Chairman's Report

Philip Males

I am writing this report as one who has only just assumed the position of Chairman due to the resignation of the previous Chairman, Will Goodier. Will was Chairman for around 12 years and in that time contributed significantly to the advancement of Table Tennis both in Australia and Internationally. We thank him very much for his contribution to Australian Table Tennis and wish him well for the future.

Due to our rapid growth in Australian and Oceania plus our on-going involvement with our Asian neighbours I am pleased to say that all is progressing well, and this is due to the excellent team now in place from Table Tennis Australia and we can look forward to the future with much confidence.

Although only a Board Director for most of the year, I am grateful to my Board colleagues for their confidence in elevating me to this position and I look forward to their continued support, especially as there will be some new faces on the incoming Board to be elected at the AGM in May.

I would also like to thank our many valued volunteers who work hard on committees and sub-committees and others who have helped, advised and supported us throughout the year.

Table Tennis is one of the few sports able to deliver at many levels for many people in the community and we are capitalising on these opportunities. Thank you also to the ASC who recognises our potential and supported us with a very generous participation programme.

Our elite athletes are on track to do well internationally especially with the Commonwealth Games coming up in 2018. The potential of our younger players gives us much hope for the future. Thanks, must go to Sue Stevenson and the High-Performance

Committee for their work and foresight in the Para and Able Bodied arenas. It was gratifying to see our first medallist at the Paralympics in Rio when Sam von Einem won silver in the Class 11 Men's Singles. Also, we must applaud the great effort by Melissa Tapper who was just pipped in 5 games in the Class 10 Women's Singles group stage.

It is the grass roots membership who are the backbone of our sport and we want to work closely with States and Territories, clubs and players to deliver Table Tennis as competitive levels for all ages and all standards.

The CEO, Peter Marriott and previous Chairman, Will Goodier have worked hard over last year to build relationships in Australia and with the ITTF, ITTF-Oceania and Asian countries close to us. We have received greater support from the ASC in our high performance and participation areas plus in Oceania and Asia with our Smash Down the Barriers programme guided admirably by Christian Holtz. Also, as I understand, sponsorship from Non-Government sources is on the up so that is very pleasing.

I am positive that our best times are to come with the Australian Open Championships coming up in June 2017, which is a ITTF platinum series event. A lot of work is going in to this event to ensure it is a success. At this stage, we are still unsure if it will take place but the staff are working very hard with ITTF and external sponsors to work through the various areas of concern to make the event happen.

The stability of Table Tennis Australia over the last number of years has had a big bearing on our ability to source funding and sponsorship as we present a very strong and stable organisation with solid plans in place for growth over the next few years. I look forward to being a big part of that as I start my term as Chairman.

Where we are now is the platform to gain greater achievements and it cannot be done without the co-operation and support of the Table Tennis fraternity in all States and Territories. I will be very grateful for your support and the faith placed in Table Tennis Australia programmes for the future.

Chairman - Philip Males

Chief Executive Officer's Report

Peter Marriott

In 2006 Table Tennis Australia made the decision to bring the Para Table Tennis program under its direct control and 10 years later this decision was justified with our first Paralympic medal in 32 years with a Silver in the Class 11 Men's Singles by Sam von Einem.

The Para High Performance program has continued to perform against all AIS measurements and has become a benchmark program for other sports. This is a great testament to the work of Sue Stevenson and how she collaborates with all of the athletes and their support staff and funding partners. This structure has now been adopted for the High-Performance program and for the first time in many years both the HP and Para high performance programs are working under the 1 HP structure managed by Sue and her team of Coaches.

The Participation program managed by Tiffany Angliss continues to grow despite low funding investment from the Australian Sports Commission. Program numbers under the Sporting Schools Program have continued to be strong and have been managed well by the team of State Development Officers. Unfortunately, due to high turnover of the part time staff and lack of external funding for the positions a decision has been made to finish the SDO project and employ 2 full time Development Coordinators who will share Australia (North – NT, Qld, NSW and ACT. South – VIC, TAS, SA, WA) and work closely with State and Territory Associations to implement National development activities to increase participation and Membership in Australia.

The Pacific Sports Partnership Program (PSP) continued to excel under the leadership of Christian Holtz, the disability program

conducted in Fiji, Kiribati and Vanuatu is still the benchmark across all sports currently involved in the PSP program and now has expended to include Tonga and the Solomon Islands. The program now under the auspices of the Department of Foreign Affairs and Trade (DFAT) has grown in reputation and funding and TTA is now working within the Asian Sports Partnership program (ASP) in Thailand and Indonesia and is expecting to grow into other areas over the next 12 months.

One of the successes of the Para HP program was the use of the new Virtual Interactive Training and Education (VITAE) system during 2016. This system allowed Sam von Einem and his coaches to work virtually face to face from all over Australia in his preparations for RIO. This VITAE system will now be introduced across both programs and all athletes in the National Squads, and will allow the Coaches and athletes to build a tighter bond

A big thank you to all of the States who conducted National Championships throughout 2016, Western Australia hosted the Para Championships, New South Wales hosted the Veteran Championships, Alice Springs hosted the Junior Championships and finally Queensland hosted the National Championships.

I would like to thank the various commercial sponsors of TTA with special mention to our uniform sponsor Shanghai Double

Happiness/Nittaku and to James Ro – RBK Nutraceuticals and Norman Li – Ozcare, without their financial support many of the It goes without saying that all of the work could not be achieved without the efforts of the TTA staff, I would like to acknowledge all of them for their contribution to the sport.

These staff work well beyond what is considered normal hours and need to be acknowledged.

Sue Stevenson National Development and Inclusion Manager

Jens Lang National High Performance Manager/National Head Coach

Christian Holtz Sport for Development Manager

Tiffany Angliss National Development and Marketing Executive

Ryan Wiegand National Event Manager

Caitlin Mitchell Administration and Finance Officer

Roger Massie National Para Head Coach

I would like to take this opportunity to thank Jens Lang for his work over the past 5 years as he now moves to a different phase in his career as the Competition Manager for table tennis at the Gold Coast Commonwealth Games. I would also like to acknowledge the work of Roger Massie who will step down as the National Para Head Coach and move into the newly created role as National Para Pathways Manager. Roger has steered the Para Team through the past 2 Olympic Cycles and has seen many changes to the program.

The Staff however could not do their work without the support of the volunteers and staff in each State and Territory and in all of the affiliated clubs. TTA thanks you for your ongoing commitment to the sport. I would also like to acknowledge the work of the TTA Board and its Chairman for their support of the office staff.

Finally in closing I would like to thank our funding partners the Australian Sports Commission, Australian Institute of Sport, the Commonwealth Games Australia and the Australian Olympic and Paralympic Committees. Their support is not just in financial resources but in guidance on policy and process and unwavering support of our athletes.

Chief Executive Officer - Peter Marriott

Australian Sports Commission Message

John Wylie AM

The Australian Sports Commission (ASC) congratulates our National Sporting Organisations (NSOs) on their achievements this year. In particular, we congratulate all of our athletes who represented Australia in the Rio Olympic and Paralympic Games. You did so with great distinction. The country is proud of your commitment and dedication, and the manner in which you conducted yourself throughout the campaigns.

In the aftermath of the Games, the Board of the ASC has re-committed to the core principles of *Australia's Winning Edge*, the ASC's ten year plan for high performance sport introduced in 2012. The four key principles are: high aspirations for achievement; evidence-based funding decisions; sports owning their own high performance programs; and a strong emphasis on improved leadership and governance. We are confident these principles serve the long term interests of sporting sector. We will also use the experience of the last four years to seek to improve implementation of *Winning Edge* in ways that will benefit the sector.

The ASC is equally committed to increasing community participation in sport, particularly amongst our children and youth. We have been pleased this year to see our flagship participation program Sporting Schools reach over 4,300 schools in partnership with NSOs.

Innovations by the ASC this year included the release of our *Integrity Guidelines for Directors and Leaders of Sporting Organisations*, which provides directors with comprehensive and practical guidance for the first time on anti-doping, sport science and medicine, illicit drugs, match-fixing, child protection and member protection – vital issues for

maintaining trust and respect in the sporting sector.

We also staged our inaugural Athlete and Coaches Forum, giving Australia's elite athletes and coaches the opportunity to share their experiences and enhance their leadership capabilities. And we were delighted to see fruits of our efforts to improve female opportunity in sports, with improved elite and participation opportunities in women's sport, better media exposure, some outstanding new commercial deals, and an increase in female representation at NSO board level from 27 per cent to a 39 per cent across the top 23 NSOs.

Looking ahead, ASC priorities include:

- further institutional and governance reform in sport, with an emphasis on increased national integration and alignment
- increased funding for sport, including new non-government sources of funding
- further embedding sport in schools' educational programs
- improved national coordination of sports infrastructure spending, and
- Improved use of data and technology in sports.

Reforms like this are often hard to achieve but have profound long term benefits. The evermore competitive environment in world sport on display in Rio highlights the critical importance of further reform if Australia is to maintain its proud reputation and traditions as a sporting nation.

It is appropriate to use this opportunity to recognise and thank the efforts of the ASC's outgoing CEO Simon Hollingsworth, who has led the Commission very capably and with considerable effect for the past five years. The ASC thanks all of our sector partners for your effort and contribution to Australian sport. We look forward to continued success and progress together.

Review of Operations

Short and Long Term Objectives

Table Tennis Australia in accordance with its Strategic Plan has identified the following priority objectives to achieve the Vision of the organisation "Lead and enable the development and promotion of Australian Table Tennis".

Short Term:

Ensure efficient and consistent governance of the sport - Strategy: Achieved through the continued review and development and adherence to National Policies, Constitution and Strategy Planning.

Improve communication with Member Associations - Strategy: Achieved through the holding of National Conferences and Presidents Teleconferences.

Increase participation and membership in the sport - Strategy: Achieved through the continued roll out of the Participation Plan designed to increase the number of AWD and CALD participants in the sport as well as improving the capacity of individual clubs to sustain participation growth in the long term. Roll out of the ASC Sporting Schools Program and employment of State Development Officers.

Improve communication and reporting capabilities of the sport - Strategy: Achieved through the continued development and roll out of the National Data Base and website system.

Long Term:

Build a High Performance framework - Strategy: Achieved through the continued development of the National domestic competition landscape, improved pathways for all elite athletes and the development of a high performance culture.

Achieve Podium results at the Paralympic Games and other Bench Mark Events - Strategy: Achieved through adherence to the Paralympic Preparation Program Technical Plan.

Achieve podium results at the Commonwealth Games and improve international standing of our athletes in other Bench Mark Events - Strategy: Achieved through adherence to the High Performance Plan.

Measurements of Success

Management, monitoring and performance measurement of the objectives of Table Tennis Australia occur through detailed operational plans and budgetary processes that are directly linked to the plans of the organisation. Actual performance is monitored quarterly by the CEO while budgetary reports are supplied to the Audit Committee to compare financial budgets to actual expenditure. Operational performance measurements of the ASC funded programs are monitored every six months by the respective program manager of the ASC along with operational staff.

Principal Activities

The principal activities of the company during the financial year were in line with the policies, regulations and by-laws of the organisation and can be categorised in four main key result areas;

1. Governance
2. Participation and Development
3. High Performance
4. Operations

The following activities were undertaken in pursuit of the 4 key result areas noted above. Continued review and updating of policies including but not limited to a review of the Membership Protection Policy (improved governance).

Continued roll out of the Participation Plan to increase participants in the CALD and AWD sectors of the community. Implementation of the Sporting Schools Program as a major element of the participation plan. 68,634 participants reported to ASC as at 31/12/2016 (increased participation in the sport).

Commencement of preparations towards the new High Performance Structure to lead the sport to attainment of podium results at the 2018 Commonwealth Games (High Performance).

Maintenance of a National Office and staff in key management areas (Operations).

Operating Result for Financial Year

The operating result as set out in the financial statements of the company for the 2016 financial year amounted to a consolidated profit of \$42,232.35. This is the second year that the results of Table Tennis Australia Ltd and Pelican Sport Development Pty Ltd have been consolidated into one set of accounts. The operating result for the previous financial year (2015) was a deficit of \$54,738.87

Significant Changes in the State of Affairs

No significant change in the company's state of affairs occurred during the year.

Events Subsequent to the End of the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in future financial years.

TABLE TENNIS AUSTRALIA LTD
CONSOLIDATED
49 147 023 069

Environmental Regulation

The company's operations are not regulated by any significant environmental regulation under a law of the Commonwealth or of a State or Territory.

Dividends

No dividends are permitted to be paid or declared under the company constitution.

Indemnification of Officers

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been an officer or auditor of the company.

Proceedings on Behalf of the Company

No person has applied for leave of court to bring proceedings on behalf of the company or intervene in any proceedings to which the company is a party for the purpose of taking responsibility on behalf of the company for all or any part of those proceedings.

The company was not a party to any such proceedings during the year.

Remuneration

As an employee of Pelican Sport Development Pty Ltd (an entity controlled by Table Tennis Australia Limited), William Goodier has received payment for management services rendered to that company. These payments are shown as consultancy fees in the audited financial report of Pelican Sport Development Pty Ltd

Members Liability

In accordance with the Constitution of the company each voting member must contribute to the company's property if the company is wound up while they are a member or within one year after their membership ceases to a maximum amount of \$20. No other member class must contribute to the company's property if the company is wound up.

Auditor's Independence Declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page eight.

Signed in accordance with a resolution of the Board of Directors dated: 1st May 2017

Philip Males

A handwritten signature in black ink, appearing to read "Philip Males", written over a horizontal line.

David Wilson

A handwritten signature in black ink, appearing to read "David Wilson", written over a horizontal line.

**AUDITORS' INDEPENDENCE DECLARATION
UNDER SECTION 307C OF THE CORPORATIONS ACT 2001
TO THE DIRECTORS OF
TABLE TENNIS AUSTRALIA LTD**

We declare that, to the best of our knowledge and belief, during the year ended 31 December 2016 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

The financial statements cover the business of TABLE TENNIS AUSTRALIA LTD CONSOLIDATED and have been prepared to meet the needs of stakeholders and to assist in the preparation of the tax return.

Comparatives are consistent with prior years, unless otherwise stated.

1 Basis of Preparation

The Company is non-reporting since there are unlikely to be any users who would rely on the general purpose financial statements.

The special purpose financial statements have been prepared in accordance with the significant accounting policies described below and do not comply with any Australian Accounting Standards unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

2 Summary of Significant Accounting Policies
Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

Plant and equipment

Plant and equipment are measured using the cost model.

Depreciation

Property, plant and equipment excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

Leased assets and leasehold improvements are amortised over the shorter of either the unexpired period of the lease or their estimated useful life.

**TABLE TENNIS AUSTRALIA LTD
CONSOLIDATED
49 147 023 069**

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016**

Financial Instruments

Financial instruments are recognised initially using trade date accounting, i.e. on the date that company becomes party to the contractual provisions of the instrument.

On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They arise principally through the provision of goods and services to customers but also incorporate other types of contractual monetary assets.

After initial recognition, these are measured at amortised cost using the effective interest method, less provision for impairment. Any change in their value is recognised in profit or loss.

The company's trade and most other receivables fall into this category of financial instruments.

Significant receivables are considered for impairment on an individual asset basis when they are past due at the reporting date or when objective evidence is received that a specific counterparty will default.

The amount of the impairment is the difference between the net carrying amount and the present value of the future expected cash flows associated with the impaired receivable.

In some circumstances, the company renegotiates repayment terms with customers which may lead to changes in the timing of the payments, the company does not necessarily consider the balance to be impaired, however assessment is made on a case-by-case basis.

TABLE TENNIS AUSTRALIA LTD
CONSOLIDATED
49 147 023 069

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that do not qualify for inclusion in any of the other categories of financial assets or which have been designated in this category. The company's available-for-sale financial assets comprise listed securities.

Purchases and sales of available-for-sale investments are recognised on settlement date.

Available-for-sale financial assets are measured at fair value, with subsequent changes in value recognised in other comprehensive income.

Gains and losses arising from financial instruments classified as available-for-sale are only recognised in profit or loss when they are sold or when the investment is impaired.

In the case of impairment or sale, any gain or loss previously recognised in equity is transferred to the profit or loss.

Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

Impairment of Non-Financial Assets

At the end of each reporting period the company determines whether there is an evidence of an impairment indicator for non-financial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is the present value of the future cash flows expected to be derived from an asset or cash-generating unit.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss, except for goodwill.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016

Employee Benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cash flows. Changes in the measurement of the liability are recognised in profit or loss.

Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

Revenue and Other Income

Revenue is recognised when the business is entitled to it.

All revenue is stated net of the amount of goods and services tax (GST).

Sale of goods

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and the cessation of all involvement in those goods.

Interest revenue

Interest revenue is recognised using the effective interest rate method.

Rendering of services

Revenue in relation to rendering of services is recognised depends on whether the outcome of the services can be measured reliably. If this is the case then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period. If the outcome cannot be reliably measured then revenue is recognised to the extent of expenses recognised that are recoverable.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2016

Other income

Other income is recognised on an accruals basis when the company is entitled to it.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the balance sheet.

Cash flows in the statement of cash flows are included on a gross basis and the GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the taxation authority are classified as operating cash flows.

Comparative Amounts

Comparatives are consistent with prior years, unless otherwise stated.

Where a change in comparatives has also affected the opening retained earnings previously presented in a comparative period, an opening statement of financial position at the earliest date of the comparative period has been presented.

DIRECTORS' DECLARATION

The directors have determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies described in Note 2 to the financial statements.

The directors of the company declare that:

1. The financial statements and notes, as set out on pages 1 to 18, present fairly the Company's financial position as at 31 December 2016 and its performance for the year ended on that date in accordance with the accounting policies described in Note 2 to the financial statements; and
2. In the directors' opinion, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Director: 

Philip Males

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF TABLE TENNIS AUSTRALIA LTD
CONSOLIDATED
ABN 49 147 023 069**

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of TABLE TENNIS AUSTRALIA LTD CONSOLIDATED, which comprises the balance sheet as at 31 December 2016, the income statement for the period then ended, statement of changes in equity and cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In Note 1, the directors also state, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards (IFRS).

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this auditor's report.

Auditors' Opinion

In our opinion:

- (a) the financial report of TABLE TENNIS AUSTRALIA LTD CONSOLIDATED is in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the company's financial position as at 31 December 2016 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001; and
- (b) The financial report also complies with International Financial Reporting Standards as disclosed in Note 1.

States & Territories Reports

ACT Table Tennis Association

President – Bryan Harper

Membership Levels

At the end of 2016, there were about 340 members (excluding Schools Program players); which was about 80 more than at end of 2015 (and about 40 more than at end of 2014). This remains a high participation rate (per capita) of membership for table tennis for an Australian territory or state, and well above the participation rates of the larger States.

Activities of Board

Key activities of TTACT included overseeing the usual operational activities of competitions, seniors and juniors activities, conduct of local championships, and participation in local and inter-State events. Some of the other activities undertaken by the Board included:

- further development of documentation on some policies, procedures and position descriptions; with a view to undertake more work in this area in 2017;
- attendance at governance courses (by some Board & some sub-committee members);
- establishment of some new sub-committees to support the activities of TTACT;
- partnership with Table Tennis Australia for a part-time Development Officer for A.C.T.;
- preparation and adoption of a Junior Development Strategy;
- introduction of a specific Junior competition;
- further work toward the upgrade of the TTACT website;
- continuing to promote table tennis at the Tuggeranong Archery Centre as an objective under the A.C.T. government funding arrangement for TTACT;

- some further work on organising, indexing and archiving of financial records, and administrative records.

Of course, with limitations of financial and volunteer resources, it takes time to undertake various activities and projects; and as an organisation, we need to appreciate these constraints and put them into perspective. Nevertheless, it is important that we continue to utilise the skills and experience of our many volunteers, and to encourage and recognise this participation. Many of our members are aware of some active volunteers who have made significant contributions in 2016.

The Board has been work to enhance governance in recent years, however, this work is ongoing in nature and will required ongoing education and practice into the future so that the organisation can gain long term benefits.

Sub-Committees

The Sub-Committee structure which was introduced in recent years, was continued during 2016, and was advantageous to Board operation. Consideration will be given to the implementation of some new sub-committees in future. On behalf of members and the TTACT Board, I thank all volunteers who contributed to work on sub committee's activities during 2016.

Development Officer for A.C.T.

A part-time Development Officer for Table Tennis in the A.C.T. (Mark Ferris) was active for much of the calendar year 2016; but he resigned for family reasons in mid-August 2016. We thank Mark for his efforts since his appointment in October 2015. Activities of the position included:

- promotion of table tennis in Primary Schools (via the Sporting Schools Program);
- general development and promotional activities in the community, including at secondary schools and universities;
- other activities for the promotion and increased participation in table tennis in the A.C.T.

We also thank TTA for the funding made available for the Development Officer.

Promotional Activities

Please see the table at the end of this report for the various Promotional Activities that TTACT conducted during 2016.

Special thanks go to the various volunteers who made the above activities possible - particularly Rosanna Horn, who was actively involved in most of the promotional events.

Schools Program

The schools program continued during 2016, but without a dedicated Schools Program Co-ordinator. The Development Officer (Mark Ferris), together with other volunteers, carried on various activities for schools. TTACT was unable to recruit a dedicated Schools Program Co-ordinator in 2016.

The Annual Year 7 to 10 Championships were held in August 2016 at the Tuggeranong Archer Centre for the first time, and the numbers of entries considered to be the largest for many years. Teams were entered from 7 schools. We thank Mark Ferris, Rosanna Horn, Song Chen (together with some other volunteers) for their efforts in planning and running the championships.

A Primary Schools Championships was conducted in December 2016 with entries

from 5 schools. This is the first time for many years that TTACT has conducted a Primary Schools Championship. Special thanks go to all

volunteers, particularly Arthur Wilks, Rosanna Horn, Jan McKenzie, and some parents (of participating TTACT juniors) for planning and running the event.

AWD (Para) Program

The AWD Program was again co-ordinated and managed by Rosanna Horn with a group of dedicated volunteers. We thank Rosanna and her team for their continuing work.

Junior Training and Development

Junior development and coaching continued throughout 2016, with coach Quy Cao leading the program with some other volunteer coaches (including Larry Lim and Wen Ung), with the main activity being training and coaching on Saturday afternoon working with several juniors over much of the year. Special thanks to those coaches, also to Song Chen for their support of this program.

The Board aims to continue to establish improved links with the Schools Program as a conduit for increased participation by juniors, and as a means of identifying talented junior players who may wish to receive further training and coaching.

Seniors' Group

Strong interest in social and informal competition by local Seniors (over 50's) players has continued throughout 2016, with significant numbers of players on three or four weekday mornings in most weeks. With many new players, and large numbers, it was often necessary to restrict the length of matches to facilitate rotation of players.

In February 2016, TTACT hosted a visit from 'Seniors' Teams of the Kiama Table Tennis Association who played against ACT teams at the Kingston Centre. There was discussion about a reciprocal visit by TTACT players to Kiama in future.

Senior players value the opportunity to continue playing a sport which they enjoy in a comfortable environment which assists them to remain active whilst maintaining social contacts.

Local Championships

A.C.T. Closed Championships (Kingston Table Tennis Centre) 16 & 17 July 2016

A reasonable number of entries was received, and the Championships were conducted successfully.

Again, special thanks go to key volunteer's instrumental in organising and running the event.

A.C.T. Open - not held in 2016

The event was not held for the first time in several years, largely due to difficulties of low entries arising from an unforeseen clash with a major tournament in Sydney. TTACT will take this into account in planning an event in 2017.

Participation in Australian Championships

Australian Para Championships (Perth)

15 – 19 April 2016

- Patrick Horn (TTACT) and Jake Ballestrino (VIC) - Presidents team: Bronze medal.

Australian National Championships (Tweed Heads):

24 Sep – 1 Oct 2016

- Only TTACT participant was Rohan Dhooria (President's Team)

Australian Junior Championships (Alice Springs):

2 – 9 July 2016

- Rohan Dhooria (President's Team); Max Kennedy (President's B Team)

Congratulations go to Rohan Dhooria in finishing 2nd in the Order of Merit in the Under 18 Boys.

Australian Veterans' Championships (Sydney):

15 to 22 October 2016

A.C.T. entered 16 players across 6 teams over a number of age groups ranging from Over 40's, Over 50's, Over 60's and Over 80's Men's; and one woman in the Over 50's President's Team.

Congratulations go to the following:

- Noel Hart – 10th in Order of Merit in Over 80's Men
- Wen Ung – Bronze Medal in Over 60's Men's Singles

Tuggeranong Archery Centre (Greenway)

- TTACT continued to hire the venue on Sunday afternoons from 1 to 4 p.m. to promote table tennis participation (as a key outcome of the Government funding to TTACT)

- session play is attracting new players, and new members

- Free group coaching program at Tuggeranong – this initiative started in the latter half of 2015, was continued throughout 2016 using volunteer coaches, and introduced new players to the venue and to TTACT, and continued to enhance participation at our second venue at the Tuggeranong Archery Club

Thanks go to various volunteers who assisted by acting as Duty Officer during the year, particularly:

- Chris Jenkins, Rosanna Horn, Patrick Horn; and

- Riyan Cheng – who frequently assisted with setting up and demonstrating the use of the Robot ball machine for players.

Competitions

TTACT successfully conducted two pennant competitions during 2016.

Awards for Volunteers

In an organisation such as Table Tennis A.C.T., volunteers are crucial to the management and operation of the Association for the benefit of members. Accordingly, TTACT has various Awards, some of which were established some years ago (and others added later) to recognise each year the contribution of volunteers. It is with pleasure that I record the following award recipients:

Volunteer of the Year (PAT KEANE TROPHY): Patrick Horn; and Quy Cao

- Patrick Horn undertook various activities of coaching of AWD players at some ACT schools, and also at the Kingston Table Tennis Centre. He also assisted as a volunteer in various promotional events for table tennis.

- Quy Cao undertook the role of Co-ordinator of Junior Coaching, and assisted with the planning and operation of Junior competitions.

President's Trophy: Sam Miller (for outstanding contribution to TTACT)

- Sam Miller was a member of the Board, and the Competitions Sub-Committee. He also assisted as a member of organising committees for championships and other key events, and performed the role of Referee at various events. He also was a volunteer on many other activities.

Leadership Award: David Swanton (for leadership contribution to TTACT)

- David Swanton made a significant contribution to leadership in governance pertaining to TTACT Board business, including active participation in governance issues, and provision of advice on processes for Board meetings and business.

Special Award: Rosanna Horn; and Sam Esposito (for overall contribution to TTACT)

- Rosanna Horn was a Board member (as Communication and Marketing Director); also led and co-ordinated the AWD Program; co-ordinated and participated in various promotional events; and assisted with a variety of administrative tasks; and was Duty Officer at Tuggeranong Archery Centre on several occasions.

- Sam Esposito undertook the role of Competitions Director (for a second year); undertook a significant number of tasks for Board business; and undertook the role of Membership Secretary while the position was vacant.

Other Awards

Most Improved Player (TERRY MANSELL TROPHY): Archie Webb

This award recognises the most improved player based on the change in competition players' rankings over the calendar year. Junior player, Archie Webb, was the most improved over 2016.

Special Achievement Award: Sam Miller

Although this award often recognises special achievement in table tennis events, in 2016 it also recognises special achievement as an Official. Sam Miller undertook various activities as an Official at National and

International Events; and made a significant contribution to TTACT activities. As a result, he received the award of Young Official of the Year for 2016 from Table Tennis Australia.

Special Achievement Award: Rohan Dhooria

Following outstanding results in the National Under 15 age group; Rohan has continued with further significant results in the Under 18 age group in 2015, and 2016. With a National ranking of No. 4 in (Under 18 Boys) in 2016, he was selected to attend the World Junior Championships played in South Africa in December 2016. He also achieved an Order of Merit of no. 2 (Under 18) in other Australian events. Other significant results included: Winner Mens Open Singles Championship of Fiji; and Winner NSW Under 21 Mens Singles.

External Awards to members

Arthur Wilks: Was awarded Life Membership of Table Tennis Australia at the Annual General Meeting held late April 2016. This is the first TTA Life Membership awarded to a member of TTACT.

Glenys Joliffe: Was awarded the Order of Australia Medal (OAM) in January 2017 in recognition of her extensive service to table tennis and the community.

Sam Miller: Was awarded Young Official of the Year 2016, by Table Tennis Australia in January 2017; in recognition of his work as a young official in a table tennis capacity in 2016.

Funding from A.C.T. Government

TTACT was fortunate to receive funding from the A.C.T. Department of Sport and Recreation in 2016 (the third year of a tri-ennial grant), and we are again thankful for this support.

Outlook for 2017

Key activities for TTACT in 2017 are expected to focus on, and include, the following:

- further develop its pool of active volunteers for the benefit of the Association;
 - a continued emphasis on junior development;
 - further liaison and partnerships with schools and the community;
 - ongoing work for the enhancement of the TTACT website;
 - further work is envisaged on investigation of various options for improvement of player facilities and venues;
 - a continued drive for improved governance and documentation of procedures; and
 - benefits are expected to arise from continuing the process of development of existing and new Sub-Committees to assist with various projects and activities for the Association.
-

On behalf of TTACT members, and the Board of TTACT; I sincerely thank all members for their ongoing participation and support. Since taking on the role of President, I am continually reminded of the efforts of many volunteers; and hope that their contributions further inspire new volunteers to become involved.

I also wish to acknowledge Song Chen for his ongoing contribution during 2016 – his efforts frequently go beyond his formal role as Centre Manager - extending to many occurrences of acting in a voluntary capacity.

There are also many volunteers who provided valuable contributions via Sub-Committees; or as volunteers in a variety of roles – we are particularly indebted to you. This work is not

only important to the Association, its members and the Board; it provides valuable experience which may be of great benefit to governance of TTACT in future.

Special thanks are also extended to my colleagues on the TTACT Board for their contributions and support over 2016, as follows (in alphabetic order):

Sam Esposito; Rosanna Horn; Jan McKenzie; David Swanton.

Promotional Activities

Date	Event	Equipment/Promotion Used
20 March	<i>Connect & Participate</i> (CAP) Expo 2016, (at Bus Depot Markets, Kingston)	2 tables, robot, volunteers from TTACT

2,3 August	Year 7 to 10 ACT Secondary Schools Championships (Tuggeranong Archery Centre)	10 tables (Official and volunteers from TTACT)
12 September	Just Play Gala Day – (ACT School Sport Program (held at Netball Centre, Lyneham)	2 tables TTACT volunteers, flyers
6 December	ACT Primary Schools Championships (held at Mount Rogers Primary School)	6 tables (Officials and volunteers from TTACT)

On behalf of TTACT members and the Board, special thanks go to many other volunteers who supported the Association in many ways.

Table Tennis Northern Territory

State Delegate – Graham Symonds

TTA and TTNT jointly employed a PT Development Officer for 20 hrs/week during 2016, each paying for 10 hrs/week. The 2016 Sporting Schools program in the NT was very successful, involving over 1,200 children and 13 primary schools. The challenge will be to convert some of these children into local club members through “transition” programs in the first half of 2017.

It is important to maintain the momentum achieved with Sporting Schools programs in primary schools as having table tennis tables in schools and having PE teachers who have a positive view of table tennis are both key ongoing factors in boosting junior participation in table tennis.

The PT Development Officer position assisted TTNT to provide increased support to local clubs and to assist with the provision of organised junior programs at the local level. The Development Officer was also able to deliver TOPS Coach training in both Darwin and Alice Springs, boosting the number of coaches available to assist with junior programs.

During 2016, TTNT unsuccessfully attempted to start local clubs in both Palmerston and Katherine. A key barrier encountered was the difficulty of securing ongoing access to suitable playing facilities. Indoor sporting facilities were scarce and schools which had suitable facilities did not have adequate storage for table tennis tables. Clearly there is a need for greater policy co-operation and co-ordinated planning between the Sport & Recreation Department, schools and local councils in the provision and use of sporting facilities. We will persist in our efforts to establish clubs in both locations.

The Territory hosted the 2016 Junior National Championships in July. The Championships

were conducted very successfully and were a credit to the Alice Springs Table Tennis Association and the officials involved. Jacob Moore and Max Duffell both won silver medals, Jacob in under 18 boys doubles and Max in under 13 mixed doubles.

The new NT Government elected in August committed to re-establishing the Arafura Games in 2019. The last Games was held in 2011 and included a Factor 20 AWD event which attracted strong teams from Asia. Plans for the 2013 able-bodied program had included a junior competition with world ranking points to attract more consistent participation from Asian countries. The format of the 2019 Games has not yet been decided but TTNT have proposed to focus the able-bodied program on juniors and to re-establish the AWD Factor 20 event.

In 2016, the NT received an invitation to participate in the 9th BIMP-EAGA Games in East Kalimantan in Indonesia. The NT sent teams in 6 sports including a Table Tennis of 4 juniors. Jacob Moore and Sonny Cartwright made it through to the quarter finals in the boys singles.

Elfrida Kalich was rewarded for consistent top 4 rankings in Australian Veteran's over 60 women's events by selection in the Australian team for the test with New Zealand in April 2017.

In addition to the Sporting Schools program, 2016 saw an increased level of participation in table tennis in the NT. The challenge is to sustain, on a largely voluntary basis, the development activities and junior programs essential to enable table tennis to achieve the “critical mass” necessary for ongoing financial viability.

Table Tennis Queensland

President – Trevor Barrett

This report represents a summary of various activities involving Table Tennis Queensland, its individual members and member associations during 2016. The following pages outline the developments in the numerous aspects of our organisation.

I would like initially to formally acknowledge the contributions of our Executive Officer (Jason Walsh) and Administration Manager (Karen Carruthers) over the past year. Once again both Jason and Karen have contributed significantly to Table Tennis Queensland during 2016, again often exceeding the requirements of their employment, and we thank them for their efforts. I would also like to thank all members of the Board for your voluntary contributions to the management of Table Tennis Queensland during 2016.

During 2016 The Board also reluctantly accepted the resignation of Danny Lloyd, a long-time Board member, Vice President of TTQ, and strong supporter of Queensland table tennis. Danny resigned his position due to work commitments, and the Board is very appreciative of, and publicly acknowledges the significant contribution made by Danny over many years. Danny was replaced as Vice President by Steve Mitchell, and we were also pleased to welcome Martin Solomons to the Board as a Southern Board Member.

In terms of staffing, we were disappointed recently to lose Patrick Wuertz, our State Director of Coaching and High Performance to a private coaching role in Victoria, and I would like to take this opportunity on behalf of the TTQ Board to thank Patrick for his efforts around the state during 2016, and wish him well in his future endeavours.

State Development Officer Greg Fox continued to implement the Sporting Schools program across Queensland and assisted clubs with various other participation initiatives. This included a number of successful Come and Try days and Totally Table Tennis programs. This position is funded by Table Tennis Australia, and TTQ would like to express our gratitude to TTA for their support in this area.

After a successful year as Patron in 2015, we were delighted to see the Honourable Leanne Donaldson, State Member for Bundaberg, once again accept the role of Patron of Table Tennis in Queensland. Leanne has again been active in attendance at many events during 2016 and we thank Leanne for her continuing support of our sport.

In relation to events, we have once again, in association with various member clubs, successfully staged several major tournaments along with numerous local Association Open events across the state during 2016. Particular thanks must go to the Gold Coast association for hosting the QLD Closed, Brisbane for hosting the Queensland Juniors and Brisbane/Queensland Open, and Townsville for holding the QLD Vets. It was particularly pleasing to see the numbers of competitors at all of these events being quite high, reflecting the significance of these events in relation to eligibility for selection in Queensland representative teams.

We have also once again seen the continuing development of the annual women's event at Moreton Bay as well as a new women's event in Townsville, both of which were very successful. The emergence of other Veteran's tournaments in different locations around Queensland adds even further interest to our tournament calendar, and significant thanks

must go to the organising committees and volunteers from the various associations who have supported and promoted all of these events.

Our QLD Schools event continues to succeed with the 2nd state final being a resounding success with participants from Rocky, Bundy, Mackay, Warwick and other parts of the state competing. The Para event also saw a slight increase from the inaugural event last year. TTQ are committed to both events for the future.

Finally, the end of 2016 also saw the Pan Pacific Masters Games being held on the Gold Coast, this being the first time table tennis was been included for 10 years. While numbers were lower than we might have hoped for, it was pleasing to see table tennis return to the Games, and hopefully we can build on the event in future years.

In terms of membership, 2016 saw our overall numbers of registered players reaching 1790, this being again an increase on the previous year's membership of 1710. Again, within our member associations we have seen both increases and decreases in membership, which is obviously to be expected and the reasons vary from club to club. Like any sport, we have other organisations actively competing for our membership, and we need to be active in ensuring that we are offering a service that is appealing to all of our members if we hope to retain them. Obvious areas of focus for all clubs are Junior development, and steadily increasing the numbers of female players, and it also goes without saying that we need all clubs to be accurate in the reporting of membership given its direct relationship to the securing of funding and sponsorship.

In an effort to provide a more quantifiable and transparent system for rankings, TTQ has been trialling during 2016 a new system where

points are allocated to players for participation and performance in events during the year. The outcomes of this trial have been provided to Selectors for their consideration and feedback so that appropriate modifications can be made, and the revised system, prior to full implementation. In the long term we would like to see a system in place that encourages participation and performance in Queensland based events.

The system should also provide a clear justification for published Queensland rankings, and it will allow selectors to focus on team selections, which is and should be their primary role. Many thanks to Steve Mitchell, Jason Walsh and Danny Lloyd for the work they have done on this system so far. There will no doubt be some teething issues with the new system during 2017 but the Board is confident that in the long-term this system will be of significant benefit to table tennis in Queensland.

Player achievements in 2016 were considerable, and I would however like to make mention of a few notable performances. Without doubt our U18 Boys Team of Jake Duffy, Benjamin Gould, Mateo Dvorani and Fred Xu had an outstanding year being named the Queensland Junior Sport Team of the Year at the Queensland Sports Awards, reflecting their Gold Medal team success at the Australian Championships, and numerous other achievements. Jake Duffy was also nominated for Queensland Junior Sport Star of the Year.

Other notable successes the under 21 Men's team won the National title at Seagulls, Tweed Heads. Also Matilda Alexandersson securing the U15 Girls singles championship at the Australian Juniors in Alice Springs, and Benjamin Gould winning the National Junior Top Ten Tournament. Jake Duffy won every gold medal available in the under 18 age group

at the nationals. While both Jake and Benjamin went on to represent Australia at the World Junior Championships in South Africa. Such player successes obviously reflect years of dedication and training but I am sure the players would

agree that thanks must also go to all of our parents, team managers and coaches for the great job they have done in supporting our players.

Finally congratulations must go to Andrea McDonnell from Townsville who represented Australia at the Rio Paralympics in September. Truly an amazing achievement that Andrea will remember for the rest of her life.

In the officiating area it was great to see Will Almasi, Lukas Kozak, Mark Patane and Zark Roksandic achieve their International Umpire accreditation. Further in this respect, the Commonwealth Games Federation, in conjunction with the International Table Tennis Federation, have recently advised pre-selection of umpires for the Commonwealth Games, and Queensland is well represented in this announcement by Anthony Jeffress, Will Almasi, Lukas Kozak, Mark Patane, Zark Roksandic, Greg Dinsey, Kameron Chan, Nicole Udall, Andrew Martin and Kenneth Wong as pre-selected umpires, and also John Sherriff as reserve umpire. Congratulations to all umpires on their pre-selection. Dave Delpratt is also to be commended for his appointment as a Deputy Referee for the Rio Olympics in September. Finally special mention to Zark Roksandic was recently named the Fran Keyhoe Table Tennis Australia official of the year for 2016.

Patrick Wuertz conducted a number of coaching courses throughout 2016. This included Tops courses in Townsville, Brisbane, Wynnum and the Sunshine Coast. Level 1 courses were conducted in Townsville and the

Sunshine Coast. Overall the courses were very well subscribed, the course participants are now in the process of completing the requirements to attain their accreditation.

New umpire course presenter Will Almasi conducted two state umpire courses, these being in Townsville and Moreton Bay. These courses coincided with a national umpire course in early January 2017, a number of these participants have been identified to umpire at the Commonwealth Games in 2018.

The state-wide elite junior training program was introduced in 2016. This provided junior players the opportunity to train in three regional centres (Northern, Central & Southern) on a regular basis. This program will again continue in 2017 with further expansion planned.

Relationships with disability providers such as Lifestream Australia continued to expand in 2016. This saw participation events conducted in Ipswich and Brisbane to provide opportunities to individuals with an intellectual disability. The special olympics continued to conduct regular events throughout the year. This has been capped off with the exciting news that table tennis will be part of the State Special Olympics games in 2017 on the Sunshine Coast.

There was an increase in the number of subscribers to the TTQ newsletter 'Over the Net' again in 2016. There were 9 issues of the newsletter throughout the year. The newsletter included an increase in summary of outcomes from TTQ board meetings to ensure transparency on updates and decisions. TTQ is endeavouring to continue the current format in the coming years to maintain the increased level of communication with our associations and members.

The TTQ website and event online registration system were maintained with minor changes

made to ensure they were user friendly. The website and facebook pages continued to grow in terms of visits and followers respectively.

Table Tennis Queensland is in a sound financial position. Looking forward we have been able to secure a healthy increase in recurrent government funding for the next triennium along with a significant grant to assist in the development and staging of major events in regional areas of Queensland. The funding that has been provided will enable enhancement of the services that we are able to provide to our membership across the state, as well as improving our facility to deliver high standard events and training that will ultimately lead to further development of the sport of table tennis in Queensland.

We are very confident that as a consequence of the funding that has been provided we will be able to deliver very successful 2017 - 2019 Queensland State Junior, Youth, Senior and Veteran Championships, as well as the 2018 National Juniors event in Queensland. It will also enable us to deliver more regionally based tournaments, regular high performance training hubs for junior players, improved coaching standards, and further promotion of the sport in schools.

On behalf of the Board and membership of Table Tennis Queensland I am pleased to express our sincere gratitude to the State Government for the funding that has been provided to our organisation under the previous Queensland Sport and Recreation Industry Development Program 2014-2016.

In advance thanks must go to Queensland Governments ongoing support through the State Development Program 2017-2019 and the Special Initiatives Funding related to our Championship Events application, also for the 2017-2019 triennium. I would also like to express sincere thanks to our Executive Officer (Jason Walsh), Administration Manager (Karen Carruthers), Treasurer (Joe Clifton) and other members of the Board of TTQ for your efforts in the management of our financial affairs during 2016.

To conclude, on behalf of the Board I would like to thank all members of Table Tennis Queensland for your contributions to our sport during the past year. It has been a very successful year, and with the upcoming Commonwealth Games and other international events in Queensland, we have plenty to look forward to in 2017 and beyond.

Table Tennis South Australia

President – Paul Langley

Table Tennis South Australia ('TTSA') participated in a follow up stakeholder survey facilitated through the Office of Recreation and Sport ('ORS'). This was the second of such surveys undertaken with the first being completed in 2013. The outcomes from the 2013 survey enabled TTSA build its Strategic Plan with initiatives focussed on enhancing and improving performance.

In March/April 2016 a follow up survey was co-ordinated by ORS and was required to be completed by all State Sporting Organisations in SA once again with the outcomes showing a significant improvement from 2013 (with outperformance when compared to other sports of a similar and larger size). This was a fantastic outcome from a true volunteer organisation.....

2016 Performance Metrics

TTSA measures its performance against the four key pillars of its strategic plan (Governance, Performance Pathways, Participation and Advocacy/ Engagement). Below is a high level snapshot of TTSA's activities as captured in its strategic plan and annual business plan:

- Introduction of SportsPass online membership cards
- Successful ORS grants to develop a program that links schools to junior pathway and an increase in Para funding
- Developed resources for all affiliates (including policies and other manuals)
- Sam Von Einem qualified for the 2016 Rio Para Games and obtained a Silver medal as well as being named Para Athlete of the Year

- Selection of a number of juniors and para athletes in Australian Junior Teams and National Squads

- Continued improvement in results at National Championships by all age groups and segments as well as the introduction of a revised junior pathway to align to Table Tennis Australia's ('TTA') FTEM model

- Created Emerging Athlete and Junior Development squads with the continuation of the High Performance squad. Created a relationship with UniSA to provide sport science, biomechanical and exercise planning and testing

- Provided a Tops and Level 1 coaching course with record numbers attending and TTSA subsidising the cost of the course for the attendees

- Recorded 657 officiating hours undertaken by 16 active accredited officials

- Reinvigorated the SA Country Carnival with a 70% increase in participation numbers

- Successful engagement with schools as part of the Sporting Schools program with continued increase in participation numbers being recorded from affiliates

- Developed and released TTSA's App (available to all affiliates at no cost) and continued with the roll out of 'Table Talk' (electronic distribution) to promote and update the community on Table Tennis events and articles of interest.

In addition to the above, we had Cynthia Langley being awarded an Order of Australia (OAM) for her services to sport and Table Tennis in particular and Glenn Errington named as Sport SAs Official of the Year (across all sports).

Areas of Focus for 2017

Since 2013 the primary focus of TTSA has been on getting the basic structures right i.e. replace the Constitution, develop new policies, change the board composition, consider board renewal and risk diversification etc. Effectively the focus has been on the governance framework and enhancing relationships with key stakeholders. This has largely been achieved with the results of the ORS survey supporting these improvements.

Moving forward, with TTSA's strategic plan due for review in 2017, the focus will now turn to maintaining good governance practices as well as developing and building on new initiatives to increase participation and engagement with the general community. TTSA has started these activities with a number of pilots being run within 'hubs' late 2016 including:

- Summer Smash Hits program – new program that offers new/junior players the opportunity to take part in a regular weekly competition with their peers of similar abilities from neighbouring clubs and was all inclusive i.e. male, female and Para players.

- Female Only Group Coaching Sessions – new program run by females for females with sessions open to all ages

- Coaching Forums – new program to share ideas, resources, upskill, techniques and other coaching insights

- Community Engagement - continued use of Social Media, identification of networking opportunities, continued presence at metropolitan and regional tournaments and ongoing promotion of the sport via the 'SA Sports Show' (TV show)

- Employment of a Sports Development Officer to focus on community and affiliate engagement and associated activities.

On a sombre note, TTSA would also like to recognise the passing of Mr Fred Whelan. Fred was a former TTSA and Table Tennis Australia President as well as state junior coach for many years. Fred was a fantastic advocate for the sport and spent much of his time developing and encouraging juniors as well as undertaking administration activities for the sport. TTSA's condolences went out to Tina and her family.

Tasmanian Table Tennis Association

President – David Nettleton

2016 was a year of the good and the ordinary I will concentrate on the good, but mention the ordinary first to get it out of the way. Tournament numbers continued to be a low, and some were cancelled as a result. We had fewer players representing Tasmania at National Championships then for many years. There is a low number of juniors who are moving up into the ranks of the required standard for state selection, and a general lack of numbers entering the sport.

However, there are many good things to report. Although we had very few players entered at the National Championships, those who did performed outstandingly well and several medals were won and high placing achieved. David Wilson will elaborate on this in his report, but I would like to offer my congratulations to them on behalf of us all.

We had for the first time in many years a State Council attended by every branch. This meant that all players were represented in the decision-making process of Council, and it is to be hoped that his continues.

We participated in the TTA development programmer, but not without teething problems. The person appointed as State Development Officer resigned soon after his appointment wand was replaced by the Victorian SDO. This was not ideal, but thanks to the effort of Roger Massie, helped by Nick Sakov and Geoff Long a programme was undertaken. This will be followed up in 2017 by programme funded by Sport and recreation under the management of Roger Massie which hopefully with the input of the branches prove success.

We set up a committee to begin the organisation of the 2017 National Junior Championships under the direction of Elaine Wright. This committee has been active in making key decision and arrangements which should guarantee a successful tournament.

We also set up a Strategic Planning Day which was initiated by Geoff Long and endorsed by Council. Al Adams from Sport and Recreation has agreed to be the facilitator at no cost to the association for which we are grateful.

David Wilson and Roger Massie continue to be heavily involved with TTA , and Maureen Sherman is still a fixture on the Rules Committee. Tasmania does its fair share at this level.

We welcomed Nick Sakov as a new director, and he took up the challenge enthusiastically. He also consolidated the University Table Tennis Club which is a promising avenue for new members of the Association.

The State League was held but not without complications due to the muddle over the date of Her Majesty's birthday. However, thanks to David Clark and others at Launceston the situation was resolved and an enjoyable tournament took place at NTTA. Next year we should all be back at the Country Club!

Tournaments were all well run thanks to the Tournament Director, but I would particularly like to thank Daniel Huxtable at NSTTL for taking on the Tasmanian Closed at short notice and running a great tournament.

The Branches in the main had good years and numbers are steady, but there is a developing trend for players wanting to play casually rather than commit to a roster.

I would like to thank all the Directors for another year of successful management of performing the duties of TTTA. I would also like to acknowledge the work done by David Wilson in the collation of this report- a job that takes up a lot of his time and is not part of his portfolio.

I wish all members of TTTA a fulfilling year of table tennis and stress the need to continue to support each other always.

Sadly, I must close with the acknowledgement of the death of Bill Atkinson during 2016. Bill is a Life Member of TTTA and a past Chairman of the Board. Bill was a stalwart of table tennis in Tasmania for many years starting with the STTTA in his University of Tasmania days. Bill was an International Umpire, a NCAS Level 1 Coach, player, team manager, officer and committee member. He was one of the founders of Eastside Table Tennis League and is a life member of that branch. Bill will be remembered fondly by all those who knew him.

Table Tennis Victoria

President – Brett Sonnet

It proved to be a very busy and successful year for Table Tennis Victoria in 2016. The following is a summary of the highlights:

- 53 registered affiliates – an increase of 1 from 2015
- 4454 registered individual members (an increase of 5.6% from 2015) – record membership for the state body
- A record profit of \$91,170 – eclipsing the \$55,539 recorded in 2010
- net equity of \$301,992 – an increase of 43.2% from 2015 and the first time equity of the state body has exceeded the \$300,000 mark
- the appointment of Claire Montgomery and Chrissy Jones to TTV Board
- the appointment of Alexander Morella as the new Administration Officer
- David Powell, Heming Hu, Jian Fang Lay and Melissa Tapper all qualify for Olympic Games held in Rio de Janeiro, Brazil
- Melissa Tapper also qualifies for Paralympic Games held in Rio de Janeiro, Brazil
- Buddy Reid wins World Veteran Championships O/75 Men's Singles final
- Miao Miao wins National Senior Championships Women's Singles final
- Victorian wins team gold medals in National Junior Championships – in the U/13 Boys & U/15 Girls divisions
- Finn Luu wins National Junior Championships U/13 Boys Singles final
- Victoria wins team gold medals in National Veterans Championships – in the O/40 Mens, O/70 Mens, O/75 Mens, O/80 Mixed, O/50 Womens & O/75 Womens divisions
- in the National Veterans Championships, Mick Wright wins O/65 & O/70 Mens Singles final, Buddy Reid wins O/75 Mens Singles final, Lan Zhai wins O/40 & O/50 Womens Singles final and Pam Tait wins O/75 Womens Singles final
- the creation of 2 new Hall of Fames – Country Division (with 14 inductions) and Para Division (with 10 inductions)
- the induction of Ivan Sulfaro into Hall of Fame – Junior Division
- Alan Hopkins appointed as a Life Member of TTV
- a total review of TTV Office administration and operations (including the revision of all by-laws)
- increased content loaded onto TTV website.

TTV has undergone significant reform in the past 2 years – which is starting to pay dividends. There is an increase in membership, player participation at tournaments (including the Victorian Open) and profitability (due to sound economic management).

There is more to be done – no doubt 2017 will prove to be another busy year.

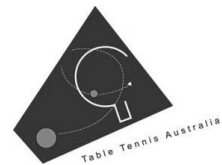

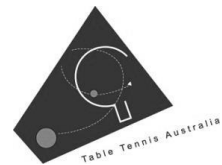

Table Tennis New South Wales

President – Douglas Flood

Western Australian Table Tennis Association

President – Mel Petch

Veterans Committee Report

*Chairperson of National VETS Committee -
Cynthia Langley OAM –*

The appointment of the Committee Members was received on the 3rd May from TTA Board, CEO Peter Marriott.

It was a surprise for the members, who were all new appointments, that no experienced people were included. We needed to do some back ground work very quickly, to address some motions from the previous 2015 State Delegates meeting and we had to familiarize ourselves with the NVC Regulations and Selection Criteria.

The inclusion of the Over 65 Men's Teams in the Match Program was finalized, but left too late to include in the 2016 program. This is now complete and the events will be offered in 2017

In the 2015 minutes:- These changes were approved for 2016 and needed to be included in the Regulations and approved by TTA.

Team Fees: were increased by 3% per player fee and team fees rounded to the nearest dollar.

Individual Fees: be increased for all Singles events by \$2.00 and all Doubles events by \$1.00 per player.

Regulations: needed to be amended to cater for more than 16 teams.

President's players: the recommendation was that the fee for a player in a President's team be the same for each player i.e. one half of the cost of a 2 person team or one third of the cost of a 3 person team.

Our Committee discussed the option of a fifth member to be included in the Committee and we suggested and approached TTA for them to

approve of Ken Cole. Ken's past experience and knowledge of the workings of the NVC, would provide much needed guidance. TTA approved of the appointment of Ken Cole (for 12 months), but due to his health problems he did not participate in many of the meetings.

The National Veterans' Committee introduced the following:-

- At our first meeting it was agreed that a general dedication to all those who had passed away during the year be published in the 2016 National Veterans Championships Program.
- We wanted to acknowledge the performances of the Australian players at the World Veterans Championships so an article was included in the program for the Australian Veterans TT Championships. Thank you to TTA for arranging a shield, which was presented to Buddy Reid (V) for his winning gold in the Over 75 Mens' Singles. (World Veterans TT Championships)
- It was arranged that the results of the New Zealand TT Championships be included in Rating Central.
- Reports for the Veterans World Championships and the National Veterans Championships were published on the TTA website and the Seniors magazine included an article on Veterans Table Tennis in their December issue.

With September looming, between us we needed to do seedings for Teams, work out President's teams, pair up players for doubles and we spent many hours using Rating Central information, state rankings and past performance records for the seedings.

- Since the 2016 Championships, all States have been approached regarding the introduction of Over 80 Men's and Women's teams and individual events for 2017. This has been accepted by the States and Regulations

will be prepared and forwarded to TTA for approval.

- We will be asking the States to supply us with information on seeded players, who have no history, which can assist us in seeding them more accurately.

We have been advised of the 2017 ITTF Approved Pro Tour, with a 2017 Australasian Veterans Open Championship held 3 days before the Pro-Tour. This will attract prize money and VIP passes and tickets.

The players at the 2017 Australian Veterans TT Championships were advised of this and more information will be forthcoming early in the New Year.

Over 400 players competed in the 2016 RBK Mothernest Australian Veterans Championships. There were both Men's and Women's categories from Over 30 years to Over 80 years. Notably players travelled from every state in Australia as well as from China, Japan, New Zealand, the United States, Vietnam and Wales. It was a very successful Championships with much of the credit belonging to Bev & Brian James, Tournament Referee Ian Finlay and his Deputy Referees, Stephen Gillespie, Alan Hopkins, Philip Males, Peter Lazell, Graham Boyton. Also, a thank you to the many volunteers who assisted.

New Zealand Test Match – All players named in the 2016 Order of Merit lists were advised by emails of the forthcoming 2017 Test Match with nomination forms attached. Mr. Ken Cole will advise me on the protocol of the selection of teams in the near future.

Awards

Order of Merit –was worked out on at the final day of the Championships.

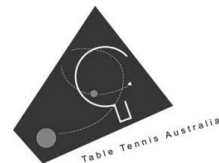

Brian James supplied us with results and listings of the players for the week which was required for selection of the Top 10 in each age group.

Ken Cole Trophy – The criteria for this Award was given to the NVC Selectors (J. Aduckiewicz, J. Sherriff, myself (C. Langley) and a list supplied with the players ranked in the order of the criteria set out. This is a most prestigious award for Veterans Table Tennis players and a lot of work goes into its selection. It is critical that the person receiving this award should be proud of their achievements.

Tabletennisworld's – Best Player Award (for each age group) - These players were automatically selected from the results supplied by the Tournament Controllers. Paul Pinkewich is commended for providing these awards and for his continued support of the game.

I sincerely wish to thank Brian and Bev James for their guidance and support during the year, as we certainly needed the information and records when doing our tasks and to Ken Cole for his advice and guidance. To the National Veterans Selectors, Jennifer Aduckiewicz and John Sherriff, who were very enthusiastic and who assisted me and presented ideas that we discussed and hopefully will pursue during the year. Many thanks.

A special thank you to TTA President, Will Goodier and TTA CEO, Peter Marriott for their support and advice during the year.
