout the 2014 calendar year is captured below:

- reviewed (and subsequently gained member approval) for TTSA's new Constitution which incorporates SA's Office of Recreation and Sport 'best practice' constitution including ASC good governance principles where relevant
- introduced a bi-monthly newsletter 'Table Talk' which was circulated via electronic channels to promote the game – this has been a huge success and one that we will continue to build on in 2015

- ramped up our presence on social media and used this as a tool to engage with our membership base (including a large number of non-members). We have been very successful in this space and will continue to look at ways of leveraging the benefits of this medium to promote the game
- engaged with various stakeholders to advocate for the sport in SA with our national federation and other stakeholders and 'pushed hard' when there was a benefit (positive or negative) to the state and the sport
- attended numerous stakeholder promotions to discuss Table Tennis and raise the awareness and profile of the sport amongst our stakeholders
- continued building and refining our High Performance and Development programs that support our athlete pathways with results at the national juniors in 2014 showing that we are on the right track
- continued presence at schools, both in the metropolitan and regional areas with numerous coaching clinics and come 'n' try days held
- introduced over 3,500 school age children to the game of Table Tennis – this is a staggering amount considering the volunteer base of the state body
- provided a bi-monthly President's update to all affiliate's and other stakeholders to provide them with a snapshot on key activities that the Board is undertaking
- developed a new website with positive feedback received from a number of external stakeholders.

Notwithstanding the above, the TTSA Board recognises that it is only beginning this journey. The Board has taken on an elite athlete's perspective and mind set which focuses on 'setting our short, medium and long term goals and constantly monitor their progress.

It would be remiss of me not to recognise one of TTSA's long standing volunteer members, Ms Cynthia Langley. Cynthia was awarded the '2014 Volunteer of the Year' – a SA Sport award that was presented in front of approximately 1,000 people at the Adelaide Oval. This award recognised Cynthia's commitment to Table Tennis over a long and sustained period of time and is just recognition of her energy and efforts – as a sporting community we can all be proud of this recognition.

The Year Ahead

2015 promises to be a massive year for Table Tennis in SA, we have the Australian Junior Championships, Australian Masters Games as well as supporting the Pacific School Games. This is in addition to our normal activities as well as some other activities that the Board is looking at introducing

Finally, as documented in our Strategic Plan, Table Tennis is very much an activity enjoyed by the community at large, generally as a silent unacknowledged activity played in the comfort of the home, the gymnasiums of the school environment, lunch time table in the work environment or social activity at the local community centre. Acknowledging that, TTSA is excited about the opportunities which exist within the community to bring Table Tennis out of the shadows and we are constantly focusing on encouraging people to get involved and 'jump on the bus'.

Table Tennis Northern Territory

President – John Pudney

Overall membership in Northern Territory table tennis has remained largely stable in 2014-15. Significant ongoing voluntary contributions from officials and parents in both Alice Springs and Darwin Table Tennis Associations have been crucial in maintaining support for junior programs in particular.

The program funding available from TTA, together with funding from the NT Department of Sport & recreation has been put to good use in both Darwin and Alice Springs over the last 18 months and has increased participation at the program level. Thank you to Sue Stevenson for her ongoing support.

A number of additional TOPS coaches have been trained in both Darwin and Alice Springs which should continue to strengthen programs in schools. Mini-tables are now in use in primary school programs in both centres.

Ongoing funding from the NT is now being used in both centres to pay part-time development officers on an hourly basis to work with juniors. It has been particularly encouraging to see the involvement of the best junior players in this program, several of whom have now completed some coaching training.

It remains a challenge to transition juniors involved at the program level to continue as players in the local competition. Achieving an ongoing profile for table tennis in the local media, especially in Darwin also remains a challenge.
